Swadha Sanghvi : Rashiiiiiii! the cutest and shortest self claimed motu of instiiii, I love u moon and back, from insti gossips to sports and to everything possible I will miss our mess talks and all those motivating discussions of life. Meet me soon and I know tu Modi ki side hai

Apurv Tiwari : E Summit 2017. PCSA ke saamne ek infi enthu wali freshie ek bored coordie (yes, that is me) se baat kar rahi thi. Koi aisi cheez mili hi nahi mujhe jiska enthu us enthu freshie ko na ho. Cut to today, aaj wo graduate hone wali hai, aur almost har wo cheez kar li hai jiska plan us din bataya ja raha tha. I am so proud of you for this! <3 Bdes aur Btechs ke beech ka bridge, I wish to reattend all the lectures of Sharmila maam, but this time with a non-overworked and awake kid :P

Shruti Iwanati : Team ki bachi Rashi Gupta! Still bade bade kaam karne hai. Team+IDC assignments sab ek raat mein khatam karna hai. I still miss our walks bro!

Kushal Agarwal : Sarhi!!!!!! Humesha haste raha kar, acha lagta hai. Itna energy tu laati kaha se hai, aj tak pata nahi chala. Summers mein tere sath catch catch khelna, and wing ke bahar pagalo ki tarah dance karna, it was a fun experience. Jitna time tu kaam karne mein lagati hai, kabhi utni der soke dekh, zyada maza aayega :p

Chirag Singhal : Ambitious, cheerful, cute, hard working are just a few words that fit you so perfectly... Your growth has been so tremendous while at insti, it'll impress anyone & everyone...Thanks for keeping me motivated in tough times...baaki to you know it all.. The whole team will never forget your activities and noob questions throughout the tenure and beyond 😊

Richa Agrawal : Rashiii <3 You are fam. We've had innumerable memories together. I've seen you grow so much in these 4 years, I love the enthusiastic, bubbly, academically focused girl you were in the first year and I love the understanding, kind, still super enthusiastic person you are now. I'm going to miss our dates and girls' nights the most. You are an amazing person who will do so well in life! We will stay in touch xoxo

Rishabh . : Raashi, meri northie dosttt, keep bringing tasty sweets everytime we meet 😊. I've not seen anyone as hardworking as you in insti, har team ki to PoR hai, it's always inspiring to see the dedication with which you work and how you've grown over the years. Thank you for always being cheerful and a positive person to hand around with and I'll really miss the gyaan full talks we have. All the best for future and milte rehna!

Karunya Baskar : Hey there roomie. Maybe we were never ideal together, but I've always loved you and adored you. You've come such a long way from blue balloons, well maybe not so much. I'm so proud of you. You've literally showed the world that you can just about reach any goal you want (except the top of your cupboard). I'm gonna miss that smile and those massive cheekbones.

Subha Govindaraj : Brooo, I'm really glad I made you watch Korean dramas. And even though I couldn't travel to Seoul and Jeju island, I'm glad you lived my fantasy. I already miss making my special comfort maggi to enjoy when those horrible rains, and internship workloads were a nightmare. Thank you for being that cute little human who always knew how to motivate me, and encourage me with either words or Pani puri.
