akash kumar : yoooooooooooooooooooo!!! bhai bhai bhai. Itna sorted and chill banda. I have never seen you angry or anything at any point. Kaafi composed, even during all the team meets XD. I miss our listening to songs, making plans for learning drums(which never happened), learning guitar and discussing random stuff. A great dancer, and always making the mood light, no matter the situation. We have a long way to go. Touch me rehna :-)

Shruti Iwanati : Choksi. Kya pata tha 2nd year Garba night mein mila ye banda etna close friend ban jayega. Tenure machaya, intern machaya, job machaya, CAT machaya, IIM bhi macheega. I will never forget the discussion you, me and Praveen had during the Kharjat team trip. Mast tha vo. :P Kaafi revelations. Stay in touch bro! Best of luck!

Veerupaksh Singla : Chuskiii! aka Vedarth E-Cell Eureka 🤔. E-Cell ke through hi mile the 2nd year me! Aur fir saath me managers 3rd year me. Teri b'day waali GPL yaad rahegi, jab roya tha fir apan CR coordies treat pe gaye the 😊. H16, E-Cell Room, team treats, freshie orientation - har jagah backchodi ki hai apan ne. Us summer me tere ghar ni aa paya bas uska dukh hai 😞

Kushal Agarwal : Yo chuksey!!!! Phirse Pune jaana hai tere sath 😊. Bhai ab toh har party mein twinning karne ka man karta hai. Epic wale road trips and Gujarati amplifier 😂. Kitne bhi bade ho jaaye, bear hugs ka silsila jari rahega 😊. Baki waiting for your next youtube video, IIM jaake banana 😂

Rajat Kadam : Chuski meri jaan! 11th coaching se final year tak humesha tera saath raha hai!! I remember in the first few days of insti apan classs humesha saath mai jaate the but mere pass khatara bike thi islie mai humesha walk karne ki zid karta tha. I remember jab mai tere room aaya tha ki mera manager katra and we made semex plans XD. After that everything that followed is history.... Be in touch bolne ki zarurat toh nahi cause apan vaise bhi rahnege ik.....

Parag Mundhada : Yooooo roomieeee (although only for 2 months). Tu kafi composed banda hai be and cat toh aapne kya machaya hai 😊. Teri alarm mei kabhi nahi bhulne wala. Pure dono mahine usne hi uthaya hai merko jab tu khud nahi uthata tha usse 🤔. Wework wala din yaad hai, jab we want to 3 co working space and then organized the event. Kuch bhi ho terko garba karne se koun rok sakta hai 😊. Kafi maza aaya tere saath tenure mei! Aaise hi rehna and stay in touch bro!

Praveen Saran : Yooo Choksi!!!!!!!!!!!!!! I'll always miss our weight gain strategies (which I never followed. Lol.) and discussions about our chats (probably more things:P) with some people. You're the coolest person in team. Sb kuch itna asani se kaise handle kr leta hai bhai. Btw CAT exam day yaad hai? Exam se phle ka mera statement ki tu fodega and uske bad tere chehre pe khushi :)). IIM jaane ke bad bhulna mat and aajkal kisse baat kr rha <3

Gurparkash Singh : Bro. Dude. Bhai. Nigger. I don't know if we're ever gonna meet again or not (I sure as fuck hope we do), but whenever I'll hear your name, I'll remember your almost child-like enthu about making plans to have fun. Even though a lot of our plans are gonna left hanging, I'll forever cherish the fun we had making them. You might not know it, but quite often, those plans were what kept me going through tough times. I always knew I had amazing times to look forward to. We've had so much fun together talking about life, acads, future, daaru, movies, and everything in between. Last thing, I fucking love you for your audacity to speak truth to someone's face. Never change that. <3

Maitrey Gramopadhye : Yooo!!! Bro I'll miss apne har sem ke bhagne jane ke and gym jane ke plans, and elaborate weight gain programs. You're one of the most enthu and friendly people in insti. Keep in touch :). And apan pakka weight gain karenge :P

Arpit Kedia : Champaklal! Humesha enthu se kuch planning karte rehta hai. Ever-smiling. I remember Animesh apne ko kuch basic acads-related puchta tha aur apan besharam jaise haste rehte the xD. Har cheez try karta hai, but tere jaisa focus bhi nahi dekha, jo aim hai woh karna hi hai, tab no distractions. Woh last trip pe tu force karke leke gaya mujhe, and I'll always cherish those memories, so uske liye thanks! I really like ki tu apne opinions dusro ke saamne truthfully rakhta hai, aur peer pressure mein unhe change nahi karta. Insti mein machaya hai, and I am sure aage bhi continue karega. All the best :D

Sachit Mehrotra : Never got the opportunity to say this to you, but dude coordie tha tu. I wish i could go back in time and redo some things (apan dono ko pata hai kya hai wo, circumstances tere against the and i didn't do enough to fight them), but ultimately everything panned out well for all of us. Ecell machaya, and now IIMA. Well done buddy

Vikram Aditya Sharma : Yo Choxi! Super nice ho aap. Also probably the most composed person I've met in insti. I was lucky to have you on the same floor, and for the great advice you always gave me jab mai har hafte aapke pas rone aa jata tha. It was very inspiring how you were always so humble about all the craxx stuff you used to keep doing, both in life and in E-Cell. You were a great mentor in E-Cell, but the way things are headed, puri life gyaan dene ke liye taiyar ho jao :p

