Bohra Ankit Narendra : Iyerrr....you've been one of the most helping friend...my SoPs, resumes all had been verified by you😂. Freshie year mein doubts solve krna....humsha cricket ke amazing discussions...Noore Khuda song ♥. I honestly havent seen someone so dedicated to football and entrepreneurship. I have seen you working on your projects and your dedication and involvement is just unbelievable. Tera startup set up hojaye tab mujhe bhi partner bana lena😁. I'm gonna miss all the bakchodi we did...but aise mein weekends pe aate rahunga campus. I yet remember the Barca vs Roma match😂😂. Dude you are gonna be one of the biggest entrepreneurs in future but stay the same helpful and kind person always. All the Best!!

Malhar Jadhav : Yo stud!! It was an honor doing internships with you - ek scam and dusri infi give up. Gurgaon main apani bitching session ke baad kaafi relief milta tha, really felt a connection with you while bitching😁. Can't forget that pg room , that broken semi-automatic washing machine, bhayanak garmi ,power cuts , that electricity meter, ola auto rides, assisting you in getting rid of lizards😂 and world cup matches. Mumbai return flight ke liye apan 7 hrs pehle gaye the airport, enjoyed that early morning flight (bitching included). Aisa hi cool amazing person reh and kabhi Gurgaon ki bitching karni ho to direct call karna!!

Pushan Bal : Yaar we never got to wear those matching red striped t-shirt and pant that we always talked about. I loved our conversations in the mess which usually turned into me roasting mani ;). I would have loved to do more fun stuff with you. Stay in touch. Kabhi milenge to pakka wo outfit dalni hai!

Anup Itale : Iyeerr!! D10-11 Bond!! Tere liye to badi senti likhi jayegi..but next year :P

Be it debsoc, football, entrepreneurship, hackathons, kaafi sahi lagta tha seeing you working. I remember practicing debate in first year with you, apna rishabh ke room me chill marna, I literally used to come to his room to listen your commentary while he used to own you in fifa XD But seriously bro kaafi you are a great person to hangout with. I know you will rock in life. Hope we keep in touch! and vapas ghar south indian khane kab bula rha hai?

Taksh Satra : Yo Iyer!! Tere aur Rahul ke saath Id ke line me laga tha tab tumlog se mila and wahase I got my wing pseudo wingie bana!! Tum dono na note to ye wing hi nahi mil ta♥♥.... Teri debating skills tere witty comebacks me dikhti thi jab koi tujhe chidaye..Kafi swag reply hote the😂😂..Psycho ka HW yaad hai Wo book tune padhkar pura report bhej bhi do ya maine aaj tak nahi padha😂...Applications me bhi tune bohot help ki thi...Thanks for everything and aage ke liye all the best bro!!!♥♥

Kanishk Sinha : Areyy bro! kaafi semex memories made! Definitely one of the most memorable experiences in insti life. Will never forget your 'Ab ho gaya toh kya hi kar sakte hain' philosophy 😂😂😂. And oh yes, how can we forget the great flight 9496 😂. Also, teri aur Deep ke fights _/_. Kaafi entertaining specimen hai tu xD but mast insaan hai and very helpful indeed. Still sorry to make you walk that much in search for my forex card :p

Tushar Uike : Iyerr Idlii ♥!! Saale ek match FIFA ka harake zindagi bhar pareshan karega tu mujhe :p There's never a moment dull with you. Wing me itne jokes tu itne sportingly leta hai and tere comebacks are litt af 🔥 I'll miss hearing from you 'bhaagne chalte hai' at random times although apan kabhi saath me nahi bhaag paye. Bhai startup jab bhi khole hume bhulna mat, I know bohot machaega tu. And achi achi books ka reference dete reh :) Continue being the smart, humorous and savage person you are 🔥 All the best and I am never letting you win again ♥😂

Himanshu Goyal : Iyerrrrr!!!! Meri sone ki murgi. Chal jaldi se ek startup idea sooch. 😂♥️ Bhai jab bhi koi scam karne ka mun karega, you will be the first person I would talk to. 😂😂 You're a fun person to work with. Bhai kiitne hackathons (SCAM), project (SCAM), competitions (SCAM) mai hummne backchodiyan kari hai. ♥️♥️ I wish ki humm saare ideas implement kare aapne, and "Cool startup ideas we thought of" ki list bdhti rhe hummesha. ♥️♥️ Also, Planner is better than Google Calendar. 😂♥️

Rohan Kaushik : Always remember we beat Sarthak and Taksh in Fifa. Here's hoping tere aur Himanshu ka koi startup chal jaye 😊. And of course, Fantasy Island makes brothers of us all 😊.

Toshan Kharumnuid : Still perplexed as to how you never got into the same NSO (you missed out on a lot of fun xP), nevertheless that didn't stop us from eventually playing together especially all those GC matches. I can't believe you actually got to watch the GOAT live and to top that off witness the sublime free-kicks but I'll be forever grateful to my awesome friend, Jairam XD, for bringing me back a souvenir from Camp Nou itself. Anyway, good luck with everything and we'll meet soon bro :)

Yash Samriya : Iyer dude! First year me we went for a quiz together only to realise we were noobs! 😂 Then that European country pun game we had during second year, we went on for an hour and a half! Damn! Maje aaye the kaafi! Stay in touch man! 😊
