Aman Sharma : Somethings can't be forgiven, we have failed to meet for over a year now. You're such a fun person to know and it was a wonderful experience to have worked with you. Thank you for providing perspective and this unexpected friendship.

Swadha Sanghvi : Hi babe!! I love your dresses and I'll definitely sneak in one day, you still owe me my clips from freshizza toh de de behen. It's always good hearing from you ki bhai insti ki doosre end par kaise chalti hai cheeze. I have always been fascinated by your artwork. I will miss those rants when all the IDC people were not able to work just out of laziness and no one had an answer to my "Wassup?". Anyway we are here for one year so we will have lots of outings! Don't worry :)

Rishabh . : Richa you've had a far larger impact on my life than you could imagine. We've had a long journey but how you've always conducted yourself has inspired me to thrive to be the best version of myself. You've been there for me at all of my lows and I'm lucky to have you accentuate all of my highs, across continents (okay maybe Amsterdam was tad bit too high). Thank you for helping me grow and keep being the Amy to my Jake and Claire to my Phil. Always be the dedicated remarkable person I fell for. I know graduation sucks but at least I get to take my favourite drinking buddy with me. Also, (insert AMA reference here).

Rashi Gupta : Richaxxx craxxx machaxxx!!! Thanks for being there, and standing up for me, whenever needed. You've been an inspiration for me throughout my college life, for acads and otherwise (iykwim 😊) I'm gonna miss our random talks that converted to our girls' night. Let's try and keep the tradition going 😊

Bidish Ghosh : I guess the only time we proper interacted was just before the interviews for design convener back in first year; that was also when I got to learn what orphan means in the context of text paragraphs xD I recall you as one of the most kind hearted people (this is based off on what others said about you too, I think) Hope you have a great life ahead!

Harsh Vazirani : It was indeed fun working on all those competitions from scratch. I remember you showing your sketches particularly a drawing of the Ujjain river bridge. You're really good at what you do, you're also the coolest IDC student I know. Best of luck to you too! :D

Raghav Goyal : Richa!! Shit yr! its been ages! seriously! I miss you dude really! MI wouldn't have been half as fun with you really! We had never each other met before MI and but somehow it felt like I had known you for a very long time! you are one of the sweetest people I have met! Thank you for helping me then! I really miss all our conversations.. really! I'm so glad I know someone like you :) Stay in touch! miss you :')

Subha Govindaraj : Richaaaa! You obviously know how much you mean to me. You are the best friend and the best roommate anyone could have asked for. I'm glad we finally had a brunch date before insti life fell apart. Even with our differences, and fights, I know I would do this all over again. I'm not going anywhere, love. Thank you for taking care of me and supporting me and for just existing.

Aarcha Suresh : Mannnnnn I'll miss your motivational talks and our rant sessions :/ btw, I think you are the only person you would call me fierce, lol.
