Aditya Dev : I still remember the first time I met you. You just started asking random doubts on PH XD. Such an intense maggu you were in your freshie year. Besides that, all we had were little noob guitar discussions. Little did I know I'd find an amazing friend in you. Thank you for carrying me back and listening to all my stories when I got drunk. (Remember the day I drank the shitty diluted old monk that you told me not to drink and lost it XD). All those lovely john mayer jams, fuck binladen, those bitching sessions, intense sexting involving satish during lectures (our chat history is an abomination), BEACHES N BROCODE, getting beat up, imma miss it all. Thanks for keepin an eye out for me <3

Animesh Singhal : What would I do without you, best bud? I've laughed, cried & made the best memories with you! Our journey: Summers, Bench near tansa, UK ke neeche room, ss fundae, 1AM H5 lawns jams, Music Arcade & Do I wanna know, Gyra ka toly <3, balloons-stones-police, MI scuba and HRC, yoga room medley jams, toilet accident, 4 AM jams-one love, Goonj-apni trophy, CG day-insti walk, PAF trophy, cat cafe studio, summer fitness, finally wingies, chutki, winter-Shaqeel-intern-MI jam, Catan, din bhar chill, Trapezium, Laxmi, cycle trip, H12 terrace, coke, cake, placements/IES, mitochondria, Shaqueel b'day, Day-2 phone call, dev's room-booze-music-dance-vigil, cards, Goa, covid jams! Sahil Pahal : Daaru kam chakhna zaada leta h yeh aadmi. but in all honesty, one of the most kind hearted people I know. exceptionally talented footballer and hands down the best foosball player of insti. the perfect roomie doesn't exi-

Drish Mahnot : Srajan bhai kaise sambhaala tune Sahil (and few wingies) ko itna time? Coolest person of your wing, amazing at football, hamesha enjoy kiya hai tere saath since freshie year!

Madhur Sudarshan : You were the first senior I got to know well outside of my ISMP mentor, and I am all the more lucky and grateful that that happened. I learnt sooo much from you as a freshie during arcade. You were always genuine, and had wisdom and thought put into things that made you an epic sophomore that I looked up to. All the arbit discussions we had then, I'd always look edforward to meeting you in the wing. I wish everyone were as fortunate to know a cool guy like you as their senior/mentor :)

Parmar Dhairya Dinesh : Srajan!!! this guy has a knack for excelling co-curriculars be it sports or music. Coolboy of the wing and the go to person for getting life advices. Goa wouldn't have been fun without you. Milte rain jaldi!

Shubham Jain : I would say that you have been one of the reason that i have been able to make somewhat of my life at IITB. It was you who was always there as a reliable partner standing with me whenever I want to participate in a competition, and helping me out into it whether it be Xlr8, RC Plane, Bridge It, etc. You were always enthusiastic about things whatever the thing we were working on. Not to mention about your moody behavior, but most of us got adapted to it. Also, the early morning merwaan trips that we had together the last semester, was because you praised it so much that i had to go their eating at least once. At last my apologies if I had offended you anytime which didn't came to my notice.

Sumitra Barhat : Yaaar sach me meko nhi jana insti chhod ke. Yaar apan teeno mast dost hai sach me. Koi coordie nhi hote itte sahi to. Kya chaman kaam nhi kiya apan ne. Movie partnerships to apni best hai dekh because saala tu bhi chup nhi rah sakta. Freshie year me cricket se leke soul curry wali waitress...haaye😂. Jabardasti mcD khana. Teri kapdo ki choice😭. And and neend leke bhi bhandi nhi jaati teri maan le. FYI I Love Shakeel more than you.

Aditi Mahajan : Hello Srajan. I love our friendship journey, which started with you being one annoying(very annoying okay) service coordinator to being a good friend :) MI days were the best tho, I had sooo much fun with you guys, couldn't imagine it without you. My favourite memory of us would be the convo ke bahar jamming one(I guess during Kaladarshan). It was soo lively and fun, let's do it again please? Stay in touch buddy(and make the cover of that song soon😁) and meet me soooooon. Loads of love💛

Hardik Murarka : Only person whom I already know before coming to Insti and kya coincidence tha yaar apne wingie bhi baan gaye. 1st year kai baad apni kaafi kaam bate hone lagi but hope we will catch that in the future. You are really very kind person aur mere se bhi jaada bakwass karta hai and thanks be tere kaaran Diwali pe ghar jaa paata tha :). All the best man !!

Vivek Sehgal : Yo man, I hope I am cool enough in this message it's difficult to match your coolness btw. We have spent great time during lectures and in wing. It feels nice I was able to convince you for insti elective which you are thankful now also. You have great voice and jamming was fun with you. You taught people how to deal with tough situations. I hope you admire my relationship advices at some point of time. Let's have one mental age test in future 😂. Hope you get what you want in life!!

Prashit Jain : Bhai.. sachi mai itna kuch hai likhne ko starting from those MI days complaining that you didnt take anything seriously to being best friends. Those nightouts in CS dept bitching about others to thodi hi bhulne hai. Also jo itne kaand kiye hai tune like bathroom mai gir jaana(bas khush nhi likha ki kya karte gir jana 😊) phone auto mai bhul jana sunny mai random bande pe chillana tinder pe random pickup lines try karna peene k baad papa types overprotective ban jana and random pics ki story daalke summi ke crush ko jalana 😂! Apni Rcity shopping jaha to hamesha sirf gay kapde select karta, summi pe ek do k saal k bacho k kapde try karna and mcds 😂!!

Jatin Chandawat : Srajan bhaiyya aap badhiya insan ho dil se. Baki memories to khair kafi sari h anti wing chats s leke grounds or mess tak. Lekin as Bhaneria correctly said "bolta tu bahut badha chada kar ki jaise macha hi dega lekin karne k time p hugga ho jata 😂😂" Bhanno k sath wo last kuch trips Vihar lake ya Merwans wo acchi memories hai. Pehli bar Merwans apan sath hi gaye the bhai. Baki bas machate reh life m. Keep working hard bro sabka din aayega. Good luck 😊😊
