Harsh Chandak : Yo Tapase bhau! Bhai tere liye main kya hi bolu. Apan itna late last year mey kyu mile :/. Infi maje kiye yaar tere saath mey. Patte, mafia, secret hitler, badminton, cricket, bahar khaane jaana, raat bhar life ke fundae pey baat karna (tu, main aur Singhal) aur vo Escape room aur Joey's Pizza toh bhul hi gaya tha. Bohot mast banda hai tu humesha aisehi rehna. Kya yaar humko chhodke Hyderabad jaa raha. Bangalore aate rehna :D

Abhishek Singhal : Tapase Bhai!!! Yaar I feel really lucky ki last year mai hm same wing mai the. Tere jaisa dost bahut mushkil se milta hai. Apan ki thinking seriously kafi milti hai. Apan dono ko hi sports khelna pasand hai aur hmne infi mazze bhi kiye badminton aur squash mai (tu but thoda jaldi hi thak jaata hai bc..aur badminton mai apni service pe work krna haha). Apne late night patte, discussions, even badminton lol, pool, foosball, cricket sab yaad rahenge yaar. Apna manali ka trip bhi kafi sahi tha. Infi bakchodi hui. Yaar aage bhi aise hi cool and bakchod rehna. Intel mai khoob machana aur mumbai aate rehna milne. Aur ha abhi aur bhi trips pending hai bhoolna mat. All the best bhai..will miss you:(

Saurabh Kolambe : Namaskar bhau ! yes. we spent almost 7 yrs together now. starting from jee coaching to all the way till here and I am sure we will stay in touch for many more yrs ahead as well. The placement prep with you guys was really awesome, given my final yr chill mode i never would have done so much prep on my own xD. Our thoughts never go along but we stilled managed to be best friends. All those arguments on almost everything, talks about life, ddp rants, acad rants in general lol.... I am gonna miss all these bro. this corona messed up our last year fun but I am sure there will be more fun in future. We will miss u a lot in Bangalore. Keep visiting once in while, full on party karenge mast.

Pawan Kumar Khanna : Hi Aditya! I only got to know you properly in our 8th sem and so we couldn't spend that much time. But I still vividly remember the toiling over and discussions of those CRAZY 4th year MicroElectives, Random gossiping during Placement Sem, Dinners and Late night walks together with Lakshay and Anand (sadly I only had 1 of those with you guys :(...), and Mafia and cards during last sem. BTW you never came to play tennis with us :| . You have an amazingly calm and joyous personality and so nice to be around. On a senti note- bhoolna mat aur milte rehna :)

Lakshya Bandhu : Bhai mein kaha se chalu hun samaj nahi a raha. Tere jaisa caring banda maine life mein nahi dekha, tu hamesha sab ki feelings ka khayal rakhta hai that's one of the things I admire about you. Apan kaash jaldi mile hote toh alag feel ati alag level pe nadiyan bahate(teen baar😂😂😂). "Tu mera bhai hai" ye yaad jarur rakhna aur try karna jaldi se Bangalore a jaye, Bhai tujhe sabse zyada miss karunga mein phir milte hi sabse pahele club jaenge😊

Kethan Chauhan : Kasa kai, aur bantai or any other slang, I know I can use any of it with you just because you are cool with it. We share a healthy bond right from the start. You have a very uncompromisingly forthright kinda attitude, quite different but it quickly got normalised and unknowingly it made it easy to converse. We rarely met after the first year but whenever we meet we chat for an hour atleast. Last semester ka chat due hai Hope we have more

Mookund Sureka : YO Aditya, We had most of our interactions on the mess table and in your room over Neeraj kahan hai :p. You are a big fighter and a wonderfull person. Stay the same and the best! :)

Satyam Mohla : W've known each other since 2nd yr man, when I moved 2 micro & just above ur room. omg ol these years, if I can beet my ass on who in the whole institute lives like the most nicely maintained room, that would be you. If I had to bet who is a great person, that would be you again. you're someone who I'd run to for passing micro courses for notes, like 2nd yr when you saved my ass. Good times, when we were in H6 , u were the possibly 1st guy who I told about the Mars rover trip thing, & I still remember how delighted you were, and that reaction has stayed with me. Last few years with my semex & H18 moving, so much has changed, but I am glad amidst this drift we're still same. stay in touch man

Rohan Pathak : Tapase Bhau. Kitna jyada chilled rehta, though at times fatti hui bhi rehti teri XD But I have learned to be satisfied and never stop working hard looking at you. EDL labs mein baithke kya gappe maarte the haha Mast kahani batane ka style hai tera, though a bit long :p I am so happy for you ki tere saath sab mast hue jaa rha and tu itna khush bhi. Aise hi milte rahenge chill maarte rahenge :)

Abhijeet Aanand : Tapase sir!! Aapke itna hard-working, dedicated aur helpful aadmi milna bhut mushkil hai. Poori Design lab aapko itna tang kiya but aapne hmesa help ki. Thanks for that and all those suggestions and fundae jo aapne diye. Aapka persistance level alag hai bhai. Respect hai uske liye. Baki to aap Intel me macha hi doge. All the best bhai !!

Neeraj Sohani : Tapase mere yaar <3 Hostel k saare sukh dukh dekhe hain be tere saath. Tujhe pizza ki ehmiyat batayi hai maine xD Tere first year k bandi pain sune hain maine (multiple times) Apne life k kitne hi pain sunaye hain tujhe jinme tu aksar bolta tha ki "kuchh nahi yaar, sab theek ho jaega". Main to maanta hu ki tujhe mrunmayee k naam se chidha chidha kar maine hi tumhari match making kari hai :P Elec department ko mil k jitni gaaliya di hain hamne, wo main kabhi nahi bhulunga xD Ye saari aur in jaisi aur hazaaro cheezon k lie thanks par jo tune meri bedsheets ka parda banaya tha uske lie tujhe kabhi maaf nahi karunga main :P Yun hi khush rehna aur phir se kabhi milenge zindagi k sukh dukh baatne <

Anand Naik : Tapase! Mujhe abhi bhi yaad hai jab hum first year ke winter vacation mai Sameer Hill pe gaye the! Tab se janta hu tujhe! We started hanging out more from the fourth year and time I spent with you was quite memorable. Tujhe har baar puchta tha ki movie ko ya bahar dinner ko jana hai kya toh tu tayar ho jata tha. Aur tere sath Shimla-Manali trip pe toh maja aya. Apna placement sem toh 350 aur Badam 7 khelne mai nikal gaya. Kafi ache se khelta hai tu cards! Graduate hone ke baad bhi milte rehna!
