Pushan Bal : How can I ever forget you! The worst and lamest jokes I have ever heard have come from you and yet I have not seen a guy more at ease than you. Your positivity is contagious. Thank you for being that guy we all got to make fun of and thank you for always taking it in good humour. Stop running so much on the courts :D. Take good care of yourself and please please please reply to my messages.

Chinmay Kalra : DVD!! From the shy, reclusive person Prasham introduced me to in the first year, you have grown to become a chill-max, 'super lucky' and outspoken guy who is extremely proud of his lame jokes. Your positive and accommodative attitude has brightened up our wing. BTW, tu jitna bhi Apex khel le tu haggi hi rahega. And also, hope ki tera Japan mein settle hone ka sapna poora ho. Thanks for all the memories bro. My insti life wouldn't have been the same without you.

Mayank Sultania : A very humble guy... Bhai I still remember the XRL8 days! Tu raise hi hamesha smile karte rhhna!!

Mangal Mannat Piyush : DVD bro, if we combine the luck of all the other students even then it would far lesser than the luck that you along have. ab to job vali anghuti nikalde. Hope tere bal aajaye and fir bandi bhi pat jaye, kab tak kalra ke sath ghumega. Vaise bhi agli puri jindagi tune yagna ke sath rehni hai, bahut maja ayega tuje. Thoda PUBG se nikalke real world me jeena chalu kar bro. All these 4 years and I have never seen you get angry at anyone, that is something that no one could have achieved. Honesty me like 10/10 to tune pehele hi prita ma'am de chuki hai :P. Japan ki intern Europe me baithke crack karne vala tu ek akela admin hoyega pakka. keep in touch, cheers!

Amit Gangurde : DVD bhai!!! I remember tu kitna shy tha first sem mein. Mere room mein aake chup chap baitha rehta tha randomly. I think we first started bonding over Nucleya. And fir baadmein tere overly-intellectual jokes aane shuru ho gaye 😞. Bro you are the calmest, and the most chill person I have seen in the insti. No one was as relaxed as you during placements. 2 ghante lunch karne mein kon lagata hai bhai? Yaar wo H5 wala last over hamesha yaad rahega 😂. Thanks for waking me up almost everyday in the last sem and keeping the extra bananas for me. Mai dua karta hu ki tera music mai taste improve ho jaye and ladkiyo se baat karne ka dar nikal jaye. CS khelte hai kabhi!

Yagna Teja Reddy Velagala : Yo DVD, lol I've searched for you typing DVD...this does explain a lot of things...I still remember that day when I called you into my room and brought up a discussion about smth and surprised you with the same...hehehe.....I really admire your trying to be cool nature bro...lol....will never forget those two weeks at the gym bro....also yeah there are a lot of little things to write about but there's a character limit here so yeah...I'm happy that we both got to work close to each other bro.....and please, please and please bro....kabhi na kabhi mom ka phone tho uthaya karo bhai...we'll meet soon bro....wishing you the best for your future and lots of <3 hugs...

Rushabh Vora : Sabse bada chu**** hai tu! Tere se bada katau bhi mushkil hai milna. I can't understand how can you be always playing that game and still be so awful at it 😞😞. I will miss all the time that we spent in H4 TT room♥, tera pair rakhke ball ko todna, 2-3 ghante per meal mess me baithna, height ka darr😂 (terrace incident), spiders se Teri fatna😂 and aur bhi bahot kuch!! Thanks for always being this humble guy that you are and helping me out with even the smallest of things ♥. I can't still believe ki tune "almost" 4 saal nikal liye bina gaali diye🙏🙏. I hope ki future me kaatna thoda Kam karega and bandiyon se baat karna start karde unless you are sure ki Kalra is the one for you♥♥.

Satyam Rai : Yo DVD!! I am really gonna miss you bro. I think you are the most pure-hearted guy in all the IITs comprising all branches😂😂. I have never ever heard you uttering any abusive words man, how is that possible. Thanks for all the precious memory man, those TT nights (you literally taught me from the scratch to play that game), those pubg nights in the dussehera holiday where we used to play 12 hours a day and many other things. You were always ready to help anyone at anytime. Will really miss you bro. Hope we meet soon.

