Kesha Tamakuwala : Suudiitiiii, From the sassy girl that was always so chill before all the exams in freshie year, to my personal TA who would sit with me the night before the exam and teach me the course, We found each other. I love how kind you are, how understanding you are, how you know so much about everything because you read so much, how you are always there for me whenever I am down and how you have an awesome swaggy thing to say, always. I found a great partner in you for projects, for going to classes and for discussing life. You are an amazing soul always know that always have faith in yourself, you are super duper smart and I hope you reach you potential very soon and keep challenging yourself. Wh

Pragya Valay : Bhai Suditi my jaan. Kitna daantegi,darr lagta mujhe toh kbhi kbhi :P Kitne saare din aur raatein :P share kiye hai humne. Bahut pyaar karti mai tujhse,kbhi kabhi call karliya kar.Room me saaf safai rakhna maine tumse hi seekha hai, bhai itna kitna organisation hai life me tere.Now when I write this,I feel very nostalgic.You are a very strong person.Apne strengths and weaknesses ko bahut ache se jaanti and unko accept karke unpar kaam karne ka courage rakhti hai tu. Yahi teri best quality hai, coolness toh hai hi unmatched.Ek dusre ko dekhkar kaafi bar jarurat se jyada soye bhi hai, you have the purest soul. Kabhi kabhi hurt bhi kra hai shayad, wo bhi bhul kar aage badh gaye hum :) Lubb you
