**Aniket Prajapati** : Purest heart. All credits to you for my 80 % plus attendance. You were always an inspiration. Aakhri ghante mai poori theory revise kara deta tha yaar tu. 3rd sem, by not giving me assignment solutions you helped me a lot. Uske baad hi maine khud se cheeze karna chalun ki. And exam ke 5 min pehle thunder sunne ka mazza hi alag tha.

**Ayan Choudhary** : Viral bhoaii Ghatkopar k DONNN. Insti life me almost har field me help kiya yar tu acads, tech team, khane ki jagah(alag insan k sath jane k liye alag suggestions--wow \*.\*). First year se bahut kareeb hai tu dil k, ITSP me 133 room pe pade hu Despacito and Shakira Ji <3. Infinite nightouts were lobb. Tere ghar pe diwali celebration ek number tha bhau. Best thing about you- patience and the secrecy maintain krna + samne vale ka dil kbhi nhi dukhana. Japan jane se pehle b'lore me machate hain <3

**Riya Singh** : Hello Viral Mausi!!! Mai Sanskruti ke sath mil kar tmhe bahut tang ki hoon. But I don't regret :p You were our Marine Drive and Juhu beach travel guide. 1st year ke baad tmne woh job chhod diya :p kabhi fir se humare friend group ke sath hangout karo. Having you as "bali ka bakra" was fun. And thoda jyada smile kiya karo :)

**Rahul Manglik** : Boss, one of the only Mumbaikars whose food choice is good. Thanks for teaching ek sem ke courses in a day. Bas khush reh bhoai BPP khatam kar lunga

**Somansh Chordia :** Bhoaiiii! Starting me laga tha ki tu thoda sophesticated mumbai wala hai but jald hi samajh gaya tha tu bilkul apne jaisa hi hai xD. Miane aur Misra gawd ne milke bohot pareshan kiya tha teko uske liye maaf kar dena. All is well that ends well ;D Tere sath first year me itne maze kiye ki 2nd year me secy bana tha just because tu sath me tha. I feel fortunate to have witnessed the most hilarious moments of your insti life Tu dil ka bohot achha hai yaar. Kabhi bitching nahi karta bhale hi kitna hi pareshan kiya ho maine tujhe apne gande jokes aur logics se xD Tu jis level pe time and kaam manage karta hai mai soch bhi nahi sakta. Hats off to your dedication and hardwork! Itni jyaada cheeze manage kar leta hai tu! Your work at racing is highly under rated man, I hate that. And papa wale scene ke liye sorry bhai xD

**Pragun Badhan :** BHOAAII. Thanks for teaching whenever you did. Ek do courses tujhse thode zyada padhleta toh haalat thodi better hoti meri xD. Acha hai Japan ja raha hai udhar gaaliyan nahi chamkegi unhe teri. Kaat te rehne l\*\*d unka xD. Lehsuni word jab bhu dikhega tu yaad aayega. Thanks for all the times apne ghar aane diya tu, they were very fun. Baaki japan main toh milte rahenge hi hum pakka. Khakra and other snacks chahiye merko udhar bhi okay?

**Shashank Kumar Sahu :** I knew you as a bahut hi zyada shady banda jo zindagi me kabhi husa nhi hoga. Harami to tu hai hi no doubt about it but that's the best part xD I wish jab tu lab bhand hoke aaya tha to Shivam ko pata chal jata xD Tera gujju chakhna miss krunga be jo apan meet k time thuste the :'( And thanks for the bag jo abhi bhi mere pass hai :P

**Rahul Agrawal :** Yo Viral. Thanks for all the notes(bhai handwriting ^/), assignment solutions, lab codes etc in all those courses bhai. Kuch zyada hi maang liye maine (xD), and tune khushi khushi diye bhi the. CFD ka course to legit merko pta hi nahi hota kya chal rha tha agar tu nahi batata given my attendance :P. All the best in your future endeavors and stay in touch bro!

**Pattisapu Divya :** Viral, my favourite pastime in second year was when Sans and I would team up and make fun of you. Your reactions were the most amusing 😂. The three of us took those 20 movie passes and watched only two (you both ditched me for the third 😞). All the movies, the outing when we came to your home, the Maggi facade, the ye-last-time-assignment-bhejdo pleas, the third wheeling(🙏) couldn't have been more fun and I missed them a lot when you became busy with Racing. The most fun was the Diwali outing where you notoriously stole a little girl's balloon. Hidden behind that sadistic smile of yours is a fun, hard working and helpful friend whose company I thoroughly enjoyed!

**Divyadarshee Das :** Viral San contact name yehi hai, but I remember you more like gaon-San. Man you saved us in Japan, your food was not only life saver they were also tasty. I fell in love with Japan cause you guys made it unforgettable. Your imitation skills were on point (like chole bhature, Rashmi etc). Out many awesome days the one in bowling, round 1, actually all of them even the onsen and the small discussion we kept for trip planning are extraordinary. Your way of addressing us as bhai log kept us together and made every trip smooth and converted the internship into an immortal vacation. Bro don't forget-" bhabhiji ko bolta hoon"

**Aditya Dev :** Fellow gaon. Had so much fun at japan and pakka aur maje karenge. Not much point writing here cuz a lot is yet to come. Dude tbh i am gonna rely on you only for making our work thoda interesting at Murata. Baaki log kaafi give up lag raha :P

**Vikramaditya Patil :** 0909090909, I still remember I came to you for help with the NMCL assignment, you were in deep sleep, and still enthusiastically helped me even when my code was in python and yours in C++. I didn't come to know that you were a genius until much later in the 7th semester. Thank god, I took NMCL with you otherwise it would have been difficult to make it without your notes. I'd often meet you filling up water in your wing, having breakfast, and every one of those meetings is memorable. All the best and always stay in touch!

**Mehta Meet Amitkumar :** You are one of the most khadoos senior but even more helping. You maybe motivating at times but har ciz ke liye daat te bhi the, and it was extremely useful.
