Veerupaksh Singla : Naughty hotty 😊. Probably the first person in the insti jiske room pe mai kabhi bhi jaake backchodi kar sakta tha, aur jiski almari me hamesha chocolate rolls rehte the ♥️(thank aunty from my side for that). Bobby ke saath lecture jaana aur mai aur Bobby milke teri lete rehte the 😊. You are the kind of friend jisse se saalon tak baat nahi bhi hogi (god forbid it happens) tab bhi agar milenge to wahi same bonhomie rahegi 🙌

Kushal Agarwal : Naughty!!! Tu wing ka sabse seedha insaan hoga, but tere sath bahut maze kiye hai. Teri wajah se chalte gaadi mein kuda hu mai :p Tere se har choti python ki doubt puchna, and tereko CC dept samajna. Ek aur road trip zaroor hogi humari, yeh vada raha. Humesha aise hi muskurata raha kar, acha lagta hai!

Kirtesh Ajay Gadiya : Naughty boi! Well there exist imaginary in real life! Just code and grow!

Abhinav Jain : Hi Naughty, the person jiske saath coaching share kiya but third year mein pata chala. That morning walk which continued till late morning is the best morning I ever had. Making social graphs and scoring people on those is real practical application of computer science xD Wish you luck as we part ways and hope our long distance is better than those other ones (you know what I am talking about ;-D)

akash kumar : Hey Nauti! Although we didn't get much time to spend together, it was great being friends with you. You are one of the most cheerful person I have ever seen, with always a smile on the face. That's one of the best things about you. Hope we remain friends for long :-)

Chirag Singhal : "Naughty" is the most sensible name you've got, there are much worse which I can't even write here. And it's because of a reason, the broad smile on your face which lifts up the mood of everyone around you. Bas aise hi haste khelte rehna and apni love life mat chhupana mujhse... Vibrant ke time se lekar vo first day same wing mein milna and to this date, your random logic and all-time-wrong facts present krna in every discussion... Keep up your great enthusiastic nature always and always!

Aryan Agal : I've known you for 7 days maybe, but probably one of the most enthu people I've met in insti <3. TT sessions were love, and it was fun beating Tanay XD. LoL waala night out was the best thing in lockdown, and one of the top gaming nights of insti :D. Post lockdown we'll meet again and finish our nightout quota! Unfortunately we haven't hung out enough, toh pakka karenge! Other than that, love your personality, infi chill and sada khush, stay connected post insti <3. PS: Naughty masti epic nick hai XD

Ritesh Kumar : Bhai bohot pareshan kara maine tujhe 🙏, but har time tu enthusiastically hi reply karta he 😊. Thanks for helping me out each time 🙏. You are a giver, never asked for anything in return, thoda to payback karne ka mauka de dena kabhi 😊. Ok bye.

Animesh Singhal : Nautyyyyy! Saale Civil group se kyu nikala tha? XD First year ke subah 9 baje vaale Library sessions, aur poore insti life ke casual discussions <3 When we meet 20 years down the line, I want your happy going attitude to be with you! :D

Varun Patil : You are the craziest most amazing straightforward down-to-earth honest and caring person, so much that I would have refused to believe that such a person can exist if you hadn't. Sleepovers on your room, forcing you in a car for an impromptu road trip and dancing (!) in 16 degrees celsius (!!) are just some of the innumerable memories that we created in this journey that was a joyride because you were in it. I'm gonna keep in touch whether you like it or not, so don't worry about that :P <3

Shreyas Likhar : Marathi madhe lihu ka? 😂...sabse pehle to teri marathi hi yaad aati hai dost.. Pata nahi kitni baar tune muzse suna hoga "Naughty, tu marathi rehne de, hindi me hi bol" 😂😂 aur har baar tera jawaab dena "yaar sirf accent ka problem hai". Apan to mini militia ke time se hi jaante hai and see how far we have come. Matheran me wo ghode wali sawaari yaad rahegi ♥♥♥. Acads me to apna jyada kuch milaav raha nhi. Bas pichle sem me ieor(jo tune sirf dusro ki grade kam karne ke liye liya tha 😊) aur wo midsem ke pehle tera rona ki 3-3 exams hai, main to ye ditch kar rha. Baki to kya hi kehna. Helpful, sidha sadha bachha. Apan to contact we waise bhi rahenge hi. Stay the same. Love you bhau ♥

Jatin Chandawat : Naughty dude kya sahi bannda h tu. Actually bacchha. Bhai I never said but Thanks a ton itna sab padhane k liye. Assignments bhejne k liye. Kitna maja kiye h apanlog wo random time p teri ice cream cravings or late night study k baad Chai. Sath m lectures attend karna. Last summer m Tanay k sath sobo chan mara apan n itna sara. Dil s dua h bhai tujhe bahut jald banndi mile koi kitna jyada rota hai tu. 😂😂 Life m infi machane wala h bhai tu surely. Bas iss nachiz ko jarur yaad rakhna. Keep smiling. Good Luck 😊

