**Shubham Punjabi** : Mr Moolik Bhakt..or shall we say, the ideal successor to Mota bhai 😊. Bhai terse zyada kisi ne nahi motivate kiya bhagne ke liye..10k bhagna tha yaar saath mein. Teri energy levels and disciplined lifestyle is something I have always looked up to. I hope to visit insti and find you perched on the top of that rock climbing wall 😂. I really wish ki tu in future prof ban jaye Joshi type ka and bacho ko morning 6:30 am lectures/surprise quiz ke liye bulaye. All the best man, controls mein to machayega hi tu ♥

**Patel Sayan** : Kisi din motherman ko milne chalte hai manit aur ranjan ko leke. Apparently, mumbai me hi rehta hai. Sath me baithke rona hai uske.

**Sanjay Yadav** : Hello first year roommate 😊, I take this platform to put our memories into words before they get blur. I remember when we first met, most of the faces in institute looked homesick including mine, but your's seemed excited as if a someone has arrived to his dream destination. 1st year incidents: 1.The day you opened about girls. "Bhai pata nahi end m baat karte karte mein didi bol deta tha ladki ko" 😂 2. Your's returning to room after attending morning lectures and mine waking time were same 😊 3. Meri injury ko 'daru peeke naale M gir gya tha' bolke defame karne wala scene(mc) . 4. Wo wala yaha nahi likhta hu(wo to waise bhi zindagi bhar nahi bhulega tu 😂) 2nd year : Hostel ka tech secy banke tune jo tech culture ki waat lagayi 😊 1st position se seedha 4th. Aur to aur award bhi le gya tu insti se. Mota bhai se kam dimag to nahi hai tere pass 😂 kya bakawas h bhai word limit reach ho gyi

**Abhinav Jain :** Next year bhi likh sakte hai, but then why not?! The banda that always had astronomical enthu for everything he does, whether it is running ya PoR ka kaam. Bas ek chiz ka enthu nhi dikhaya acche se, jlaebi-fafda khila de(kaisa nalayak gujju hai). Astronomy enthu kaha se aaya yeh toh sabko pata hi hai(yes, thank you :p ) but baaki apna maalik in general machata hi hai. Last year mein please fafda khila dena xD and machate rehna!

**Shruti Iwanati :** Meko yaad nahi apan kaise or kab dost bane, still en chaar saalo mein aapne hume khub pareshaan kiya hai (Rakhshak yaad hai :P or har assignment ke liye bhok mangana) Bhavnagar ka dharm rakhshak SRK se pange lene mein koi mauka nahi chodhte they, jiska badla woh exams mein lete they. Kalsubai ka trip or H-18 wala prank humesha yaad rahega. Ek or baar garba or trek par chalte (I hope es baar meko dhakka dena na pade) Will miss you bro <3

**Pujan Biswas :** Do you remember the 1st walk to the dept? Tere pehele shabdon ka jo accent tha woh kabhi bhi nahi bhulunga, but usse time se aajtak ka jo amazing journey tune tay kiya hai acads and life mai, it's just awesome. Struct mai "mandir wa.." mai pakde jaana, Kresit ke samose, controls vs aerod debate :P, H16 mai tere non-engg TT, your epic frequency of ... studying, I'll say :P. Dept trip mai jo hua uske liye I'm sorry ... bhakk XD Jokes apart, apne andar ka adventurer ko humesha zinda rakhna. H7 baap tha, baap hai aur baap rahega. Aapke abstract maths proofs mai humein bhool mat jaana. Your Maths nahi samajhne wala friend, Bisso!

**Shashank Verma :** I am now wondering why no one calls you Chunilal :p Trip yaad hai Mt. Abu wali, I think that was the time that we bonded. One of the best juniors I got to know. Always ready for bakch\*\*di, nicest Gujju (kabhi tune thepla nahi khilaya). It's a pleasure knowing you Chunilal :p. Good Luck for PhD admits, Michigan ajaa tu bhi, but try for the best. Kabhi fir milege, yaad karege purani bakch\*\*diya and karege kuch nayi bakch\*\*diya :D Stay in touch, my boi...

