Apan ne saathh Mein basky, tennis, volley, TT, football khela hai and itney sports mainey kisi ek bande me saathh nahi khele hein. So, thanks for being with me nearly every where and tolerating the shit I create. Baakee senti toh teko roz de deta hun, lets trip!

Mudita Rana : Arya brooo, thanks to the tenure that introduced me to so many new friends like you. Tu bohot genuine banda hai and I'll always remember the discussions(arguments) of po :p and of course your winning speech at the end-of-tenure dinner! You also helped so many people during placements keeping aside your tension, and I was really surprised and happy to see that. You've always got a friend in me. Stay in touch ♥

Aniket Prajapati : Insti life without you implies no road trips. You are made for road trips; driving, multi tasking, fun loving. Your honesty and work ethics ♥

Arpit Kedia : Bhai tu ye core wagherah chhod, aur travel company shuru kar :P. MM mein puri disabled team dena padta tha fair match ke liye. Meri intern lagane mein tera kitna role tha pata nahi, par placement ho ya TOEFL, teri help alag hi thi, aur woh stock market game ki prep jitni help toh kitne hi logon ne ki hogi. Tu 'thoda sa' straight-forward aur blunt hai :P, par yahi quality teko aage le jaayegi. Tata lucky hai itne logon mein koi toh kaam karega sincerely :D. Alwin ko wing mein laya tha tu, aur phir woh sabki family ban gaya <3. I really wish teri GRE prep aur karwa deta, uska regret rahega, par utna apan SOP likhne mein cover kar lege xD. And please agli trip pe thodi safe driving karna xD.

Animesh Singh : Jitna seedha photo dalla utna hi tedha hai. Par kya karein tere bina maza bhi toh nahi aata.... F1 driver with no money, joh wagonR ko bhi lamborghini samjh leta hai.... A wonderful teacher(from observation) and hard worker wrt studies, party planner and literally everything Bas thoda gussa kam kiya kar, baki toh sab badiya..... Apne laundo ka dyan rakhiyo Tata mein...:)

Chitrangna Bhatt : Yooo, IC team ki bonding k liye kitna kiya tune seriously. How u were always like - yaar chill maar, ho jaega; meri baat karvade - sem ho ya goa ki trip ya ..(u know). PO k discussions and that last speech <3 <3 I remember u convincing me to stay in the hospital (that eye vessel thing) when i'm ready to come for the meet - thanks be <3 Also tujhe pata hai tujhe kya nahi likhna :P :P Keep in touchh <3

Himanshu Bohra : Bhaisahab! tu nai hota to aadhi wing 3-4 FR kha chuki hoti. Tera class mai jaa kar sona ka dedication alag level pe hai .You were my best cheating mate. Bahut BT di hogi tujhe but I hope jo nashe karwaye they were worth the BTs. Tumhari love life kabhi sort nai hone waali, chutiyap tum karte rahoge xD Idhar udhar ghoom ke ek hi jagah maroge. Wing bhale hi chhod di maine, but wingwalon ko kaise chhod doon♥. Saare rangeen nashe to tumhare saath hi hue bc. I hope aage bhi aisi trips karne ko mile tere saath♥. Bahut hi sweet banda hai tu. I admire your curiosity for the logic behind every fact. I hope tere MS ke sapne sach ho jaye. You have a very genuine and selfless heart. Jaldi mil ♥

Rohan Potdar : Trips ke liye humesha ready rehne wala, sab kaam khud karne wala, civil ke liye infi enthu rakhne wala and aise infi kaam mein itna enthu dikhaane wala aaj tak nai dekha! Agli road trip pe jaroor aunga bro :P

Arsh Akhtar Ansari : You are my best love hate friendship ever. Really sorry tujh jaise full of energy bandhe ko hum jaise duds mile, we could never match your enthu for trips or exam study. But thanks for everything tune mere itne FRs bachaye ki kya bolun. Tu sabse zyaada blunt h, just thoda self aware ho ja about when and where you should be. All on one side everyone knows about your good intentions. Tbh you sacrifice the most in every friendships I have ever seen you in except the most important one :P. I pray tujhe apna actual purpose mil jaaye tata mein, ab chaar saal ho gye bhai. And as I always say the best plans are the most unplanned. So don't be shocked seeing a zoom car at your doorsteps someday

Kumar Saurav : I still remember convincing you to play Mini Militia for only 10 minutes in our first year 😂. And remember that guitar deal? You'll always have the distinction of being our first test subject 🙄. One suicidal road trip with you remains. I still claim the title of fastest driver at 200 kmph, so we need to duke it out to decide who the title belongs to. I am still surprised, by the way - how can you not do more pushups? Hulking around all that weight for nothing.