Adithya Iyer : Met you in Dec'17, in our very scam intern XD. Kaafi professional environment me unprofessional cheeze ki hai, stay the carefree person you are! Stay in touch Nobita XD

Pujan Biswas : Naughtyyyyy Bro. From H16 to FinMech, I saw you grow as this amazing person but one thing that was the same, is your smile, keep that forever. Your positive vibes never failed to make me happy. We will always have our differences on NSS, won't we XD I wish my "Yos and kaisa hais" helped you as much as it could. You were one of the few persons who could ace acads and socialize as I see man! All the best for storming the tech space and I AM GODDAMMN WAITING FOR THE TREATTTT Yours, Bisso

Utkarsh Chandra : Its been 4 years and im still waiting for the day you let me copy from you in exams! Bhai chaar saal me terese copy karne me jo skill develop kiya hai na maine tujhe bata nhi sakta. I hope people learn how to pronounce your name correctly. But seriously you are one the most helpful people i know(other than during exams). Stay in touch!

Ashi Gupta : Your name! Should I confirm meaning once again!..haha..you are gem same as your name. Keep up your love for laptop and PC (thoda mujhe bhi seekha de) and thanks for solving my random laptop issues.

Pratyush Ragini Singh : Aye nobita 😊 ghoomne kab chal rahe hain? 🤔 Tu na ekdum chulbulepan ki moorat hai. The NSS tenure was so fun with you yr. Teri aur Yash ki ladaiyo mei mujhe hi mediator Bana dete the. Bilkul Tom and Jerry, you being the 'nauty' Jerry of course :p Aur mere khaane ke tareeko ke video banana bandd Kar - - be it my aloo bhujiya aur twix 😂. There have been many new, great and daring(you know which one I mean 🤪) experiences with you. Humesha machate reh and share karte reh (even though Uske liye Teri taang kheechna bandd ni hogi 😊) P.S. those stolen 3D glasses are still with me.

Yash Kadam : Yo Naughty! You are great friend man, kafi helpful, and kafi confused XP. Vaise to bohot achhi memories hai apni saath me, Tarkarli trip being the most memorable, but yaar, sabse zyada miss to mai tera room decor karunga. Kafi mehnat ki thi maine! Ek achha hai ki tu Mumbai me hi rahega, milte rahenge. Stay the happy and confused person you are. Adios.....

Apoorva Singh Gangwar : Yo naughty!! Hamesha muskurata rahene wala banda. Aur hamesha rone wala banda bhi. Enjoyed the discussion about coding with you. I was deliberately asking random questions (some serious ones too) and you were answering them sincerely. Last summer ki jaise trek pe chalte hai lockdown khulte hi (fingers crossed). And finmech ka agla ceo tu hi hai XD

Aditya Chalishazar : So finally, I got around to writing this. Sorry, just slipped my mind, :P. I never realized how we became friends in less than 3 months. To many many more S.O.S's and more shared experiences, lets hope there is never any repeat of WTF 16 Feb. Thank you so much for the birthday gift. It was awesome. All the best for everything! Stay in touch :)

Sushilkumar Shinde : Naughty!! Tu alag hi insaan hai. Room pe the thing I remember the most about you is saying "Tune Mera ye dekha kya Mera wo dekha kya"😂. Kitna baldla hai tu 4 saal me. First year se hi mera pura attendance teri wajah se 80% ho paya, especially Chandi ke lec kliye thoda jaldi uthana. Tu mujhe quiz aur exam bhi yaad dilata tha. Special thanks for reminding me about every other submission in time and making arrangements to copy things down. Tera Coding keliye pyar, aur NSS kliye dedication was something that will inspire everyone. Lecture me tere ajeeb doubts is something which whole batch will remember(Kitna confused rehta h tu kbhi kbhi). Aise hi smile krte rehna humesha. Stay Healthy!!

Himank Jain : Naughty Boi! You got a name which is exactly opposite to your behaviour. Please tell me if you ever find a person who is more sweeter than you. You are so caring man! Always ready to help and what not. Always remain amazing as you are today. I will cherish our friendship forever and lucky to find a friend like you at Vibrant! :P

Ramavath Rajkumar : Hey Nautatava! Last year main bahut mast dosti hui apni. You-shubam-me after the class to hostel discussions, Not to mention our endless debate over philosophical and technical issues. Also you're a good lab partner to work with (except the fact of last minute sleeping before the deadline without submitting the report). A piece of advice, you're always in work, thoda time uske bina bhi jeena sikhle. PS: You're right things won't likely to happen after we start noticing, so let's forget noticing things then. Have a wonderful life ahead.