**Syed Zakiuddin :** Maulik! Always cool, My partner in crime, the crime we did in our Tech secy tenure. Bhai the support I got from you is incredible. The way you handled every situation with so much coolness is something to appreciate. There is so much to learn from you when it comes to working ethics and scheduling time. I regret it that I was not able to learn much from you. But bhai always be like you was in your secy tenure, never change. Love you! take care!

**Varun Sule :** Yo Maulik ji, itna focus kaise kar lete ho cheezo pe. Probably one of the only people in insti I know who consistently got up that early throughout. Tere saath waale morning talks ( sometimes late night talks for me) kaafi enjoy kiye hain - Apne yehi baaton se I got into running last year. Finally tu betrayal dikhake SysCon chala hi gaya ( chal maaf kar liya iske liye). Apna controls lab ka group toh sabse awesome tha hi, nahi toh merese reports pakke se na ho pate ( meri aur Ankit ka ditch, remember Jindal's group messages) You were very close to getting me into rock climbing, ek baar toh karunga tere saath. Treks bhi chalna hain infi apne ko yeh saal. Will miss you and your stupid pranks

**Nitin Tiwari :** Waise to mujhe senti likhna nahi aata par mota bhai hai isliye try kar rha hu :P. Bhai kafi quick thinking hai teri. Apne views kafi match karte hai you are right. You were one of the few people who is willing to listen to any argument with an open mind. Dual ke baad jahan bhi jayega machayega hi. Wing ka mahual hamesha entertaining rakhta tha. Teri PR reach GOD level hai. Yuva morcha se to regular calls ate hi honge :P. Last sem armwrestling me haraya tha yaad hai? Iss sem not willing to try, rock climbing karke kafi bulk up ho gaya hai. Kafi crazy stories hai teri yahaan nahi likhunga. Touch me rehna bas. Aur baki insti me ake sunata hu...

**Amit Gangurde :** Yo Maulik sir!! Bhai tu nahi hota toh that Udaipur trip wouldn't have been so lit 🥳. Gheeconomics yaad hai?😂 That was easily one of the best trips that I have ever had. That incident at OAT during a telescope handling session was too hilarious 😂. You have a very positive, jolly personality and it was always great to talk to you about anything. Thanks for everything. All the best for the upcoming year and stay in touch!

**Allen Bose :** Mulick !!! I don't know how you manage everything together man. Whether it be acads or doing masti or even personal fitness. Jab sab sote h tu padta h aur jab sab uttha h Tu masti Karne aa jaata h. And the effort you have put in to running , that willpower is unbelievable. I still remember in second year when you could barely run 3 laps, but look at you now 🏃🏃🏃 one of the best runners of H4. Stay the same, keep doing masti, and give everyone loads of fun.

**Atharva Khandait :** Yo Maulik! Tu nahi kabhi peeta, tere se pehle tere bacche pi lenge :p. Dude, your open-mindedness has always pleasantly surprised me, given your faith(if we can call it that). I do think you have found a sweet spot between faith and reason. I guess that's the reason I've never met anyone who embraces life like you do. Full khulke jeete hai tu, sab dilse karta hai. Bhai infi discussions kiye hai saath mai, yaad rahenge. For old times' sake kabhi online bhi kar liya karenge. Mera outdoor activities ka enthu firse jagane ke liye thanks xD. Merko lagta hai tu Everest attempt karega life mai kabhi, marna mat :p. Pakka milenge insti ane par, aur ek last bar climbing karne challenge :D :D

**Arpit Kedia :** Alag character ho aap, Maulik sir! Bhai kya chill aadmi hai tu, kuch bhi ho jaaye, ek trek/walk karke sahi ho jaayega. Intern mein itna maza tum dono ke wajah se hi aaya, and thank you for teaching me cooking! But tera kaam dekhke tension bhi hota tha humko, tu kuch zyada hi der office mein hi rehta tha :P. Public mein humesha darr mein rehte the ki teri gaali kisi ko samajh na aaye xD. And that epic moment when you touched that Russian alcoholic's feet xDxD. Keep it up, and stay in touch. All the best!
