Ritesh Kumar : Kastu Caschew Caschure Castor oil.....iss se aage Khilji likhega. Bohot machau and random scenes hue hain apne saath, infi hase hain mil kar apan, Rona jyada machaye hain lekin. Convo treat, epic Lohgad with epic Nayak, civilians ke saath chill, khud ko pseudo elec and dil se civil samajhna, tera direct refuse kar dena Bandi ke saath dekh liye jaane pe bhi Shrey ke, alag level Kastu banake Goa trip, sab yaad rahega. Final year was totally different though, it all started with the Leh trip and we started sharing to each other. Placement sem was there with DDP sir pe, dono ka rona laga raha. Maddu trips were frequent. Tere enthu ko dekh ke hi maine dance kara final sem me(Salsa wala credit bhi tujhe hi jata he 🙏) Then finally the bond grew stronger and greener and final sem before lockdown to kya hi bolun. Hope ki tera enthu down na ho life me, milte hain machate hain.

Animesh Singhal : Kastureeeee <3! Insti ka pehela aur aakri dance performance aapke saath hi kiya hai! Kitna mast nachte ho aap. Thanks for helping me & encouraging me whenever I tried to dance. Daant toh chalti hai, but aapko encourage bhi karna aata hai. You've been a great support in times like Dance mania (2nd year). Thanks for having faith in me and giving me a chance to shine in our Gyra, couldn't have asked for better positions on stage (esp. Tujhko jo paaya <3, kya choreo tha yaar). Freshiezza, Dance Mania, Sophie year Gyra, Holi video! All these will be close to my heart and they wouldn't have been possible without you <3 Thanks for being a great senior and an amazing friend :D Yaad aaoge Kasture :)'

Umang Chhawchharia : Bro, pehle toh dancing skills god level. Mujhe yaad hai mai jab wing mai aaya tha toh apan utna interact nahi karte the but dheere dheere kaafi close aa gaye. Kaafin yaadein hai parties, ulti :p, shiv ji ke darshan. I have always admired your opinions. Stay in touch dude :)

I remember coming for SDL k stage slots and diggy and me being completely amazed by what you were doing on-stage. Tab diggy went "Bhai kasture bhai!!". K'scope k practices and going together to compete was so fun, I felt proud in getting the chance to dance with you guys. Dekhte hi dekhte 4 saal ho gaye iss sab ko. Sophie year AIDS me kya pagalo ki tarah naache the ham sab xD. After doing so many competitions and performances together, I must say, You were and are an inspiration brother. Stay blessed and stay connected. <3 Here's to four years of dancing together!

Anusha Dubey : Kasture ♥ I am a big fan of your dancing skills and how you are so jolly and fun to be around! Aapke sath PAF aur last year ka AIDS karke bohot maza aaya :D I wish humne thoda aur nacha hota sath me. Wish you all the best for future, keep in touch ❤️

Anmol Gupta : Yo Kasture! I do remember us exchanging sympathies, watching others play in first year haha. There are a few people I've seen in insti who have legit undergone a transformation over the years in their personality - and one of them is surely you! Lens lagane ke baad se toh bhaisahab, alag hi keher! And as a dancer too I've seen your grow immensely. Elec mein sabse zyada Neeraj aur terko hi follow kiya hai - first year mein toh I just saw glimpses of what was to come, and I've really enjoyed your dance videos of late - keep making them! :D Project Kuber mein having you on board was really fun - especially in the fifth year summer (Conference calls roast was THE BEST haha). Cheers!

Stanzin Tsundus : Arey Galda BC, kitna instant plan banata hai ganduu. Aakhri year hamesha Yaad rahega. Subhe 5 bje kai chai sutte sai leke subhe kai 5 bje pai Sammer Hill kai sun rise tak bahut kuch hota tha. Port wine dekhte hi tera yaad aayega bruh!. Yeh yearbook mai kya hi likhun, chizen toh already likha hua hai past mai. Thanks for everything bro. Kash first year sai itta masti kar pata.