Vatsal Khetan : Haan bhai nahi hua nso basketball me, nahi aata khelna muje- how our discussions have evolved from personal attacks to your support during internships and placements- still remember how you helped me man- i hope i can return the favor someday. Also dude thanks for the goa trip, twas fun and entertaining. Kya fatti thi bhai meri jab tu gaadi chalata tha tu lol. Hope we catch up soon :)

Akash Sharma : Yo lambu kesaan baa ...Mast rehna bhai & yaad krte rehna ..alag hi feels aati thi tujhse baat krke humesa mood light ho jaata tha 😊😊 - Yours truly batle 😊

Yash Lakade : I still remember the first time we met kuch ghatiya sa joke maara tune I thought kya chutiya banda hai yeh. Four years down the line I think the same 😊 Although I must admit kaafi change hua hai tu, thoda kam gussa karta abhi lolz. Tere jitna hoshiyaar banda nhi dekha maine, har class mein sone k baad bhi profs ko padha sakta hai tu. Thanks for teaching us too. Love your adventurous spirit, always up for trips and equally spontaneous in getting them cancelled 😊 Tbh tu nhi hota toh mere room pe sab bakchodi would've been boring af. 4th year mein aake we've become best of friends, yeh dosti hum nhi chhodenge. Bakhi I'm always there to supervise, to help you reach new highs 😊 see you soon mate

Kumar Saunack : Fortunate that we got the last game in before college closed. All thanks to you and your router. Btw, you should try something apart from medics too, from time to time, you know.

Praveen Saran : 15-A/313 to H-2/165, 4 saal sath bitane ke safar ko 700 characters me likhna bhut muskil hai. I know first-sem me we couldn't get along much. Mai 12 baje so jata tha or teri raat bhar baate chalti thi (2.5k/month Phone bill.LOL). Lekin uske bad ka to kya hi kahna. I will forever cherish our time together. Mujhe abhi bhi nhi smjh aaya ki mai tere oe itna trust kaise krta hu < 3. Tune life mai bhut kuch sikhaya or support kiya hai. I wouldn't be who I am today without you. Respect for your enthusiasm and senti for whatever you do. The best IC ever. No one can match the level of your dedication for that post and the way you helped people 🙏🙏. Also lets not forget our third roommate - Alvin :)

Prem Agrawal : Arya bhai, team ki backbone and me sb krlunga wala insaan, thanks for all the trip that you and luv planned for. PMs se infi ldne wala, lekin team ka hmesha support krne wala. Summers ke discussions se leke janne lge ek dusre ko, though NSO me ek baar ldai hui thi apni 🤔 se ab jab saath kaam krne wale h hopefully. Infi BT khake, earphone leke paidal nikal jane ke alag hi swag h tera 🤔 Thanks for handling me though jrurat nhi thi 🤔 jk. Abhi to बहुत sari trips pr jana h, and team se hopes mt chodna, tee jitne बहुत kam log senti h team ko leke. Always helping nature rkhne wala, milte rehna 🤔

Luv Nainwal : Arya, the best co who can do everything alone. There are only a few people in insti jo raat me 5 baje bhi help karne aajate hain, and you're the gem that I had. How can i thank you enough for all the help from the tenure to Day 1? I always knew, "Arya, sab karlega." xD Remember our late night discussions on the future, and dekha i told you, Tu TATA machaega. Kitna time spend kiya hai saath me humne PO se lekar, infi trips and outings. Never have I ever thought of money as a constraint only because of you. PO me coffee addict banaya, Poker Nights, Mafia Nights, random games, and the 2 mattress jo tenure me lekar aaye the. We've spent more time in PO than the PMs xD I won't let you forget me

