Yearbook  
2020

**Rishabh Agrawal :** " Abhay, meet rakhni hai ?" " Abhay, pain ho gya ek !" " Treat de do yaar bachcho ko!" " Phirse Gudi Sir se baat karni padegi" Ye lines aapko hmesha meri yaad dilati rahegi 😊 . I don't know how this year would have passed so smoothly if you were not by my side to help me through it 😊 . Jitna expect kiya tha usse jyada sweet aur shaant nikle aap 😊 . Kabhi to gussa karte yaar. Ab pata hi nhi chalega ki aap gusse mei kaise dikhte ho. Koi na hum sab aapke bhand face se hi kaam chala lenge. Bs ek baat ka dukh rahega ki Valfi nahi ho paayi, kaafi raaj khulte 😊 . Aapko pareshan karta rahunga, jyada yaad mat karna mjhe 😊 P.S - Kafi achi baatein bol di hai aapke liye, ab apun ko badi treat maangta

**Aryan Dangayach :** Abhay kaise ho? 🙏 Yaar apko ek bar fir s bhand dekhna hain, kya sahi lag rhe the yaar. Or yaar itne shant kaise ho aap, aap gussa karne ka try krte the or hume hasi aa jati thi. Thank you yaar Abhay for being so supportive to us. Thanks alot for guiding the council. Or apki treats k lie b kaafi sara thank you, but still ek badi wali treat pending hain. Sorry for being cheesy but we'll miss you Abhay ♥

**Aayush Sharma :** Yo Tommy!! waise to 700 characters kam padenge but if I have to summerize you in three words then that would be "forever confused soul":P. jokes apart I can't even think of single day without you and Rathi, kis cheeze mein tum logon ne help nahi ki yaar(especially acads ke wo toipics jo kisi ko bhi nahi chamakte the). kabhi bhi exlicity nahi kaha but tu jaan hai wing ki ♥. waise to tune inn 4 saal kaafi kaand kiye hai but computational biology ke quiz waala was bestt 😊!! although to tu kaafi chill rehta but 2 baar teri kaafi khatarnak phati thi ek thermo-2 endsem miss karne par aur dusare when I cried in your room after Day-3 ♥.PS-thoda harami ban bc kyonki agli baar tere paise nikalwane hum nahi rahenge 😊 . PPS- don't dare to forget apni code language "annad kucchi"😊

**Mayank Sultania :** Brooo! Infi lab groups and tere ghar ke ladoos kafi yaad ayenge! Kabhi outdoor games bhi khel liya kar...

Yearbook  
2020

**Vedant Ladha :** Yaar tere se zyaada easy going aur chill banda maine nahi dekha hai kabhi. It was nice having you in the same wing in the 2nd year, and sorry for not waking you up for the thermo 2 endsem 😂😂 (Lch mein tha yaar 😊)

**Adarsh Rathi :** Tom Tom Tommy \*Banging on the door when you are sleeping\* One word to sum up your character - "confused", tu kya sahi banda hai yaar, puri wing ko entertain karta raha, hamara ghoda jo complex concepts padhata tha and sabhi type ke chutiya pe wale sawaal puchta tha. Teri harkate to kabhi nahi bhulunga, bhulu to kaise, aakhir har ek kaam mei ek galti karna jaruri hai tere liye, Life mei chill kaatna koi Terese seekhe - bina mehnat ke Ambani ka right hand and pure time wing mei nange pade raho. But bhai, jab bhi mei low feel karta tha, tere aur sharma ke room aa jaata tha, obviously vibes hi aisi hai tumhari, dil ka bahut saaf hai tu, thoda harami ban jaa. I will miss our cycle rides, triangle law, late night canteen trips and many more♥ TTM forever, will always stay in touch and expecting the same.

**Arnav Dewan :** As far as I know, you were one of the first peeps I know from the department. Tune hi mujhe motivate kara tha to join the council. I still remember all the "extraordinary and amazing" things we did in our first year labs. Teri problems, Tere amino ke chats and woh problems, tera salsa night and prom night ka desperation, saara first hand dekha hai! It was soooooo fun! I know abhi bhi koi problem aayegi tu mujhe and main tujhe hamesha hi bataunga..... It was an amazing ride and having you as a friend made it worth the while! Baaki obviously our backchodi we will do and keep on doing!!

