Himanshu Bishwash : You are one of the most "ajeeb" person I have come across in my life. I will always remember the late night discussions about the jugaad and surprisingly shocking things you have done in your life. Thanks for clearing all the doubts and helping me survive D&C.

Shivam Sharma : Remember Saumya. Ears started bleeding. Mind getting paralyzed, but wo bolti ja rahi. I thought mamla set hai, but usne hume hi upset kar diya. 😂 That's how your MI was. IIT mai koi Mood I time pe leg injury karvata hai. 😂. If friendship has a synonyms, then surely you're one. But tu bahut bada wala backchod hai. Remember jab running ke liye jate the, and himanshu baar baar, Bhai 20 Rs le aana tha. 😂

Deepak Mohapatra : Tinder boy(khiladi) of our dept. First impression->very innocent Jharkhandi boy. But after sharing R339, my all assumptions got wrong. A person having typical bihari attributes with expertise in "every" field. Tu to guru hai bhai. Thanks for helping me with the strange control system subjects. U have shortcuts to any problem and always come up with epic phrases(g shot and many more). Aero mai sabse bada bakchod tu hai. Youtube should give us a pseudo phd degree (time pass tool). H12 me bhi front room mil gaya mujhe. I will never forget those late night gossip and walking with u and Chandure. Very keen listener, talented and practical guy. Phd karke IITB me prof banja ,life set hai.

Saket Milind Kothalkar : Tune likh to diya ki "I owe my placement to you" par sach ye hai ki tera hona hi tha bhai.. kash teri itni mehnat mai kar pata.. par na ho payega bhai! Likh to bohot kuch sakta hu tere baare me par bas itna hi kahunga ki tere jaisa "Akhand Bakchod" insaan maine aaj tak nahi dekha.. aise hi hard work karta rah bhai aur badi university se PhD karne ke baad thoda yaad jarur kar lena.. best of luck sir ! 🙌

Abhishek Chandure : Is insaan ke bareme kyahi bole.My partner in every evil plan .Ye insaan toh jaise hum sab ki jaan hai. Konsi bhi party ho ya konsabhi event is insaan ke bina adhoori samjhlo.Bakchodi me number one.I still remember this guy when he was confused whether to stay in IITB or not .His decision to stay back was his best decision. We had lot of fun together , woh Deepak ki tang khichai woh jabardasti walk pe lejana , woh moodi me sath sath ghumana.Woh apna kisbhi baat ke debate karna and koi topic na mile toh Deepak ko chhedna ,tera woh gandas bed and woh tera takiya .Word limit hai nahitoh tere pe toh aaj essay likh deta.Tu toh apni jaan hai re Sinha.Aisehi smile karte rehna hamesha.

More Shubhali Jalindar : We have very less common memory apart from farewell n fresher's party ke balloons fulane ke n tere Airbus ke placement ke baad hum sabke liye rukana. But thanks for being part of this two years journey. All the best for ur future 🙌👍

Pujan Biswas : Control Lab mai sirf ek hi cheez kaamki thi bro! Humara group and discussions uske baad ki 😊 Sorry aapka naam aadhe lab tak mujhe Ronit hi lagta tha 😊 Humara common hatred for Joshi was real. Kaafi kam time mai accha rapport bana liya humne yaar. Aapke aero hate se Airbus kaise pohoch gaye yeh explain kardena jab bhi woh daaru treat ho rahi hai 😊 "Isse bhi jyada marks hai kisike?" yeh line toh kabhi nahi bhool raha hoon mai. Also, PhD mai toh milenge hi na? Aap one of the few *ahem ahem* s mai se ho jo friendly and cheerful ho. Kabhi bhi yaad aaye toh text kya, call hi kar lena! Your friend from the other side 😊, Bisso!

Archana Sharma : itne subject m AP lane vle, first day place hone vle fir bhi koi ghamand nai aise hai humre TEAM FOYER KE LEADER. First time spot round ki line m mile jaha m ye confirm kar rhi thi ke mere number tujhse jayda hai na aur mujhe admission mil jyega na 😊😊😊 thank you SC ke sari boring meetings to fun banane ke liye All the best for future

Ganesh Mohan : Bhai tu bahut sahi lagta h mujhe. Tere harkaten sab. Tu h nautanki, par inzaniyat bhi h, right amount me. Maze bhi karta h, serious bhi hote h, sahi wakt me. Terese aur accha dosti karna tha mujhe. Ek baar Terese gussa kiya thoda sa, kyunki mood kharab tha, tujhe yaad bhi nhi hoga shayad 😊 ..uske liye sorry. Aur badminton score 3-3 tha na...seekh le achese, kabhi khelte h 😊

Naveen Markam : A backhod in a innocents disguise...a combination of all..ex-Rungta...bhai bhai bhai..bs, apna ek leg bhra tha 19's MI me, shikaar krte krte, wo to kuchh alg hi tha...baki, All the best for your future....
