Veerupaksh Singla : Zaipurkarrrr. We started mugging NumAn together aur fir uske baad mudke hi nahi dekha. Our friendship has grown by leaps and bounds. Ek dusre ke deepest secrets, from crushes to embarrassing stories, we have shared everything. 'Bhai Aurangabad ja raha hu, ghar se phone aaye to sambhal lena 😊' yaad rahega. Fir saath me lab groups, saath me assignments, exam times me backchodi. Mereko healthy diet ke liye motivate karna 😊. The day you gave your talk at JPM, the day you got Placed at PnG, I will always remember that happiness. We need to go out together more 🙌

Naman Chindaliya : Zaipurkar. I describe you as a tsundere. You are one of the few who understood me well. I will always be indebted to you for having a lowkey apprentice like me. I will never forget our Bhutan trip. Thanks for being my gym trainer. Thanks for being there. Lob you.

akash kumar : Bhaaaaaiiii! kaafi randomly mile hum log, last seat pe gaana gaate hue during dept trip. But haven't looked back ever since! Fighter jets, tech, IC, every discussion with you have been great. The kind of dedication you had for IC, huge respect for that. Kaafi inspire hota tha tujhe dekh kr to work hard. And songs share krna, kaafi similar taste, it was great to be friends with you. I know we will go a long way for sure. and yes teri diary sambhal ke rakhi hai. hope we meet once more before the insti life ends :-)

Kushal Agarwal : Jaipurkaarr! Pehla impression wahi tha jab tu bathroom mein baithe baithe 'Kuch kar ke dikhana hai' sun rhaa tha. But apni asli bonding toh GMAT, CAT aur Placement prep ke time hui thi. Tereko CAT ke time pareshan karne mein bahut maza aaya.😂 Itni body banali, but mereko and Veeru ko influence nahi kar paya 😊. Woh aakhri party yaad rahegi.♥ Ab aage P&G mein bakchodi jaari rahegi!

Animesh Singhal : H6 mein kya fun nighout maara tha apan ne Abhishek Upmanyu aur Kunal Kamra ke videos dekh ke. Peheli baar vo videos dikhaye they tune and who knew that I'll invite these two in Mood Indigo during my tenure! Fitness inspiration hai tu mera. Thanks for guiding me in our gym sessions! Teri, Jatin aur meri us din vaali outing toh infi memorable hai! Even tough uske baad itna connect nahi kar paaye, toh bhi it was fun catching up here and there. And look what all you've achieved in these times bro! Tu Duniya mein 1st aaya us tech competition and finally PnG crax! Infi proud of you! Let's be in touch <3

Shreyas Likhar : Gym, daal, alan thrall, healthifyMe, ye website wo website aur kya kya😂.... Tu hi tha gym ke liye motivation aur trainer♥... Aur kuch mahine reh gaye the saath exerices karne ke...tere jaisaa banna tha but...this is where we have come to,the yearbook. Ab pata nahi gym ke liye shayad tere se online sessions lene padege. Aur baki to kya hi kehna, thoda late mile apan par maza aa gaya. Na jaanr Kitne logo ko madhur madhur sangeet ka anand diya hai tune😂😂😂. Wing ki trip abhi bhi bachi hai. Love you bhai ♥♥♥

Yash Samriya : Yo gym buddy! Your dedication towards the gym and UMIC is unparalleled! You literally inspired me to go to gym regularly and thanks to you I participated in my first ever Powerlifting Competition! That was some adrenaline-filled experience. Bhai ek din me 10 banana khane ki shamta aap me hi hai! :p We also share that curiosity for Aeromodelling and all those discussions about fighter jets, RC Planes, and aviation will be remembered! Cheers to all the ranting we did about ITC Intern GD in the third year, binging at ChEA canteen, the amazing food we had at Prithvi Cafe! Stay in touch yaar! :) PS: I will definitely continue working out!

Sumanth Kandala : You seriously are one of the most dedicated and meticulous person I've met. Tere jitna lab senti I'm not sure kisi aur ko tha, ya kabhi hoga! And tere help ke bina I'm not sure ki meri placement lagti, especially considering that maine ek raat pehele tere se file ke liye bhi bheek manga! Thanks for everything yaar! I hope you stay the same way - calm, relaxed and happy while you start the next chapter of your life.

