Parag Mundhada : My FIFA Partner and guide in times of trouble. I have seen you for the last 4 years and can say for sure, that you have grown a lot as a person. From the shy boy who only talked to only his mallu friends to the person with whom you can discuss anything. I have seen the respect that you got from the junior batches and I totally agree with them that you are one of the coolest people I have seen. Mumbai mei rehne wala hai tu and insti aate rehne muzese mile. P.S. Its time you accept that I am a better FIFA player than you :p P.P.S : Terko mera rona aur suna padhega :p

Shruti Iwanati : Four years!!!! you are the only person jiske sath kabhi fight nahi hui. I will miss my partner in every (aero) elective. I will miss the discussions we did about happiness and love life :P I will miss the competition of the marks we got. From 0 knowledge of Hindi to giving harsh galiya you have shown that you can do anything. I admire your personality and clarity of thoughts. You have a heart of Gold. Anyone who meets who just falls for you man. SARC, DAMP sab jagah naam roshan kiya hai mere mallu ne. May god bless you and love you bro <3. Last din tune mujhe Dhoka dekar ghar ki ticket karwa li thi uske liye mafi nhi milegi tujhe. Ek or bar street food khane chalte hai.

Patel Sayan : Yaa to tu jaake usko propose kar ya to main usko message kar dunga ki allen loves you.

Navoj R : I can't recollect how we ended up meeting each other. Maybe, I should thank Parag for that tho. Lol. Anyways, we got through all our Management Minor courses together. And I guess we enjoyed during ur internship at Chennai, although we roamed only for a day. Vaise kuch khaas nhi hai dekhne ko. Stay in touch, Mumbai mn hi rahega na. PS: I need ur placement treat and Lvl 2 saath mn likenge. :P

Vedarth Choksi : You were that stranger that helped me during placements! Randomly dairy milk diya tha ki mera mood hi mast ho gaya and you were also there when I was making an important decision of my life. Thanks ^_^

Shubham Punjabi : Always proud to claim that I was your deputy in charge of our football team 😊. Those football sessions daily will be one of the fondest memories in my insti life. Also, the crazy running in the corridor to your room after Llorente scored that goal. You will always be my go-to man for Finance news (and apne jobs rahnege na waala stuff 😊).

Kapil Shobhnani : I couldn't ask for better Co-CTM then you :P. I was so happy to see you during the team announcement that I would be working again with you. I agree we both have opposite personalities, but still, we bonded so well thanks to your brilliance. I am always jealous of your people managing skills, motivational skills, how calmy you can handle any dispute. Thanking you for providing all the guidance to make my mentor tenure so enjoyable. Thank you for being such an excellent case group partner and Co-CTM.

Veerupaksh Singla : Yo Allen! We met through Parag kyuki us gadhe ki bezati karne me maza hi itna aata hai. Sad that we only got to talk in this final semester which got cut short. Kaafi cool vibes aate h terese, after all Bhau ka friend circle hai hi cool, except maybe him! Hoping to get to know you better if the situation allows!

Ayush Dubey : Hey Allen! You're among the most chill of guys I know! Your clarity of thoughts is well reflected in all of your choices except for the civil elective I took up following you :(Have a great life ahead! All the best!

Edwin Saji Uthuppan : You went from "no booze for me" to "where is my booze" and almost vomiting in my room....

Pujan Biswas : Hum is anuvaad ko likhenge hindi mai. Kidding, I also know jack about it. A calm, modest but trailblazing character you are man! We were supposed to be commie mates dude (Ker and WB), while the whole first sem i thought you were a bong, kya surname rakha hai. Positive vibes only from you and tremendous knowledge in football but City hate forever :P The chat with you and Himanshu was really refreshing. Keep up this soothing character of yours, don't overdo your liver while giving fishy excuses, huh and please stay in touch with your DAMPC mails :P Aapka mitra, Bisso!

Siddharth Singh : Allen! From Mini Militia to making me install FIFA to going for random Basketball practice, you've been there the whole 4 years. Thanks for being my non-veg partner in times of need. You've gone from not knowing Hindi to cursing even better than me :P You deserve all that you've achieved here and tere liye kaafi respect hai. I know how being friends with me requires ungodly amounts of patience, but you've never let me down. Teri placement treat ke liye kaafi pareshan kiya tujhe, uske liye maafi :/ You've been one of my closest friends here, someone I've talked to in times of need. Aur meri koi baat ka bura laga ho to maaf kar dena. To more chicken hogging and trips to come!

