Manoj Middepogu : After google, I trust your knowledge ; you know what it means. You always search for the field you can excel at the top, a nice quality though. You always surprise me with the decisions you take. you should've stayed for the last sem. I still can't understand why you chill in odd sems and work hard in even sems. Eat less because u have no time to exercise.

Sigireddi Yamuna Devi : Heyyyoooo!!!