Yearbook  
2020

**Raj Gautam Kumar :** Tomar! I can't even remember how smoothly you transitioned into my insti life and became like a brother. I know if there is a person whom I can contact for any help you are the right one. You never say no for help. Sorry for the bike accident in Goa, still I have better driving skills than yours. Placement ke time no one would have helped me like you did. Yaar kitna confuse rehte ho life me 🤔🤔🤔 Your Dgsec election, my Gsec election, wing trips, our drunk conversations I am going to miss a lot. Meri baato pe bina soche trust krta hai tu♥ Ps: Now I am confused tere bina meri life kaise chalegi ya teri life mere bina!!

**Tanmay Garg :** Hello anime bantai, bahut pyaara insaan hain tu. Do you ever get angry or pretend to be angry? I have not seen you angry or pissed off once in these last 4 years brother. Maxxxx level respect for that. I remember crazy moments like taking your gpl for no reason at all while you are lying in bed, convincing you to contest for various PORs, helping you out (not literally) with obtaining a camera etc etc. I was so happy bro when you contested for DGSEC. Legit bahut khush tha main because you had finally brokeb home shackles of not contesting :p also, its great to know your mom doesnt think ki main wo bigdi hui influence hun tujhpe lol :p lastly, bro fourth year ke dono sem main agar tu slot clashes main help na karta to sahi main meri degree shayad na milti meko. I can never thank you enough for that. I know i owe you a treat big time and we will party hard when we meet next for sure. Do stay connected as I want to be that bad influence in your life which your mom always warned against lol :p

**Rushabh Vora :** Tom tatti, tatti Tom!!, the accidental DGSec😂, Tomasha\_Forever (and many more jo yaha nhi likh rha). Last 2 years would have been impossible without you♥. H4 me teri daily, sorry hourly roastings ko kabhi nhi bhulunga me, ab to use bolde se leke Dushman na kare dost ne wo kaam kiya hai😂 Wing ki jaan hai tu and u are the most sweet and innocent guy I know and plz thoda harami banja, kab tak hum baap log paalenge tujhe😂 Tere saath aur bhi kaafi memories hai, wing dinner, (half♥) wing trips, chem lab vivas, midsem endsem ka padana, H2 canteen dinners, (khali)chocolate wrappers 🍫..... P.S.- Mujhe lagta tha koi insaan bas anime aur neend pe Zinda nhi reh sakta but u proved me wrong

Yearbook  
2020

**Aniket Ranade :** Bhai yaar NSO mai mile the, tabse leke TF tak tu har baar surprise kiya yaar mujhe. Bohot mast insaan hai re tu aise hi rehena.

**Kushal Mittal :** Yo Tommy... Tere jitna huggu aur confused banda nahi dekha xD jk. Bauhat maze aaye yaar last year saath mai kaam karke although the best part was passing on the work to you when it came to talking to profs :p tu nahi hota to profs se baat kaun karta. Tera aur gudi ka wo special bond \_/\_ wo secret kabhi pata nahi chal paaya yaar :( Aur apna magic juice waala to best tha, kya trip di thi baaju ke shop waale bhaiya ne xD Stay as amazing and positive as you are aur milte rahenge aage bhi aur bauhat saari trips leni baaki hai abhi :)’

**Yash Kothari :** Tommyyyyy. Tu kya sahi banda hai be. Tu wing ki jaan hai aur entertainment kaa zariyaa. About planning the Meghalaya trip, we did the best job together. Wing reunion ki planning bhi hum dono ko hi karni chahiye when time comes. Wing me random time pass se leke sab kaa saath me ghumna was fun. Garba ke alaawa ke mujhe jo bhi dance steps aate hai wo tune sikhaaye hai, thanks for that. Machaate rehna boi and connected to rahenge hi apan!!