Kevin Shah : Jitna bhi ladle, jitna bhi faltu ki bakar karle, Tu saccha and accha dost hai bro! First year se exams ke liye uthaata aaya hai, thanks xD Mazaak bhi बहुत udaya mera group study me tune but i always gave it back :P Stay in touch bro :D

Nithin Kumar : 'Ha bhai, sab kar lunga mai. Tu pain mat le. Hum kar lenge. Koi pain nahi hai' 😊😊 I remember this with your exact voice, itna ghus gaya hai. There's beauty in simplicity and tu to definitely mere se zyaada unique hai. Ye tera go getter wali attitude is so damn empowering bhai. Tere liye bhi nahi but for everyone around you. Tere saath wale log ki benefit of your company hi batayega ye to. Aisa hi outspoken rehke make it more positive for people like me to reach out and enjoy the ride. Ride ya zindagi ki ya roadtrip ki. Ha bhai, regrets to kaafi hai in not interacting with a lot of peeps during my tenure but tenure ta hi aisa. Trip pe milte hai. 🔥😊😊

Adarsh Attavar : Arya bhai! Ek-do second ka maamla tha, agar Gaadi turn nahi kiya hota toh divider p chada deta. Thoda driving seekhle bro achese, kyu bacho ko darata h :p. Quick thinking k wajah se humari Jaan bachi, but you put us there in the first place, so still blaming you :). Baaki toh sirji aapko pata hi h, you along with snehtith were the glue holding the team together. Literally har cheez m enthu and up for any trip anytime, anywhere. Kaafi kuch seekhne ko mila h tujhse, and tera dedication har jagah dikhta h. Stay chill bro, and agli trip ko materialize karna h ab bas. :)

Apoorv Srivastava : Bhai. Thoda shunya me kaam kr deta to maybe team acha manage kr pata mai :p. ohh bhai, mujhe abhi yaad aaya, tujhe INSDAG wale paise dene hain naa? Kaafi tez ho tum, ache insights hote tere classes me. Ek tu hi hai jo mere jaise courses leta (PH for instance). Abhi to TATA me milenge. uske aage bhi machate rhna, milte rhna. :D

Aditya Kumar Mahto : "Main Sab Karlega!". Cheers to those late night PO meets and the hot chocolate. Aadhe time hot chocolate tha nhi, but again the discussions had enough heated exchanges. You carry a huge positive energy and never let this down. Kabhi bhi kaam k liye bulalo, tune na nhi bola...Day 1 pe chizon ko handle karne se leke last Monash k interviews tak. Trips pe sab ko kheench k leke jaane ka credit teko hi jata hai.. and us din maarne ka bhi credit mil jaata :P ...Thanks a lot for making my IC tenure smoother and none the less for tolerating my temper. TATA me toh tu machayega hi. Let's catch up soon.

Lets hope hume aur trips pr jaane ka mauka mile. will definitely miss having you around. <3

Ujjwal Kumar : Yo bro 1st year me if I knew anyone outside my wingies it was you n tera group. And wo tutorial division me I got to know you all. Dude you are really sweet, honest and smart. Have a huge respect for you bro. Be the same dude and all the best for your future endeavours.

Sachin Tak : Bhai Bhai !! Best of the luck for your future endeavor. My good wishes are with you (Source : Yahi feed mae sae). Kuch kam ho to call kar dena without any second thoughts like I did. Next Trip I am pakka in

Bohra Ankit Narendra : Yo Arya! You're the most responsible person in our IC team jo sab kuch kar lega🤔. Bhai lekin honestly, you're like really hardworking, practical and a nice guy to speak to. I will always remember the night before mock interviews jab dimaag kharab hogaya tha aur subah uthke bhaagna pada tha on site. Your planning and managing skills are awesome. Also, tu kaafi chill rehta hai and that is really admirable. All the Best for future! Stay in touch!

You are probably the only person in the whole team jisse kabhi bhi help maango hamesha ready hota hai! Also thanks handing over main sambhalne k liye...don't even want to imagine otherwise kya hota:p I am not that bad when I casually drink....just seem to have a bad relation with handing overs I guess. It was great to know you dude and milte rahenge apan toh:)
