Sarvind Rankawat : Yaar words tough hein tujhey explain karne ke liye, you are a sharma ji ka ladka types material jo aunty's ka favorite hota hai. Tumharey kissey and puns ko jitna suno utna kam hai, tu patthar krta hai. You are my go to person jab bhee meko kuchh Khelna hota hai, yafir meko kuchh chahiye rehta. Hamare coding concepts toh aap hi clear karte thhey, and sun ne Mein aaya hai kee aadhhaa mech department aapsey hi padhta hai, fir bhee hum bechaarey civil walon ko maggu bolta hai tu. I will miss those random bursts of laughter jo poorey wing ko lit karde thhey, your presence is literally Joyful and I will miss that. Aisey hi random sprints lete rehna and miltey rehna bro!

Aman Singhal : Most reliable aur humesha khush karne waala banda. Jitna tu acads me machata hai utna hi tu sports me bhi machata hai. Infi enthu rehta tha tujhe, mera room door tha fir bhi humesha bulane aata tha. Kisiko anger management sikhna ho to Animesh se sikhe. Tere jitni khaane ki capacity aur kisi me nahi hai. Tere jokes ka level kabhi gir hi nahi sakta, kyunki isse niche koi kaise jayega :). Apan to Bangalore me bhi saath hi rahenge, wahan bhi pakaate rehna :)

Vedarth Choksi : Animesh! 1st year me jo i-card wala joke suna tha uska sadma abhi tak nahi gaya. Teri CPI ghar walo ko bolke maine infi dhaant suni hai jiske liye mai tujhe kabhi maaf nahi karunga 😂. Tera branch change 0.01 se katna was a blessing in disguise for us because tune infi help ki hai pure 4 saal 😂. Wo XLR8 ke time pure din try kiya tha aur phir bhi nahi chala uska dukh hai. But ITSP me 2 mahino ka project 15 din me khatam karke bohot maza aya! Tu puri wing ka psuedo DMAP mentor tha 😂. Goa and Gokarna dono trips me bohot maza aya! Tere pet ka kua kabhi bharta hi nahi! You genuinely care about people and you're a very understanding guy. Jab tu prof bane tab thoda chill rehna baccho ke sath 😊.

Arya Mithu Garg : Bhai, bas tu ek banda hai jisse mai alag level connect karta hu, jokes me xD (Respect, logo ke reviews affect nai karte bhai ke jokes ko). Bhai itna maggu hoke bhi itni backchodi kaise?? Koi sikhe to tujhse hi. Tere level vala calmness cahiye. Everything about you feels sorted. On a serious note, bhai tere jaisa banna hai bilkul chill. MM matches yaad rahenge mujhe, mera best player (Koi bhi lelo, Animesh nai milega tumhe :P) I really wish ki hum college ke baad bhi milte rahe and backchodi karte rahe, sath hi MS ke liye apply karenge :P (If bari ai to). Bas bhai ek advice hai, tu logo ko HiFi mat diya kar and plis un bhole baccho ke sath Kho-Kho bhi mat khel. Milte hai soon trip pe <3 Anyon

Shubham Jain : HI Animesh, It was really a long journey of more than 3 years together as a part of team Rakshak. You are a simple,hard working and a relatively chill(calm) person. Apart from excelling in acads, you have been able to lead Rakshak, and also not to forget about your sports activities!! I just imagine how good will be your time management, for finding out time for all these activities and giving your best in all. Also, the few times you have tried to crack a joke(pun), it was really hard to digest it at first but as the meaning unravels, it was surely fun!! And since now you will be working in a luxury car company, just don't forget us. All the best for your future, hope to meet you soon!!

Ganesh Chelluboyina : Yo Animesh!... I missed having you as neighboring wingie during final year. Because who else has both smarts and humor like you do? And you never shied away from having fun- I will miss your Frisbee invitations, which I used to seldom accept back then😞 and making the trip to Gokarna just before lockdown. Ever helpful, I cannot forget your help during Gre and all the countless endsems over the years. Hope to see you again soon!

Redasani Rushabh : Animesh Bro.....Life m jo bhi bole tere joke ache nhi h yaad rkhna unka sense of humour itna developed nhi h....Tere jokes to humesha best hi rehgee :) Tere Jaise life m chilled dbanda dekha nhi h and plis humesha itna hi chill rehna and tu toh har chij m excel krta hi h...All the Best Bro Have fun....