Pranil Jain : DVD, tujhse jyada saaf dil ka and khush rehne wala insaan nahi dekha yar. Kya positive vibes lekar aata hai bhai tu apne saath. Kya madad ki hai bhai tune har time bina kuch soche samjhe. I will really miss you. Mujhe bhi tension nahi lena sikha de yar. Kuch bhi kaam mere laayak toh yaad karna. Tu baap aadmi hai

Arjav Shah : DVD! Kya sahi banda hai be tu! I have seen you change from that shy, reserved mama's boy to a badass, enthu-maxx man! :P You're still that sweet, charismatic, helpful person who would take hrs to eat and crack possibly the lamest of jokes! Stay the same :) Your energy and enthusiasm are contagious!! Sab kuch khelte ho aap! _/_ I'll miss playing Lawn Tennis with you & Kalra, and yes, the crazy volleyball matches we played in the 1st year! The way you shared your Japan 'hot-spring' experience was the best thing ever! xD Not to forget our outings, Wankhede match and mess conversations! Wish you the very best with everything and milte rahenge! Will miss you a lot! Yours, Baba <3

Vedant Ladha : Bhai :) Kaafi use kiya tune kalra ka uske laptop ke liye :P Jk, tere se zyaada selfless banda nahi dekha hai maine insti mein, jab bhi help maango khudka kaam chhodkar aa jaata tha (Apex chhodkar nahi lekin) Semester ke beech mein Amsterdam ghumne chala gaya aur vaha se Japan mein intern bhi lagva li. Placement sem mein Apex khela pure time, phir bhi macha diya 🙏 4 saal gaali free toh koi nahi raha hoga insti mein tere elava ("Bhais ki aakh" se aage hi nahi bade tum bc) Tera jokes hagna aur mess mein backhand forehand hamesha yaad rahega xD

Pranay Raj : DVD bro, tera pura naam meko ek saal k baad pata chala. Tu bahut cool and calm banda h bhai. Labs me kaafi lukkha kaata apan ne. Pubg bhi khela labs me kaafi. Mazey toh bahut kiye. Insta pe tune bahut acche pics bhi dikhaye mere ko. Let's catch up sometime in near future and all the best bro.

Pushkar Saraf : DVDDDDDD!!! Bhai terese baat karne mai ek accha feel aata hai. You are a very good listener. Thanks for being there and listening to me! Kaafi kam log aisa karte hai. Tu ekdum humble, down to earth and accha banda hai. I remember pehle baar tu mere room mai aaya tha to study haha. Hope you achieve amazing things in life hero !!

Aditya Dev : Bro that internship would have been boring as fuck without your presence. Glad af to meet a fellow weeb and gamer. The perfect travel buddy. Made the whole experience 100 times better. Late night milk and cookies at the hotel, the amaze hogwarts experience and getting drenched at universal studios, almost getting stranded at tokyo, taking your fake candids at literally everywhere.. i cant write all of em here. Also, hope you had fun handling my drunk ass that day XD "me bas dil ki baath kar raha hoon" lol. I hope we meet again soon.

Prasham Agrawal : Man your transformation from the silent shy guy to the outspoken lame joking person has been phenomenal xD 😊. Thanks for all the selfless help in all these years. But I would still not forgive you for almost killing all of us at Sameer Hill 🤔.

Aniket Ranade : Are DVD bhai saccha mast aadmi toh aap ho yaar mai to bas aapka shishya hun. itna helpful hai yaar tu aur har baar excited rehta hai maja aa jaata hai tujhse baat karke hi. mujhe yaad hi ni kabhi tujhe dukhi dekha hua. Pradnesh Patil : Dvd bro..tere sare Japan stories kaffi yaad ayenge, and also the constant help you provided reminding me when the assignment deadline is for all our common courses.Kabhi to milke definitely Xbox khelna hai so keep in touch.
