

BARNAVA BANERJEE

Biosciences and Bioengineering

Sreyashi Mandal : Barnooo!! You are such a cool guy! Your mimicry of Panda Sir was spot on and a constant entertainment for us. When asked for, you have never denied help. I think am going to partly miss our clash of autoclave bookings and you calling me to keep biohazard waste in our lab! You are undoubtedly one of the most intelligent guys of our class, you are super witty and it's really difficult to not like you! Wish you all the best for your future. Hope all your dreams come true. Stay in touch bro!

Abhishek Datta : Sutta chale? The only other smoker in the batch. Really enjoyed few thoughtful and high moments with you. The political guru #1. My respect for you grew as you started to mock profs. You are a Beautiful Bengali Chicken lover. Will miss our moments on the 6th floor #tau. Will keep contact no worries.