Krishna Wadhvani : Allen!! Our great damp co, our department football team captain and coach!!!!!! You always seemed like the most calm person in the wild H4 aero group 😊. Man I remember when we debated on United vs City on Aero WhatsApp group while sitting adjacent in MA 214 tutorial 😊. It was really fun discussing football with you and also thank you for helping Naman, Shubham and me with the slot change of our core course in 7th semester ♥ (good thing was that no one really noticed 😊).

Vineet Kotariya : The only wingie I had jisme thodi toh akal thi! My Angrezi Pilla 🤪 4 saal mai Hindi seekh li 🙏 ab poore time Hindi mai gaali hi deta rehta hai.. You added the much needed calm in our wing of maniacs! Our wing will never be the same without the two of you. I wish there comes a day when you make me proud by finally beating me in FIFA 😊 It's sad that even after 4 years, your closest competitor is Bhau :p It's been a great 4 years and it's sad to see you go but the best thing is that you'll be in Mumbai toh mujhe jyada senti maarne ki zaroorat nahi!! See you soon!

Mayank Sultania : Hey man! Jogging session ho ya Apki Hindi ... all were amazing. Bina prep ke CAT mein itna score ... just wow!!! I always took your D-mart stuffs as I was a bit lazy..xD. Dint know, due to COVID, that we won't able to talk more on some random stuffs, but will meet very soon!!! Machate reh bhai

Soham De : Met very late through Dota only but couldnt play together since you lost interest :p Thanks for providing me your noob account to play with and never minding my infy pings to ask for authentication codes :p Had good interactions during placement time as well and a discussion on how much i love Mallu food <3

Shradha Bansal : Hey Allen! Though we haven't interacted much, I just wanted to say that you are one of the sweetest people I've met. So calm, so chill, so cool, so sensible and so cheerful! And, you have the best smile:P. Just be the amazing person you are.

Bhatt Maulik Chunilal : Hello Alien, I love to call you with this name. You're a cool personality and I love to do debates with you 😊. I remember the days when you used to run 🏃 baad mai toh bahot busy ho gae aap. I remember the days when I struggled talking to you because aapko hindi nahi aata tha and hume english. Ab toh tu gaaliyan bhi dene laga hain. It was extremely good to be freinds with you. Bas kabhi Kerala nahin ghumane le gaya tu. Suna hain vaha bahot acchhe hikes hain 😊. Bina mile insti chhodke mat jana sir. Miss karenge aapko ♥

Apurv Tiwari : Cheriya Monu! <3 Such a sweet and pyaaraa kid you are. Tha creator of the tap-out during choking, which has hence helps so many people to get out of my grip, and all those people bless you daily I am sure :P Thanks for teaching me Malayalam cuss words, they helped a lot in some situations. Machau damp co, and I am proud to have you as a kid <3

Sriganesh N : My fellow south Indian and 2nd year roomie. I admire the camaraderie you develop with almost everyone you meet & I still wonder what the secret behind adhesive-like Malayali bonding is. U attract people like flower attracts bees. I know u are disappointed with the amnt of enthu I reflected back in our room xD. But I hope I have made up for it over the next 2 years. We developed the habit of going late for exams together, but somehow u corrected urself but I hav only gotten worse. Thank ur dad for those Dubai biscuits man. And what's this josh after taking Capitalism? Continue to stay warm & positive.. we'll keep catching up in Mumbai..(PS:when u were drunk 1st tym u were singing Mallu songs)

Dhruv Jain : Hey allen, thanks for being so sweet, understanding (when I needed that, too) and helpful throughout the past year. It was a pleasure to work in DAMP under you, and you're among the nicest, humblest people in insti. Thanks a lot for all the advice and good luck !

Ujjwal Kumar : Allen broooo 1st year mai we played soooo much of mini militia man. Me you geordi, georgi, athul,edwin ..uff man that was amazing. And then bhai so much bakchodi during phonathon. And then fifa. Bhai fifa me to you are a pro. Btw I learned aerial through from you only :P False 9 and you are a deadly combination :-D Dude you are a super amazing person man so honest and friendly and alag level machau. Man you changed so much from 1st year to 4th year adding endless achievements to your name. Be the same bro. And apan jb bhi milenge fifa to zaroor khelenge <3

Aayushi Baheti : Allenn! Thanks for accepting me and bearing up with me for the entire tenure. Hands down, the best events team I could have asked for <3 There's a lot that I have learned from you as well, apart from staying calm and avoiding fights :P I hope we continue those birthday celebrations and gossip sessions. They are <3. Stay in touch. Machaate rehna! :D Just so you remember, Benzy's was a disaster. Will never forget that :P

Yash Kothari : Hello Mr. Allen. You are so good by nature and have always been helpful. I know you'll do great in life but please don't learn Hindi more than what you know now coz it's so good(and funny) to hear that XD. We've played Cricket together mostly in H18 and have shared many assignments mutually. And those FIFA games were also enjoyable. And that football match in the last couple of days in insti will be cherished forever. We played well that day. Also, you have been a great DAMP Co during the tenure. Surely stay in touch. P.S. I am gonna beat you 5-0 in FIFA the next time we get a chance to play(Hopefully not only in my dreams :p).

