In my insti life, Never have I Ever:
Had a GPL xD

Yearbook
2020

Ayan Choudhary : Pandey Ji - according to your name sbse saje sanwre BCB. Maza ata tha jab MP ki baate relate hojati thi either lingo me ya harkato me xD

Pranil Joshi : A majority of insti, Pandey admits, thinks that Pandey is an alcoholic, chain-smoker, womanizer and greek god. Only close friends know that only one of these is actually true :p . Pandey tu infi machaata hai, but usse bhi jyaada bina matlab ke rotaa hai. Agar kisi ne Insti life sahi mein enjoy ki hai, toh woh tu hai. You have awesome social skills, woh use kar le achhe se life mein. Bas kabhi kabaar kisi aur ko debates jeetne ka chance diya kar lol. Now that I am graduating, you'll have to arrange your Netflix from somewhere else haha. Let's plan to meet soon! (I have become way too used to having you as my neighbour :p)

Rahul Manglik : I don't need to write anything here for you to look back to. We will always be in touch. If you are looking at this in the future and wondering why we are not, call me right now!

Aman Mishra : Pandeyjiiii! Greeek god _/_ Tu jo bhi dil se karta hai, usme macha deta hai. Ek field me to kuch jyada hi macha chuka hai XD. Abhi hi to basky khelna shuru kiya tha, usme bhi pro ho gaya ;). Jab bhi kuch karne ka man kiya, sabse pehle tujhse hi pucha. Basky, tennis, swimming, football tere alawa aur koi nahi milta yaar sabke liye hamesha ready rehne vaala. Your strengths - zeal to win and a competitive mindset, inka to matches me mai bhi shikaar hua hu XD. Yaaar already missing all those evenings :) P.S. Bottle flip to hamesha yaad rahega, next trick shot video kab banana hai?

Yearbook
2020

Pranav Sankhe : Pandey boi! Yaar teri awaaz and bolne ka tarika kaafi suhana lagta hai mujhe! Tere freshie year summers mein nahi mile apan TL mein shayad but uske baad kaafi interaction hua. It was always a pleasure to share stories and listen to that of yours. Protests ke liye banner bananke liye shukriya. Bada sexy banner banaya tha! Milte rehna dude jab bhi possible ho and let's stay in touch.

Sushil Khyalia : PAAAAAAAANDEY ji _/_ 4 saal kaise rush me nikal gaye pata hi nahi chala. umeed karte aap aise hi machate rahoge aur ho sake to thoda kam pain liya karo. 2 din pehle anniversary thi "corner taken quickly" ki umeed karte bade dhoom dham se celebrate ki hogi aapne

Drish Mahnot : Greek God insti ka. Insane ability to sell yourself. Moderator apne group ka xD Always on my side regardless (except for being a die hard Barca fan, shame :P) Brightest future hai Pandey Ji ka, I hope we can have a drink together once you start :D

Yash Shrivardhankar : Pandeyjiiiiiiiiiiii! GREEK GOD! Alag hi shauk hote hai Bhai tere! Football mein random latho ke liye maafi xD. Doston ko aise chod ke date pe Chala Jayega toh Prithvi Cafe wale kisse banenge, Yaad rakhna xDxD. Aur sale, Teri GPL first year se baaki hai. You have successfully escaped that shit! Time toh badhiya manage Kar leta hai Tu. Upar se Jo cheezo Ka shauk hai unko bhi pooro karta hai so kaafi badhiya! Stay in touch man!

