Karunya Baskar : Hey Ugly Subha. That surfing course is now an excuse just to hang out with you again and of course eat your ghar chicken curry. You have the warmest heart I know. No matter how cold and lonely I am I know I can always find a home there. On my last birthday, you have no idea how happy I was just to know that you were thinking of me. I love you subha, ugly subha.

Richa Agrawal : Subzzz!!! I don't know where to start. You have been my constant throughout insti life, from chilling and partying all night to having mental breakdowns and crying all night. We have so many memories together. I miss our dinner dates, shopping dates, drinking dates (the most). At the end I can say that I couldn't have asked for a better roommate and I wish we could relive all the moments again. I love you the most and we are obviously going to keep in touch till we're old!

Bhadri Narayanan R : Hi mongey 😊 I'm writing this just to commemorate the fact that you wish you listened to me earlier 😊 Hope you remember it in the future 😊 Starting with your random achievements and going on to your love life adventures right from the moment we met you always carried your confidence around like your crown (also read as bajaari, sound saroja, water vanaja) The umpteen punches that you landed on susee just for the sake of happiness is exactly how courageous I'd want all of my friends to be 😊 Crying about the deadlines and not starting the work till it has pretty much passed is how you're probably even going to operate in the future PS. SareeDoesn'tMakeYouSridevi; ForeverMySornaka <3

Rashi Gupta : Subzzz my lady My summer roomie Thanks for always dressing me up, (I'd look so ugly otherwise 🤔) especially for my first date!!! You the most cheerful one in the group (after me though 😊) Stay the awesome cool dude you are, and stay in touch!!! Keep watching, and suggesting me, the awesome k-dramas

Abhijith Krishna : Unlike most people I'm writing for, we go back 4+2 years. From the craziness that was Sriperumbudur, to all the Mumbai nights, I've made a close, loving friend in you. I know I've been a bit distant lately, but things have a way of coming back around, so please stick around like you've always done... Thanks for being there always <3

Rishabh . : Subzzzz I know you're salty all the time cause you're just jealous that Richa loves me more! Also thank you for taking me to Khau Gali for the tasty food! Despite the massive pain that you are still stay the same pretty chirpy girl that I love! I know there's no getting rid of you so I'll see you soon 🍷

Aarcha Suresh : Subbu. This is very weird writing here. You know how awkward I am too. So blah blah blah. You're amazing blah blah blah. Thanks for your constant support boi. Keep believing in yourself :)

Sowmya Ravichandran : Subhaa. This yearbook post isn't enough to write about everything that we've shared and everything that I love about you. You've been my constant through everything that went on, and I hope I could be the same for you. We've seen each other at our worsts and bests and I think the fact that we still love each other to bits, makes me sure that we'll forever stay in touch ♥ unakku trip lam sponsor panna mudiyadhu. So shut up and get your ass to Europe soon. I'll miss you so much di♥♥
