**Mrigank Ashesh :** Bhai it has been a memorable journey. We had the UP connection, vibes from the start. We could have vibed more had we stayed in the same wings. We started growing our long hair together, blaming the UP water for curling our hair, enjoying MI and Techfest together. I also got to make many new friends with you. Your tenure as Tech Secy was amazing as I could enjoy free food and freebies. Apni toh saath main intern bhi lagi thi Truckola (unfortunately I couldn't attend). Bhai tere kebabs abhi bhi due hain. Lucknow jab bhi aana batana. Mast khana dabayenge. I have enjoyed working with you, stressing and destressing with you during placements. Hope ki Japan ja ke hume bhoolega nahi. Stay Connecte

**Shubham Gunawat :** Yo Balma! Bhai tujhse accha dost shayad hee milne wala kabhi life me. Insti me shayad hee koi constant raha tere jitna. Tu boht hee zyada selfless aur kind hai life me apne friends k liye. I still remember how in 2nd year tu 12 ghante constantly Tu mere project pe kaam kar raha tha. I am so glad kee insti me tujhse mila main. First year me itna pure tha kee har baat pe "hai daiya" nikal jata tha tere muh se. Respect hai bhai tune jitna hardwork kiya hai aur grit hai jo tujh me. Life me toh machane wala hai hee boht, baki bhai toh rehega hee hamesha tu 😊

**Sachin Tak :** Vo First year ka lukha tere room pae ..... sabse jayada yadd aega. wasate ko call kar, H12 Chalte hae, mae adi ko bulta hau !!