Sanjay Khatri : Pandeyji!! Sahime 3 saal ek dusre se itti baat ni hui. Lekin 4th year me, we have been really good friends and it's good to know ki eng me apana interest equal hai which is below nought 😂😂 Bhai let's see if Delhi happens together. Would be great then. Abhi toh last year baaki hai, fun aana hai abhi bahoot. 🥳 Uske baad ek aur senti. 🥳

Yearbook
2020

Prudhvi Kavya : Arrey bacche!! Tu toh macha kar bhi mujhe aaj tak treat nahi diya, although maine bhi tujhe kabhi tere 100 रुपये wapas nahi kiye xD Life mein kabhi bhi koi help chahiye ho toh bindaas ping kar lena (placements mein iss offer ki khaas zaroorat padegi :P) and keep in touch <3

Phuntsog Wangchuk : Aapke kya kehne Pandeyji. Apan veg junta ke maseeha, jo non-veg waalo ka alag bill katwaaye aur phir 3 logo ka veg khaana khud kha le. Apne BCBzzz ke Greek gawd, Tinder shikaari, heart hacker etc etc, sem khatam hone se pehle tujhse beauty tips lena reh gaya. Singhal jisse behes karne se hatt jaaye uski aur kya tareef ho sakti hai. Enjoy your final year!

Somansh Chordia : Greek god Pandey ji _/_ Humara naam hi nahi aur bhi qualities like behes karna (and some preferences ;D) kaafi similar hai and isiliye mast connect hota hai and bohut maza aata hai tere sath bakchodi karne me. I have always admired your determination. Matlab agar kisi kaam me ek hafte se zyada tera interest tik gaya toh tu kaafi jaldi se achhe level pe seekh leta hai. Keep setting unrealistic goals with aapke "machane" ke kisse :p

Tanya Gupta : Hey man! Out of all the people I met in insti, I remember meeting you as clear as yesterday. I am so glad you walked up and played basketball with me! Ya ya ya you make your excuses for losing, let's make sure we meet in the future for a rematch (ping me whenever you change cities, countries, continents and I'll do the same) 😊 PS: Remember to get a size 7 ball so you don't have this excuse when you lose next time xD

Yearbook
2020

Viral Shah : Pandeyyyy Jiiii !!! Greek God. BCBzzz ke asli stud ho aap. I still remeber your workings "uska **** bandhke rakjo warna udne lagta hai bohot". Apna sabse best incident toh Prithvi cafe wala rahega, BCBzzz ek taraf aur pandey ji with bandi dusri taraf. 18 nai bana hota toh aur bhi kaafi buckchodi hoti apne 6 me. All the best for future.

Neil Dalal : Pandey!! The only person capable jiske saath me tinder experiences relate kar pau :p You always have a way to get your work done and get through things. Vo auto wala discussion is toh unforgettable lol. Ab toh me (finally) H18 aa gaya hu, esehi outings karte rahege and football khelte rahege final year me. Also chinta na kar, kabhi Prithvi cafe bhi chal lege vapas :p

Shreyas Pimpalgaonkar : firSt friend!! i like your Arguing style a lot, never change that! tinder god, thoda tipS hume bhi de do. loved doing restaurant hopping with yoU! Kaafi mast tha goa and, intern treat was a blast! milte rahenge hopefully, love hanging out with you!

Pragun Badhan : Pandu Greek God! Merr chasme ma number badh gaya chaar saal main apki chamak se. Tera staple "Main ni yaar!" and Dengue ke bukhaar main bhi PH ka Tut solve karna kabhi nahi bhulega xD. You were probably by first closest friend in insti cause obviously Bhandu toh kuch bhi karta tha. Tere 4 saal ke women exploits toh legendary hain (maine toh dekhe aur literally sune bhi hain xD), inspiration for all of us. All the best for your future, pakke se you're gonna do great like you always do. Vaise toh milte rahenge hi, par jis din Punjab IPL jeeti uss din mere se call ayega zaroor xD

Anirudh Singhal : Pandeyjjiii, won't forgot bullying you on the first day of insti. Bhale hi tu kitna hi MC kyun naa lage you're one of the most kind hearted person I know <3. The XLR8 experience in the first year wouldn't have been half the fun without you. Lol I think you made surviving elec a little bit easier. Abhi toh humara insti mein ekk saal aur hai, and hopefully (Go Corona Go) we will have countless more memories to make <3