Jatin Chandawat : Broooo yr tu dude hai. You are a intellectual person tere sath baat karne m humesha maja aata h. Seriously kabhi nhi socha tha wo summer wali h6 nighting Kamra or Umpanyu k videos or definitely pizza wala case 😂😂. Uss din s pehle to yaad bhi nhi aa rha mujhe bhi apan kaise jante ek doosre ko. Tumlog movie dekhne baithe the m beech m so gaya fir sale agle din mera chata gayab kar diya bey. Tu definitely machayega bhai life me bahut. Bas bhool mat jana iss nachiz ko tarrakki k nashe me. Lol 😊 Good luck bro keep smiling btw nice muscles 💪

Edwin Saji Uthuppan : My gym bro... You are an inspiration and I pray for more gains for the both of us!

Deep Karkhanis : Jaipurkar!!! Tere baare main kya likhu. Pata nai itne close kaise aagaye: apna department alag, freshie wing alag, na koi common course (HS101 tak to bhai ban gaye the). Mystery hai bro, but some things probably are meant to be. Tera IC ke liye dedication God hai. Gymming game toh perfect hai. Itna sab karke bhi acads kaafi acche hai. Apne late-night talks chalu rakhne hai. Infi macchar hone ke baad bhi 5-6 baje tak baat karte the. Phir yaad aata yeh weekend bhi kaam nai kiya. Bakchodiyen tune bhi kuch kam nai ki hai. Especially akele Auran***** jaana. Tension de di thi bhai tune kuch gadbad na ho jaye. Dank memes ke liye bhi mast partner hai tu. Teri chemical ke rants bahot miss karunga. 3rd year Intern ki prep bhi tere wajah se hi hui hai. Job bhi shayad tu hi lagwayega. Tere jitna dedication aur perseverance achieve karna hai life main, sacchi. Aur bohot caring nature hai tera. Bilkul change mat hona. Tu jaha jayega, machayega. PnG IIM jo bhi. Ha aur robotics ka enthu jaane mat dena. Aur apan toh roz baat karte hai. Touch mai toh ofc rahenge.

Saman Siddiqui : Jaipurkar!! PPU ke king, ab saath mei P&G jaaye ge :P Bas jaldi se posting aa jaye aur hum same jagah ho! Already chemical saath 'sahen' kiya hai, P&G bhi manage kar lenge! :D :P Jokes apart, you're one of the nicest people and I've learned so much from that one walk back from Heera!! Jaldi, fir se bahar chalte hai and CS building mei KFC saath mei khate hai!!

Pujan Biswas : JPKKK. My oldest friend in insti and the one who stayed. I cannot thankyou enough for having confidence in me when nobody had. I know you were one of the happiest persons to see me succeed. H16 ke INFI bakloli, gaali fights, GPL se life decisions tak, humne kaafi raasta taye kar liya. I'm so proud to see you give the TED Talks, heading a kick-ass team and *coughs* do the "light bandh karke Pujan yaar dekh na koi aa naa jaaye, laa raha mai usko". Woh impossible mail jo Sahil ke lappy se almost bhej diya tha ussey pata chalta hai ki kitna confidence milta hai tere saath. Humare mutual MATKA hate zindagi bhar jaari rahega. For me, you are a living proof of hardwork. Your oldest mate, Bisso!

Tanmay Garg : Bhai jaan, kaafi pyaara dost raha hain yaar tu mera. Tu gussa to bahut hota hain meri harkato pe but kabhi permanently gussa nahi rehta merepe which i honestly admire about you. You are nice to people you want to be nice to and a dick towards people who you hate (you know who i am talking about lol). But yes, i hope our friendship only grows from here and we always stay connected with each other :)

Aayushi Baheti : Yo lab partner! Itna roya h na tu poore lab mein but then sabse logical answers deke and saari calculations karke tune hi bachaaya h humme 😂😂 You were indeed the smartest one of the group. Kya rote the na hum intern ke time aur ab dekho tum P&G mein machaane wale ho. Good luck for the future buddy! Btw Tu lab group change kar leta toh kya controls ke viva mein macha paata 😊