Arsh Akhtar Ansari : Bad jokes ki factory. Hope iss lockdown mein aapka sense of humour improve ho. I know all over these 3 years I irritated you a lot with my invasion of your schedule and space really sorry for that but kya karun tum apni baat zahir hi nhi karte the and m tujhe misuse karta rehta. Tbh I don't know how someone can be so selfless even while being highly functional and productive. Aapne bohot zyaada help ki h all over these years. Bangalore mein milte rehna and anime dekhte rehna and ubuntu install karle mere bhai

Arpit Kedia : Ani-one mere bhai! I am so lucky ki tu roomie ban ne ko ready ho gaya, warna shayad aaj mere CPI 5 hota xD. Itni comedy movies dekhne ke baad bhi tere jokes aise kyu hote hai xD. Teri chudail jaisi hasi sunn ke toh koi bhi darr jaaye. Tu bahut hardworking aur smart hai, par teri best quality hai ki tu sabse itne naturally open up ho jata hai, ekdum authentic rehta humesha. Aadhi raat ko neend nahi aati thi toh apne discussion kaha pahuch jaate the. Projects, cards, MM, treats, teri eating speed, frisbee, teri street, trips, tera gussa, sabki bitching, pura likh nahi paaunga. Tere life mein success hi hai, bas aise hi rehna, baaki milte hai, aur teri shaadi mein dance bhi toh karna hai xD.

Yash Lakade : Animesh, who doesn't like any mess in his room but likes hostel mess. I hope I've reached your level of jokes. But jokes apart, bahut cool banda hai tu, kabhi kisi se gussa nhi. Bas chill maarke zindagi jiyo, 9.5+ CPI lao, time pe khaana khao and so jao. But 4th year mein aake pura bigaad diye teko, sorry for that, your 1st nightout, endless games and what not. Thanks for saving us from Arya's driving on that trip. I never thought I'd say this, but I'll miss your bad jokes, though you seem to be getting better. I know tu trips k liye mana nhi karega kabhi, so here's to many more trips, milte rehna bro♥

Rupesh Leburu : Animesh duuudee!! What can i say that hasn't already been said, you're pretty much perfect at everything that it's honestly gotten a little annoying. Just maybe have some flaws please?? To pass off as a regular human? Our 20s are supposed to be for growth and maturity but you're pretty much already there. I'd say best of luck for your future, but you're the last person to need luck. Thanks for all the prep notes for exams, frisbee matches and all the "bad jokes"(never stop with those). Really hope we'll stay in touch, atleast for my own benefit. Just kidding... Or am I?

Abhijeet Banthiya : Bhai ! <3 Labs were much more fun because of your PJs in many labs that we shared together and of course I could never forget our cooking obsession at Purdue. Also, the New York and DC trip ♥ is something which will remain close to my heart. You are infi chill, fun loving and yet incredibly hard working person. Your down to earth nature is something I admire a lot. Always stay the same! All the best for everything that lies ahead !

Ravi Kumar Kushawaha : Hi Animesh, I had a good time working together. Your ability to fix things is amazing. You are so witty. Your PJs were impressive. Kafi milenge to team treat krenge. Don't settle for a job, pursue Ph.D. Best of luck.

Rituparna Samantaray : 8-B ka topper , this is how I was introduced about you. But then I got to know a dark secret about you- You and your poor jokes...OMG ab toh sudhar jaa. You are a brilliant student , always eager to help others, stay the same. Will always remember "The story of the porcupine". Would not have survived the first semester without your help, I hope you remember how you ran up to my room when you heard I was locked inside and the guard running after you. Stay carefree and cheerful just the way you are. Last but not the least "Main liliput nahi hoon" All the best.

Siddham Jain : Bhai mast aadmi he tu. First year se jaante he apan. Kabhi bhi baddy khelna ho ready rehta he humesha tu. Humesha cheeeful hi dekha he mene tujhe. First year me ED pass karwane ke liye dhanyawaad bhai. Stay in touch! Kabhi life me wapass baddy Ka session karte.

