**Adithya Iyer :** 700 characters aint enough for this boi. Thanks for tolerating me during each and every barcelona ka match (and utd ka too lol) and every hour id occupy your room to play fifa. Cant forget infi nights for movies, sunny/gullu/box8 and the trips to indore and Pune(the servier XD). Yaar next sem isnt gonna be the same, but now that tu chembur aa raha hai I have more reasons to go to chembur XD. This is your Metallic, signing off.

**Bohra Ankit Narendra :** Bhaiiii....these 4 years are impossible to imagine without you♥. You've been there every single time i needed you. I am tensed, i come to you, i am happy, i come to you, i am sad, i come to you, i have some news you're knowing it first. I have walked into your room more times than mine 😂...There are innumerable memories we've shared...cant write it down here. You know every single thing about me!!!! Trust me without you i wouldnt have survived mechanical engineering You are an amazingggg teacher!! I don't think I know any person as chill as you who absolutely kills it in acads too and has soo many people wanting to learn from you! You've inspired me throughout and will keep inspiring me! Stay the same!!♥ Same city job..we are meeting soon♥♥

**Tushar Uike :** Arey mere pyaare roomie, nahaya yaa nahi :p I must confess I have always exaggerated the number of days you last took bath and last sem tak kaafi sudhar gya tha tu :p. Apart from this I cannot see any defect in you. You are a rare person in these times. I have never seen anyone so easily helping others, kabhi bhi naa nahi bolta bhai tu. Wing ka teacher toh hai hi tu but the way you take care of your DAMP kids is insane and really commendable. You have the best problem solving mind bro which is going to take you places. Mere alarm se tera uthna and fir meko uthana, room and class me FIFA khelna, intern ke liye tera SOP and videos banane me help karna, Noronha ka course, intern days me sunny jana, Mani ki maarna, chacha ke saath tere debates, Goa trip bohot yaad ayega :( Tu GOD hai bhai. Jab bhi coaching center khole toh mujhe bhulna mat :):)

**Mohanish Verma :** Despite of your age you are way ahead from all of us. To be honest, your problem solving skills your Quant solving ability triggers me most to be like you. I always wonder what goes behind his head. Talking through walls through morse code, our fights, sunna mani dialogue, taking care of everyone define you a true leadership quality the way you handle everything acads, INDOOR sports, damp, TA and never ending bakchodi plus your patience is commendable. If we are a infinity stones than you are a Gauntlet to bind us together. I'm so relief that my all weekends and my placement prep will be taken care by you thank god you are staying in mumbai. I will really miss you. You have inspired me a lot. I just want to be like you except the fact not taking bath in decades, not talking to ANY XX chromosomes, taking 4thWall club seriously that you barely leave room 😂 insort I will miss you buddy♥♥♥

**akash kumar :** yo boi. kid of our wing. though the most understanding and logical person. Handling every situation like a pro. kaaafi zyada smart with whom you can have discussion about literally anything. we have went from silliest to pretty serious stuff in an instant. Kaaafi thought provoking discussions hote the tere saath XD Always ready to help for anything you ask for. kabhi mana nhi krna. and ekdam sorted ideas ke saath. I am glad I met you. Insti life wouldnt have been the same without you. Ab mumbai me hi hai aate rehna milne. and plz naha liya kr :-p

**Tanya Gupta :** Best lab group ever 😄 It's sad we didn't really get to hangout but whenever I interact with you I get these calm, cool and collected vibes. It is surprising how our choice of electives is similar, and we end up taking some of the same courses (where in you always help me by sharing your notes xD). All the best for everything on the road ahead of you! 😊

**Arush Gupta :** Buddy man, I really very badly wish that I'd gotten to spend more time with you; I haven't seen a more trustworthy person than you despite the fact that we haven't gotten to know each other very well. You're the kindest person I've met; you helped me during my lows, without so much as a splinter of hesitation. Thanks so much for all the love, man. I wish that we get to see a lot of each other over the next year or so, but I'll try my hardest to get to know you better, mate; irrespective of where we are.

**Sarthak Khandelwal :** Chotu! Man I'll miss walking into your room and see you lie there in the same pose as always. Fingers on the controller, eyes on the TV. I'll miss playing Fifa for hours and all the trash talking! I'm very happy you made me watch 2.0, the setting, the mood was just perfect. no regrets 10/10 would recommend. Thank you for being my support stick in some courses. I'm glad tu Mumbai mein hi hai, we can still pull pranks on Mani for another year. XD

**Himanshu Goyal :** Bhai!! ♥♥ Backchodi plus brains, kaafi unique combination. 🤔 If I list all those things we did, we will definitely end up in jail. 😊😊 Surprisingly, the only time we did something legal shit (your 21st birthday ♥) was the only time we were not sober (tower chaiye BC). 🤔♥ I will never forget woh Taksh ke "attempt" wala prank, and you should not forget mera surprise thigh slap. I love you bhایی ♥♥(and love partnering with you to implement all kind of bullshit ideas 🤔♥). 🤔 I want you to always remember these things: 1. "Sunn Mani" is still one of the greatest pranks ever 🤔😂 2. "Head first", always. 😊 3. Most important, Rivers flow towards equator. 😊♥

**Rohan Kaushik :** You know that mythical fourthie that everyone tells you about, the one with the craxx PPO, high grades and even higher volumes of bakchodi, a sorted life and of course, a PS4 and TV in their frickin hostel room, tu vo hai bc. Even though we've interacted majorly in the fourth year, it's been fun man. All those cold coffee orders, waking up at 12 knowing ki tu bhi nahi gaya IE ka lecture xD, it all made this last year that much more more pleasant. Should've maybe joined you guys for 2.0 :P. Wing ki saari bakchodi tere aur Himanshu ke saath hi kari hai, especially this sem. All the best man, I know you're gonna kill it. <3

**Deep Karman Pal Singh :** Bro tere bina mere intern to naa ho paati, sanity check raha hai tu. Thanks for that! Wish you all the best and success!

**Taksh Satra :** Yo Rishabh!!!! Tere room pe kaafi bakchodi ki hai.....Especially ps4 pe😂😂....Kaafi courses tere saath padhe hai especially cs wale.....U have helped me always in insti especially applications ke waqt.....You are one of those people jinke opinions kafi kaam aa jaate hai...Thanks for all that!!!!♥♥ Bas Poker me tujhe harana reh gaya...Jab next time milega tab dekhte hai kaun bolega "But Did u win?"♠️.....Aage ke liye all the best!!!!♥♥

**Adwitiya Rao :** Arrey Sir Sir, aap toh Mumbai me hi ho na? We definitely need to have a lot more sunny nights. I have tons and tons of respect for you man, like you've sailed through college the RIGHT way. Anyways lets get drunk and watch Two and a half men season 1 XD and play Women's FIFA. All the best <3
