Swati Meena : Well, hello to my first friend in IIT Bombay, dance partner, crime partner, shopping partner, BT partner and many more. I can't believe I have someone with whom I have never had a single disagreement, either we are not close, or we understand each other way too much (Let's eliminate the first one). Thank you so much for making H-15 and H-11 a little less boring for me, we both needed all those late-night talks. I wish sare planned parties plus trips kar sake (Water park, ghar aana ye sab toh reh hi gaya :(). I wish you all the best for your future endeavours. P.S Stay as you are, Don't kill the kid inside you.

Anmol Gaur : Hi molasses.. Before everyone else, our friendship started before IITB only. From then our bond has grown stronger. When I think of our journey I remember our masti, fights(remember dheere bol mujhe disturb ho raha h and then we both bursted into laughter). I'll always be thankful to you for giving me a family in Bombay who showered immense love on me and took me as their daughter. You're the only one who knows me inside out and vice versa. I have always taken you as my sister and that's why sometimes scolded you to advice you. You'll always be special to me. I wish for you a happy and successful future. Love you molu.

Sabitha Susan Joseph : Aiswarya!! The girl to whom myself n swati would run to for any fashion n styling tipI ve never seen you without a smile on your face :).. Actually it's quite difficult for anyone to even believe that you are PG student .. the girl with kids mind n looks :P.. Such a cute little one 😊 Keep smiling and stay positive as you always have been. You will be missed 😭😭 Lots of Love ♥