Karthik Vignesh : Tere hard work aur lame jokes school time se famous h aur luckily (or unluckily :P) tune usse insti m bhi maintain kiya. Tune apne motivation aur passion pure chaar saal sustained rakha. Kaise kr lete ho? Aage bhi tu life m machayega. All the best!

Himanshu Bohra : Padhaku launde, tera sports ke liye enthu plus curiosity towards knowledge will always amaze me the most about you. Manali trip pe bahut maaze kiye tere saath . I hope your future plans are successful and be the sweet, down to earth person always. Be in touch buddy ♥♥

Riya Singh : Hi Animesh! Having adjacent roll numbers, we were almost always in the same lab/project group and once you are in my team, I had no longer any worry because if a responsible person like you is there, everything is gonna happen smoothly. Apart from that, having you in my team also ensured that I am not gonna get bored because we always have something to talk about. From workshops to disassembly of washing machine to phy minor project, everything was fun overloaded with you. You have a perfect combination of chillness and sincerity. Always be this person :)

Praveen Saran : Me: bhai kya kr rha hai? You: Anime dekh rha hu. Me: achha thike hai fir mera SOP dekhle ya to BT sunle, LOL. Thanks for everything. You're one of the nicest people I have ever met. Bhai us din tu shi mai dusri Tie leke aaya, I was speechless. Tere jaise log bhut kam hai duniya mai. Intelligence and dedication to aap mai koot koot ke bhare hai sir. Be it acads, racing, or anything else sb jagah machaya hai aapne. Thode dhire chalo life mai and no jokes please :)

Anupradiksha Rajan : Help to kiya hai tune mera especially wo controls wale lab me. Tera sense of humour mujhe achha lagta, although Riya ko lagta hai ki tu bahut fattu jokes marta hai. Apni pehli baar baat bhi Riya ke through hi hua tha workshop me. Although tu mujhe proud lagta tha starting me, abhi thora kam proud lagta :P , kyunki group projects me mujhe nahi liya apne. Lekin Placement ke last day pe baat kiya tha and that was very much needed. Isliye baaki sab maaf :P. Good Luck

Vinayak Gupta : Yo bro! most sincere guy i have met. kaafi machaya tha mi main ab bangalore main machaenge. u were my sports buddy. apan mainly sirf goa trip main the pr abhi more trips coming in bangalore.

And kabhi meri zarurat pade toh bindaas yaad karna

Goru Meher Ritesh Kumar : Yo Onimesh, Thanks for your multi-cuisine food during our Intern. I have had a good time with you guys at Purdue. I learnt a lot of Hindi vocabulary from you (sabji - curry/vegetable (very confusing), Paththa gobi, cheeni). You are a gregarious person. The trip to Dunes, especially our conversations while climbing them and playing in Lake Michigan are memorable. All the best! and JLR jaake machaadena

A great mentor as you are , with a very positive attitude and helpful nature. Always missing the grades on the edge, the Branch Change by 0.01 of your CPI, the least count. A very sporty individual down for any sport at any time. Badminton and frisbee being the main ones. Being the one in almost every outing. Met with you when you came to Delhi for your brothers admission and had loads of fun. I had your nsep certificate shipped to me long before jee , remember. Bahut bada aadmee banega tu, bhool mat jaiyo hame.

Adarsh Rathi : Animesh bhai, Bhilai se hi tujhe jaanta hu and tere jokes ko bhi :p, bhai kitna sahi sense of humour hai and bahut pyaare comebacks. One thing I like about you is that no matter how much time it has been since we have met, it always feel like it was yesterday. You are a great friend, i know our interaction got limited but it's okay, we are still great friends. Remember the first days of insti, breaking the bat, insti tours and photos, NSO trials, God we were so innocent. Keep up the hard work bro, bahut machaega tu. Always fond of your company, so keep in touch and meet me whenever you are in the town.

Aayush Anurag : Animesh bro you're a very Stud-ious guy 😊.Apka level nahi match ho payega. Apne khatarnak jokes kabhi kisi ko bore nhi hone deta, mess table chats with you were always very fun. You're a true stress buster. US VISA ke process mein bhi help ki thi kaafi meri. Kaash 1st ya 2nd year mein hi mil jaata. All the Best and keep bombarding your killer funny content and lovely smiles.