Idk if u remember this or not but first day in insti convo me apan side me bethe the, u were the first guy in insti I talked to. Freshie year me kafi maje kiye the hamne. U always seemed a good and mature guy to me who used to compensate our stupidity. Bro I finally started playing fifa(controllers are working fine now) all thanks to u.. U saved me in this lockdown. hamesha yaad rahega bro tu mujhe.. And woh mallu galliya bhul gaya hun me. jane se pehle sikha dena mujhe

Khidir Usama Abdul Karim : Hey rich club fanboy, my team may be shit doesn't make urs any better :p. I hope u never forget all those FIFA nights when u had ur ass handed 2 u. U may be flawless in English but ur Hindi takes the cake pecially when u get the genders wrong. Love ur level headedness and honesty but hate it when I get angry and u remain calm during football debates. Love discussing anime, movies and crushes with u. Still remember drunk, sweet Allen - gotta go out again and get u drunk again. I feel we met too late in our journey since you are the most awesomest guy with whom I disagree the most and for that reason I love pinging u continuously. Lekin kab poochega re us bandi ko.

Pallav Banka : For the best Hindi speaker of the insti, I will write this one in Hindi. Allen aap bohot hi ache insaan ho, apne hamesha mujhe support kiya, chahe woh akhri waqt par d-amp/ismv interview ki advice ho yah kisi bhi tareh ki advice ho aap sab kuch itni asani se samjha dete the apni tooti footi Hindi meh. Shashank Kumar Sahu : Start me tujhe Hindi nhi aati thi and mujhe inglish 😊 but now you speak fluent Hindi. We have enjoyed a lot... b'day treats, playing basky, Bhaau k pant me toothpaste lgana while he is asleep 😊, Lonavala trip 🤩, cancelling Goa trip 😊, countless number of hours spent in your room, head banging to your tabla or whatever that is, ordering Mojo without Bhaau 😊, GoT without your fight scene with umbrella as your weapon would be even pathetic, poker nights and the list won't end. Do visit insti and there are more wing trips yet to come 😊. Good luck for your professional life.

Muskaan Kochar : Hi Allen! Kya ab Hindi aati hai? XD Your calmness and reasoning has always been something I've looked upto. I really hope we stay in touch always. Will miss you <3

Thanks for being an awesome DAMP-Co. Keep teaching me some more about finance, and keep supporting me in arguments with Maulik and Sanjay (sure those debates are not gonna stop soon XD)

Ayush Ankit Singh : My boi!!! You always give the sweetest hindi slang ever. It feels so cute 🥰. But man how long have we came. Football discussions, anime and those FIFA matches. I hate City. I hate Pep 😊. All those time spent together in SARC then in placement and then late night matches will be forever be with me. And i can't brat about my choices in anime and chicken dishes. So calm and composed at every situation, there's also a kid in your heart that never gets old. Never lose that kid. Thanks for everything 🥹

Amit Gangurde : Allen bro!!! It was always so fun to talk to you (mostly in the mess (I hardly remember us interacting outside the mess😂)) and I'll cherish those conversations. I have always seen you smiling and you've got a cheerful vibe. You are super cool! Stay the same!

Arjun Rahar : And most sensible person of the year award goes to ALLEN THE BOSS! damn, from first yr till last we have always been wingie(except in 3rd yr) and it was so much fun being your wingie. 1st yr me tere fundae hamesha work krte the sach me 😊. 2nd-3rd yr me kyu nhi mil le voh fundae mujhe 🥺. Though after year by year our interest and field got diverged away but still bakchodi kaatne ke lie hum hamesha ready rehte the. It felt very good every time i used to see you passing by in the wing, you carry a very positive aura around yourself. 4th yr me tere saath football khel hi lia main finally 😊. You were a difficult person to judge, but I believe you always had your priorities sorted - watching football and playing computer games topping the list :P I have always admired how you always struggled in understanding and speaking Hindi. I wish you a life with a lot of nonveg food (especially beef), a mallu girl of your dream and all the love and luck! Stay connected, always!
