Pujan Biswas : Paahaadon pe chaddne ke liye ek stick ka sahaara lete hai na, tu wohi stick hai, not because tu itna patla but because reliable bhi hai :P Gujju codes crack karna sikhane ke liye, infi khaana dene ke liye, US ki sabse pyaari tee ke liye and exist karne ke liye dhanyawaad. Karmo se aise hi treats lete rahenge jahan bhi ho! Baaki toh hum sabko pata hai hi ki AeroAstro ka GaWd kaun hai! 4 saal ko iss 700 word ke 'SoP' mai nahi likh sakte hai. Patte. Chai. Doritos. Trips. Gullu. SoBo. Endsems. Assignments. Projects. Hotstar. Prime. Netflix. Jab bhi maybe akela pada rahunga, yeh cheezon ko yaad karke neend behtar hojaayegi kyonki these were our times. Your Bisso Forever!

Varun Sule : Jinay, hamare Einstein, tera physics ke liye passion kayam rakh., there are great things in store for you. Our LCH prep nights are memorable. SZ effect toh jaane de, ham sab bhool gaye, I'll be waiting for the day I hear about JP effect in the news. I'm never going to forget your style of talking. Stay in touch bro

Mayank Sultania : Mastt banda with a smile on his face... bass padhte hue hi milta tha Yash ke room pe... even ki railway station pe bhi padh hi rhe the tum dono, agar yaad ho toh!! Cricket ka god toh tu hai hi, football bhi chalu kar diya. Apple ke saman khud Tim Cook se jyada honge tere pass XD... Milte hai jald hi!

Patel Sayan : Agar uss over me Watson ne Sandeep Sharma ko 22 run na thoke hote to hamare 3000 rs. worth it hote. Btw, 2023 World Cup India me hai. Harr match dekhna hai mereko abhi se paisa bacha raha main

Ayush Dubey : The studious yet fun Patel! We've known each other since the first of weeks of the Insti. Tujhe yaad nahi hoga shayad I've done some physics tutorials in your room too. Tab pata nahi tha physics me ghus jaane vala hai! Your Gujarati accent always stands out so well. I always hoped at the start of every sem ki is baar ghar se mota hoke aayega but you never let that wish be fulfilled. You're so helpful, right from ED days through all the labs and now EDO me bhi. Your joking one-liners are classy whether you realize it or not, and I don't have comebacks when you use them. You've worked so hard over the 2nd year (pata chala mujhe I'm smart). I wish you all the best and hopefully, we'll meet again!

Apurv Tiwari : The saga bachcha, whose clothes feel like hanging on a skeleton, par fir bhi itna machau cricket aur ludo khelta hai ki kya batayen. EP aur aero dono mein machake infi naam roshan kiya hai hamare roll khaandaan ka! Mera sapna bas adhoora reh gaya roll family ka pic lene ka :(

Shubham Kalpande : Maggu! Freshie year mein kya RG karte the yaar tum. But I guess that made me self-reliant and hard-working. Thanks for giving the first lesson in insti. Tumhare ghar ka khana bohot yaad ayega specially Theple. Tumne kya nahi sikhaya yaar! Padhaai, Khelna, maje maarna and most importantly 'JINA'. Tumhe dekhke, taarak mehta ke baapuji ki yaad ati hai, utne patle toh ho hi but utne hi samajdaar bhi. You are ideal in almost every sense. Now that you are also doing DD, I dont have to worry about spending the final year alone in boredom. Jinay sath hai, fir tension ki kya baat hai! See you soon, maggu!

