**Jovina Vaswani :** Babe, you are an angel♥, except that you are really annoying at times. You came into my life as a senior, but stayed as an inevitable friend. Forgive me for all the times we could not interact much. Always remember, that your heart and mindset can enable you to move mountains. Please be the same selfless person you are, and never let that innocence and cuteness die. I love you, to the moon and back. I love you more than my willingness to mock you. 🥰.

**Kesha Tamakuwala :** Hi Mohak! jannti hu baat nahi ki humne in forever par tu hamesha special rahega. Bus ek saal acche se jaana hai tujhe par the things I have learnt from you are innumerable. Us ek saal me kaafi galtia ki aur kaafi baar gayab ho jaati thi par tune hamesha acche se sambhala situation ko and meko bhi, uske lie I am very grateful :D. Itna positivity dia hai tune ki abhi tak stock hai. I regret ki contact maintain nahi kia maine and I hope tu aage bht zyada khush rhe, aur kabhi kabhi dusro ke saath khud ka bhi soch le :P Kabhi baat krne ka man ho to ping kr lena! And I hope humara slope abhi bhi positive hi hai :D

**Anshul Verma :** Hi Mohak, waise tenure ke baad kafi mile nhi apne per do saal apke saath kam karne me kafi maza aya. Aapne kafi guide kiya throughout the tenure and apse kafi kuch sekhne ko mila. You were a good mentor as well as good friend. Aap waise bade he shaant se person ho per kafi machau ho. I hope you continue to be happy in your life and thanks for being such a good person :)