**Rishika Gupta :** My first encounter in insti with you is something I'll never forget. The guy roaming around to get every girl's phone number 🤔😂 Later I came to know about your funny and adorable side 😂 Department meetings have been really fun with you especially Kanan and Gudi Sir's office. Ice cream treat is still due. You are that guy who comes for the scheduled meeting one day before and sleeps on the day of meeting. Aisa kaun karta hai yaar! Wish you all the best for future and aise hi haste muskurate rehna 😊

Yearbook  
2020

**Kireeti Akkunuri :** Talking to you was always delightful to me, how even are you such a fun, genuine and down to earth person? All the best for your future!

**Saman Siddiqui :** Hey Abhay! Thanks for listening to my 2am rants about Chemical Engineering and tolerating my inability to read excel sheets XP You're a born leader and I'm sure 10 years later, you won't just be awake from the dream but living one! ♥

**Harshit Handa :** Yo Tommy (I hope you remember, ye naam mene hi diya tha ♥), tu mera insti ke 1st day se friend he and chill maar us din wala incident out nahi karuga (eye contact 😂😂). BC kon 1st weekend pe insti ghumne ke bahane senior hostel leke jata and khudki ragging karwata 😂😂, but kaafi fun tha ♥. Tu kaafi jyada chill and uske sath hardworking bandha he 🙌. Tera last year birthday pe tune aur gauti ne bhand hoke kya dance kiya tha 🥳🥳. Bus apne virtual world se bahar aaja 😂😂, and 1 2 bandhi real world me bhi bana le 😊. And comebacks improve kar lena lockdown me 😊. And aage bhi life ke interesting incidents sunate rehna ♥. Machate reh life me and stay in touch ♥.

**Aniket Bhatia :** Tomar you're one of those people who are genuinely genuine. You're so carefree and lively! I distinctly remember when you brought Wendy to my room, and I can't thank you enough for that!! <3 Don't worry matches mil jaenge tinder pe xD. Keep smiling and all the best!! :D

Yearbook  
2020

**Rohit Kumar Gupta :** When I saw you for the first time, I was like thank god mujhe mere jaisa roomie mil gaya but hell no, we turned out to be very different :P. Infi anime dekhne wala banda, infi chill banda (in front of everyone except me :P) and aur bhi bohot saare adjectives hain 😊. Insti ki aadhi life (ofc room par rehne wali life) maine tere saath hi bitayi hain and I won't forget sharma tujhe kaise pareshan karta tha first year mein (pics abhi bhi hain 😊). BTW, the only time we were together (outside room) affair was that Treasure Hunt in fourfest (I hope you remember :D)... uss raat ki bhi alag memories hain. Waise apni ladaaiyaan kabhi bhulengi nahi 😊😊😊 aur ab toh hasi aati hain mujhe unn memories pa

**Bidish Ghosh :** Bro tune Apne Chemical department me liye jitna effort Diya hai, shayad hi koi aur hoga jisne itni Lagan dikhayi ho. Kaafi unique Banda hai be Tu; apan first year Techfest ke baad Abhishek ke room pe kaafi bakchodi kiye the bey. Take care man, and stay in touch :D

**Abhishek Singhal :** Tommy!!, I thought tu bahut serious banda hai but design project ke time pata chala mai kitna galat tha xD. Rathi aur sharma ki marne mai tu hi sath deta tha hamesha, aur I will never forget tera ppt mai "weight tons mai" wala statement. Apne itne saare nightouts for project bahut boring hote without you. Aur teri aur sharma ki love story sunkar maja aata tha hamesha. Wishing you all the best for future and stay in touch!!

**Patel Harsh :** Yo Abhay..! Kitna sidha h be tu.. bohot maja aaya tere sath sophie year intern me. Tiffin ke discussions, cab se jaaye ya bus, aaj jaana h ya nhi etc yaad rahega..! kabhi ghusse se baat krte nhi dekha.. Keep this attitude aur machate rehna life me

**2020**

**Puneet Kaur :** Hey Tomar! Idk if you remember or not, but you sort of helped me with material science ke ek do HWs! Thanks for that! 😊 Given how our dept is 😊, I can only imagine kitni mehnat and patience se tune DGSec and Class CR ka kaam kara hai xD Thanks for helping us get big chunks of holidays 🙏 Wish you all the very best for your future! 😊