Bhatt Maulik Chunilal : Hii Jinoi, aapde malvanu j chhe and haji ek varsh sathe revanu chhe. Let's make so many more memories that we can write a book rather than writing on each other's wall in next yearbook. ♥

Gaurav Chaudhary : Haan to bhai ab me kya hi likhu itni kam word limits me itne kisse hain apne. First year me kitni fucked up life thi phir bhi tune mast support kiya, padai to tune jo karai ussi se kaam chalaya tha shuru ke 2 sem, kaash meta me hota to baki bhi chill jaate semsters. Apne night outs, H12 jaana, canteen treats, jab bhi tere sath bahar jana == Dominos treat bhai sab miss krne wala hu bhaot jyada. Baaki jyada nahi bolunga bass itna kaafi hain kehna ki tu sirf dost nahi tha Bhai hain mera tu aur property ke hisse to honge, thik hain :) aur ek aur chiz in general kehna chahta but specially in ludo "Jab tak tu mere sath hain, apan ko koi hara nahi sakta"

Sushilkumar Shinde : Jinay Bhai! First time we met at the backyard of H16 while playing cricket. Then came H7 jahan firse we met for Cricket. Tabse ghanto tak Box cricket khelna, Late night Test khelna, Midsem Endsem ke baad Puri raat bhr khelna, "Mai grp pe msg dalta tu +1 kr", Tera wo BDM ka bat♥. Bahot sad feel hota h ki jaane se pehle tere sath ek akhri baar khel nhi paya. Actually aj mera bat pakdne ka tarika was taught by u. Every time you hit a power shot I wonder ki itne slim body se kaise..?😂. Tera wicket lena will be missed😭. Keep up your passion for Cricket. Umeed hai fir kbi kisi jagah apni team milegi koi ground pe. Tab tak khao piyo aur thodi body banao aur khelte rho.Wiish u a healthy life!

Arjun Rahar : Jinay mera dil lutteta, oh ho! 😊 kaafi savage bnda hai yr tu, tere one liners tehelka macha dete hai kai baar 😊. Tere Saath TA ship me kaafi mazza aaya bro. Or Tu cards khelne me God hai yeh to maan lia mene. The only person in our batch jo physics me itna macha rha hai. Hats off. I'll miss you my friend/co-TA. Jinay menu maar suteya, oh ho! 😊

Yash Kothari : Jinoy TOPA, how can I write about you in merely 700 characters. You mean so much to me♥. I never thought that the first friend I make after coming to insti would turn out to be my best friend. 1st year me 6th floor pe itna aata tha me ki people thought I was of 6th floor. Imagica, NCC, cricket, RC plane(lol), cricmania, H4 v/s H7 debate, RCB v/s MI debate and the list literally goes on(Detail ma next year😂). And speaking about studies, you have been my study partner from Day 1 and I couldn't have asked for a better study partner. You've helped me on infinite occasions so thank you for all that. And ab tu hai to 5th year bhi sorted hai. Cheers to more fun to come. Vandrina, jaldi malje.

Anusha Dubey : Jinay, bhale hi kuchh time ke liye hi :P but I loved to share my passion for Physics with you! I am so impressed that itne distractions ke baad bhi you are still into Physics and have the same devotion as freshie year. Hope you get all success in life and non gujjus ke samne, gujrati me bolna band kar 😊

Shruti Iwanati : God _/_ Aapke or Kothari ka study group se humko bahut laabh mila hai. I can't remember anytime before exams jab apan mile na ho and aapse topics samjhe na ho. Wished we talked more. Aise hi machate rehna. Stay in touch bro.

Namita Soni : Are champak chacha, me sahi me bahut darti hu tere se 😊 per Thanks mere aur kothari jaise 2 clueless logo ko lch me itna jhelne k liye, itna jaldi kaise samjh jata hai tujhe sab kuchh. Saale kabhi CSK aur kabhi MI ko support krta hai be tu 😊 Ludo me jab tak kothari tera partner hai, tere naseeb me haarna hi likha hai 😂 aur me bahut innocent hu. Kabhi mafia khel k dekho, kitna achha game hai 😊 Bahut bada scientist ban jaye tab bhi yaad rakhna please, All the best ♥

Shubham Karmokar : Dear Jungli, My motivation to not loose weight. I am pretty sure that i don't remember the first day we met. Patte, Anurag ko marna, late night walks, trip(s), H12 canteen, Dmart shopping, machar aur kutte marna. One thing i will not be able to forget is your birthday cake :). Your interest and knowledge of Physics has always intrigued me in learning new things whether useful or not. Pata nahi aage kya hoga par ye das roti wali gang kabhi alag nahi hogi. Thanks for being one of my best friends in insti and mostly for life. Viele Grüße, Karmo
