Siddharth Singh : Freshie year MI ki aakhri raat tere, Shruti & Aditi ke saath wala night out has to be a major freshie year memory of mine. Also, as I suck at making friends, mujhe laga hamari hardly hi baat hogi uske baad. But tu sach mein bhai bann gaya. Insti ki major bakchodiyen meine tere saath hi ki hain. Pehli baar mujhe fukana, Dept trip pe tera titration (dayyum xD), Tere TF card se ...(Never mind.), Intern ke time har weekend tere wing mein, H-18 mein tere room ka sign, apni ye Goa trip and a whole load of other memories! Ab to tune katwaana bhi band kar diya hai to aur badiya hai xD Apan to milte hi rahenge, Mumbai ho ya Gurgaon ya kahi aur. Ab to Kasol veteran hai tu to tujhe hi leke jaunga xD

Arpit Agrawal : Pussy meri jaan zinda rehna bhai aur kuch khana shuru kar de extinct hone wala hai. Bhai yaar tune lit aadmi hai be. Tune life me sabki help kari hai and kabhi kisi ko na nhi bola bhai. Yaar tere saath discussions life problems sab share karke bhai acha lagta tha. Teri life me infinite problems the bhai... Tere saath sab dekha hai bhai hasna rona gand maarna marwana and woh road trip. Bahut machaya hai be tune aur randi rona bhi bahut kiya hai... Mustu ke saath reh kar par tu madarchod zaroor bann gaya hai XD. Yaar ek baar apan sab ek mehfil jamate hai yaar tum logo ke liye bahut senti hai. Bhai apni memories toh 2nd year me pseudo roomie se lekar 8109 tak aur aage zindagi bhar tak rahegi.

Aditi Mahajan : Hello Piyush. I think we first met during a tut in freshie year and then just started hanging out after that. You are a very genuine and caring person and thanks for being such a good friend. My favourite memories of us is a super longggggg list (freshie year ones being the dearest). I will miss all of our bb outings, gossip sessions and a few study sessions (where you would mostly end up sleeping half the time😂). Let's go on a "once again" junta trip soon. Stay in touch buddy and meet me soooon💛
