Aman Srivastav : You are one of the people whom I can say I know from day one. Had you not went for your luggage on orientation day, we would have been roommates. From course projects to gym projects, your company, made it all so easy. Thanks for bearing with me. ;)

Jaideep Singh : ghadiali..maine kbhi utni baat nai ki terese but when tarun asked me ki secret santa me swarup ko kya gift du, ta suddenly i said ki puzzles dede. idk mere mann me kaha se aaya vo..but you tried to hide many things but gave away a lot about yourself. u were probably a few of those who used to my cringy humour. thanks for that and everything.

Krishna Gupta : hi bro , you are the person who always helped me in coding.well you are one of purest soul who i ever met u never want to hurt anyone.we work on ieorday 2019 together. you are a constant learner. very few people i have seen who enjoying doing work like u used to do . i wish we will be future room partners love u bro want to keep in touch with u forever.

Pankaj Kumar Sahu : Hi Swarup! I want to address you with "Coding Master" or "Coding Champion". You helped me too much bro in learning programming, assignments, coding as well as you helped me many times in repairing my MS Office. I can say You are genius in all these things. Your dedication level towards these things is extremely great. I remembered we used to play badminton in H4. Tum badminton bahut bahut accha khel lete ho. Bro tumhe yaad hoga ki Hum sab log Ankush k room m baith kar assignment problems solve kiya krte the optimization and stochastic k usm bhi kitna mja tha na bro. Your nature is also cool. Lets Hope we will meet again soon. All the best for your future. Be in touch. Thanks Swarup Bhaai!

Ankit Raj : Damuuuu !! Damiya !! pehla aisa banda dekha jisko apne bed se kaafi jada lagaw tha ki usne bade bade courses mobile per hi lete lete nipta diye. Kya mast wo bhi din the jab tughe uthake badminton khelwate the, wo din bahut yaad aayenge. Chutti honi chahiye or next moment ghar. Silent listener lakin effective result dene wala banda. Will miss you bro, be in touch !! and ek baar Daman ghuma dena =D

Sandeep Kumar P M : Hey international khiladi, apne international "clients" se fursat mile toh hame bhi kabhi message kiya karo. Tujhe kabhi bhi zyada tension lete nahi dekha. I like your 'bindaas' attitude. Apne bachchon ko bachpan se badminton sikhane ka plan mat bhulna 😊. Let's hope that we'll be together for next couple of years. Keep smiling 😊.

Tarun Raj Anugula : Bro, you are so talented, i cant forget u helped me many times when i stuck with my code. u got so much knowledge in u , i know u will excel in ur life thoda hume bhi yaad rakhna
