P T Cherishma : my dear Gladdiiiiiii 😊😊 Debo has rightly named you as Teddyy 🤔🤔 I can say that without you my IITB hostel life would have been plain and boring.. you were the one who would always be sooo excited for outings..late night gossips.. birthday party planning 🥳🥳 food partiess 😊evening walks..getting ready for going to restaurants 🍷🍷🍷🍷.. When I think about all the H11 memories u will always be a part of them 😊wen me, u, Irina, Swetha n Debo would sit together and discuss all random things and laugh at your jokes 🤣🤣..I wish I could get that time back 😭😭 I don't want to say bye to u 😭 I just wish we could all get together like we always used to at IIT 😊 Love u my Gladi 😊

Sandeep Narayanan : Hey Gladis, though we don't have many memories together,a familiar face on the very first day in dept. was a huge relief for me (yeah, we were strangers then also :D). That was a life lesson i got when I saw you disappointed after an interview result during placement and ended up the day with multiple offers in hand. You really rocked! Wishing you all success and many more foreign vacation trips !!

Irina Merin Baby : Gladi... You r a person who loves your family and friends without bounds... lucky that I'm your friend... You are a lot to me... you helped always to take decisions, makes me happy, comforted me when I was sad and of course made me pretty with your make up skills. You r the team leader... the gelling agent... the creative head... the surprise specialist... I'll miss our endless talks, movies, photo sessions, trips, MCA dance, tik-tok videos, H11 funtime, games, shopping, fooding, your cooking, your room. Wish you the very best for your future dear... #FriendForever #Photographer #SeeUSomedayInGoa!!!