Anupradiksha Rajan : Reliability me saath me machaya apun ne. Phir placement wala chocolate, although uska taste nahi pasand aata mujhe. Is baar course lete time jitna mehnat kiya, utna mehnat kabhi padne me nahi kiya hoga apun ne. Sabse difficult course :P beech me hi reh gaya, lekin tujhe to AP lagegi usme, video jo banake bheja hai tune. All the best <3

Rashi Gupta : Chuskiii Ab toh khair bada aadmi ban gya h, toh hume bhool hi jaaega 😊 Bruh! I miss our infinite bakchodi during tenure. And your dance. I still remember that organised Choksi jo arguments likhle and achche se develop krke meet main bolta tha, after seeking for permission by raising his finger 😂 Thanks for cheering me up through my difficult times. And much more for teaching me some sense of humour. Ofc you job there is not done. I'm still so poor at humour, but I have faith in the wisdom of my Master 🙏🙏🙏

Animesh Singh : First impression - bhai itna zyada padhaku ladka lag raha hai After this when I came to know the awesome and fun loving personality you have, I learnt a lesson of not judging any book by its cover :P The freshiezza video was epic for us The trips and parties we had together were truly memorable. Bhai itna motivation joh tune dikhaya in placement sem, preparing for CAT, job interview, resume preparation inspite of everything --- hats off bhai hats off A truly commendable personality IIT-IIM tag completed

Jyotirmaya Mahanta : Vedarth 🌈 Freshiezza group dance mai first aaye the bro 💜 Social initiative and gate crashing 😂😂😂 Saarthi ghuste hi pata lag gaya tha kitna sareef hai tu. (sarcasm intended). Ideation meets mai bhi kaafi masti kiye. Congratulations for all you have achieved. Aise hi good news dete rehna. Stay in touch.

Ganesh Chelluboyina : Vedarth bhai.. partner in crime and procrastination; hangout and study buddies forever 🥰 Making friends with you was a godsend, I just can't imagine surviving insti without you. You helped cure my freshie naïveté and become mature. Staying with you in 134 during summer '19 was the best part of my internship. I'll miss our rides to Powai to try exotic food and do random bakchodi. And the late-night studying in H2 or canteen trips, the pep talks and gossips. We promised to hang out in final sem and check everything off our bucket list. But for corona! In the end, all the pain and struggle paid off, I'm so proud you pulled it off against all odds. You are in my heart forever, love you too bro♥

Piyush Gupta : Bhai Vedarth, 3rd years summers kya Lit tha. Those strategies we used to make to get into the locals. Intern pr bas lunch ka wait krna and then snacks ka. Sangeeta ke saath deal krna to alag problem thi, apan humesha kuch alag hi kr rhe hote the. I remember how we used to strategies wo delloit wali bandi se baat krne ke liye, although lost cause nikli baad mai xD But thanks for making the Internship super fun. All the best bro <3

Yash Kothari : Boi, Insti me gujju friend milne pe feel hi alag aati thi and ek bonding si apne aap ho jaati thi. NCC time was great and usme humne kaafi cards khele aur compulsory morning runs bunk bhi kiye. I remember how we started playing Mini Militia in the Lectures during NCC Camps. And all the Garba Nights together (and those plans to go for garba somewhere in Mumbai which never got completed) were just awesome. You are so good by Nature and stay in touch.

Ahsan Aslam : My bro and roomie. From the time you put sticky notes while I was bedridden (which I still keep) to the shared key chains, to you begging me to do an internship, Man! you truly are a brother from another mother. You even declared me as the best roomie in first year itself and me being an ignorant ass didn't give a damn about any of that. Still you were always there by me even after all my ignorance and that is a God-tier quality I find in a person. I really enjoyed all the anime and meme discussions. If I could go back to first year, I would like to fill all the silences with dialogues, trips and whatnot. I will definitely keep in touch to make up for all of that.

Sanchit Jain : One of a very nice friends I had. Tere khana sabse slow tha mess me. Very chill person. Very to the point and direct person with no pretence. Very honest and helpful. Room decor ka trend tune hee start kiya apne wing me. Techfest manager banna tha, such a pity they missed a gem like you. Ecell manager banke machaya phir. CAT me mera bhee reg karaya last day pr. Phir CAT machaya tune and IIMA me admission. Apna startup karega and will be a billionaire soon. Apologies for the small pranks pulled on you. You helped through the placement season as well. Thanks for everything.

Bhuyashi Deka : Yooooo Chuski!! Salsa night was fun dude. But seeing the memes on that salsa photo of yours was even more fun :P. Vo techfest ki gandhi photos abhi bhi hai mere paas. And I remember coming late into the quiet theatre screening quiet place. Kaafi embarrassing tha. Also recently came to know of the anime jisse tune deku naam churaaya :p. Baaki machata reh life mein. I'll keep sending you guju posts if i come cross any ;P

Karunya Baskar : Cannot tell you how cool it was to bump into my fifth grade bench partner in college <3 maybe it'll happen again after another ten years.
