Kushal Agarwal : Broo!!!! It was fun hanging out with you after every exam going to YP gate 😊

Srajan Kumar Verma : countless memories, so much senti to give starting from the best friendships as MI cordies, checking up on me when I got sick after the falling, helping me watch the fashion show practice when the doctors asked me not to leave the hospital, all the McD, Soul curry, Sunny visits, random and targeted gossips, travelling long distance for those Mango deserts, getting drunk and lying all night in the CS building , sleeping to my guitar, bringing us mangoes, watching so many movies together, all those LCH exam time snackings, celebrating birthdays, nicotine patch bets and what! thank god for Mood Indigo that we met! you know i'll text the rest bcz summi ko bhi include karna hota hai :P

Veerupaksh Singla : Transport coordie. S1 me Namoon ki lena. exams ke time main gate. Puneet se gaali padwana mereko 😊. Lectures me backchodi. Memorable days!

Soham De : Kaafi friendly banda and looks really innocent but later discovered that it's exactly ulta in reality. We had kaafi plans like Dota and other somewhat shady stuffs, but Corona happened and the former can't happen now xD Best wishes and Oracle machana baccha. Milte if you get posted in Bengaluru.

Harshit Baranwal : Aur wing ke n**ge jain!! ;-) Mujhse jyada toh tu non-veg ka fan hain! Lekin kuch bhi bolu tu saale jitna pyaara hain shayad hi koi hota hain!! Saale saari bakchodi karne ke baad bhi tere number lane ki main sadev taarif karta rahunga!! Bas aajtak tu kuch bhi khana ghar se banwa kar nahi laya yeh adhura reh gaya hain!! Ab tu Software developer ban jayega Oracle mein, bas bhai yeh yaad rakhna ki main hamesha tere saath hu aur tujh par garv karung, aur agar kabhi bt ho toh bas call karna sochna mat!! Bas ab ek bandi bana le be gore, 80% insaan hamne 4 saal mein bana diya hain baaki 20% wo bana degi!! ;-) Dost bohot hain mere par bhai sirf kuch diye hain insti ne mujhe aur tu unme se ek hain!! <3

Vedant Ladha : Bhai tere bina LCH night outs + 4am chai wouldn't have been the same. Thanks for helping me pass mass transfer 1 🤔 Sorry for that lunch at Laxmi (during placements) 🤔 Plan hi karte reh gaye lekin kabhi nashe nahi kiye saath mein 😊

Naman Chindaliya : Let's begin with facts, I am better than you at TT. I am smarter than you :P(Maybe). You are very kind and helpful. We always teased each other for everything. One of the special memory is my last insti birthday, I'll never forget that lethal GPL. You were the guy I trusted a lot and shared all my problems with. Also, we used to study for endsems and midsems together. You are one of the most chill person I've met in insti. Also, the placement week deserves a mention here :P, it was so crazy. You were a very speical part of my Insti life.

Rishika Gupta : Tere jitna down to earth and humble insaan maine life mein nai dekha 😂 time rehte apne organs ka khyal bhi rakhna seekh ja. Jokes aside, I don't even remember how we became friends. We are poles apart in every aspect. I am glad you came into my life. You have seen the worst of me and supported me without judgement. The way you taught me MT and most of the courses just before exam. You were always concerned about my diet and sleep just like a father (like you want yourself to be called 😂). Mooh boli family will remain close to my heart forever ❤️ Hopefully, soon you realise we talk sense too 🙌 and BLR mein milte jaldi se 😂
