Roasting panna, playing poker, tera paagal jaise physics padna😂, 16 ki infi canteen chats with pepsi♥, daily GPLs in December 😊, ye sab me kabhi nhi bhulunga. Although next 2 saal me jyada interaction nhi hua as H4 walo ne hug diya tha room allotment but firse last year me humne infi b\*\*\*\*\*i ki. We played almost everything in the last year and hope that we can have atleast one more poker night followed by tattti breakfast before it all comes to an end. BTW, I am better at pool than you😎 and do stay in touch P.S.- Hotstar and Netflix ke accounts kab de rha wapas mujhe 😊😊

**Satyam Rai :** Hey bro!! Really gonna miss you. Especially those Counter Strikes night, those poker night and discussion about comics and superheroes and of course GOT. In last few days, poker me infi me maza aata tha. Wo mobius chair wala yaad hai😂😂. Aur tu kya sota hai bhai like a 'Vampire in the coffin' type😂. Hope we meet again man. Next time poker real stakes pe khelenge warna jisko dekho all-in kar deta hai😂.
