Rishabh Agrawal : Hello Aayush! I just want to say that there is always positive energy every time after I had a discussion with you. I always feel motivated and get somewhat clear in my head of what to do next. Your suggestions and advice are invaluable. Thank you for being so wonderful ❤️. Hope to stay in touch always 😊 P.S - Na trip ho paayi, na valfi but hopefully Convo ho so that 4 saal ka safar ek bahut ache note pe khatam ho 😊

Mahale Chaitanya Rahul : Juniors tujhe kitna bhi bada motivator maan le, asliyat me tu kitna hagta hai wo to bas team ko hi pata hai. Jald galliyan Dene wali kanya dhundo aur patta bandhlo gale me. Majak kafi hogaya 😊 Bhai 'tu ideal ctm hai' ye sunka jitna self esteem upar hua thana utna kabhi nahi hua. Raat bhar batiyana, insti ke infi chakkar marna aur dosto keliye tatti movie bhi dekh lena (adhi 😊). Apna pain batane se pehele hi tu aagese puch leta tha bhai. I'll miss all of this! Aise hi bhole bane reh aur sabki care karte reh, ajeeb sapne dekh kar share karte reh, milte rahenge ♥

Abhay Tomar : Aur sharma, ye to maan le ab ki neta to tu hai hi 😂. But some perks of it being, whenever I had to know about a particular topic going on around insti (or any other thing for that matter), sharma is my go to person 😊 and that has helped me a lot 😊. Interview prep? Sharma! Meets me kaise present karu? Sharma! Prof ko kaise approach karu? Sharma! Even life me ab kya karu? Sharma always has an answer (han lekin acad ke doubts ke liye mere paas aata tha tu kabhi kabhi 😂). I have been blessed to have friends like you ♥. Vo wing ke saath vale night outs, room pe baithe masti, forever memorable trips, sab yaad aane vale hain. Apna trio is also forever :p PS: doosro ke saamne chhati chaudi karne ki aadat teri gayi nahi abhi tak 😂

Ayan Choudhary : Super kind and an amazing person :D NSO me kitne baar same team me rehke machaya hai bhai apan ne aur tere batting k funde gazab the xDD Stay in touch :D

Siddharth Mehta : I've no room for hostel senti, but somehow tujhe dekhke actually H3-H4 ki rivalry spark hoti hai. My tenure encapsulates one of the best memories of my insti life and you were sadly a huge part of it. Thanks for fighting and criticizing me during every meeting just so I could come up with better and better ideas. However long I live, I'm never gonna forgive you for spoiling Avengers: Endgame for me; sooner or later, you will die for that.

Raj Gautam Kumar : Yo Sharma..the storyteller!! Your stories 🤪 You are so mature and friends ke liye infi senti hota hai tu. You always motivated me in every possible way. During placement I was feeling so low you are the one who kept me going. You are so caring and sweet that sabhi bandiyon ko tujhme bhai dikhta hai 😊 Teri threshold 😊 waali baate never going to forget. Late night LC, morning me dosa, H2 canteen, wing trips..miss karunga tujhe hamesha. My Gsec election, it will always remind me, you as a politician. Sorry for your BT during Goa trip and placement 😞. I can't imagine my insti life without you♥. Calls pe story sunate rehna and tujhe hamesha roast karte rahenge!! PS:-Whenever, I need hamesha padeshan karunga tujhe, whether you like it or not!!

Patel Sayan : Kisi din fir aayenge H4 ke laundo ko cricket me cheer karne, bhonpu leke. Ye to kar hi raahe kuch bhi ho jaaye

Mayank Sultania : Brother is the right word. Roomie for 3 yrs ... mimicry, Adarsh ke saath exam prep, subah minor ki class ke liye tereko manana, Sule ki maze lena and tera cricket ka prem... hamesha yaad rhega! Sona kaam kar de ... jaldi hi milte hai, Cheers!!!

Swarali Ghodkhande : Yo Sharmaji ka Beta :P All those canteen gossip sessions in IPDO wouldn't have been half as fun as they did if it wasn't for you. Thank you for being so helpful and caring at our hard times at DRL :P. Keep rocking at cricket, as you always have been and stay in touch <3

Bohra Ankit Narendra : Sharmaji....apna first interaction intern pe hua tha...those 2 months were just fabulous!!...Roommates hoke infi discussions, secret sharing, cricket matches dekhna...ghoomna...nicknames..memes banana...intern pe apni bonding bahot badh gayi♥. DRL wouldnt have been the same without you. Aage bhi cricket mein and life mekn machate rehna! All the Best!! Stay in touch!

Yash Kothari : Yo ARYA STARK (atleast that's what you think of yourself, right? :p).1st year me saath me NCC aur fir orgies the TF me aur kaafi maze kiye. 2nd year se wingies bane and I found one of my best friends in you. 2nd year me tere room pe hum chaaro(Sule and Mayank ofc) ne kitne maze liye ek dusre ke, mostly Sule ke though :p . Wo almost daily ke late night conversations and basky field pe kabhi bhi cricket khelne lagna was so much fun yaar. And Midsems aur Endsems ke pehle ki raat ko bhi 3- 4 baje LCH se aake pads aur gloves pehen ke season ball se khelne me alag level mazaa aata tha. Tujhe aur Rathi ko thanks third year me apne wing me room jugaadne ke liye. I will surely miss those late night "chal yaar H2 canteen chalte hai". Cheers to all the small trips and outings that we had but ek bhi badi trip nahi ho paayi :(and Meghalaya trip ke katne kaa tab tak dukh rahega jab tak koi achchi si wing trip nahi hoti, wo karvaane ki zimmedaari teri rahegi!! Baaki connected to hum rahenge hi tune itne reunions jo plan karke rakhe hai.

Harsh Vazirani : Tu ek banda hai insti me jisko main jaanta hun jisko infi hostel/ team/portfolio senti thi. I remember apni late night H2 canteen ki conversation, when I got angry at you for no reason, and the point is, tujhe bura laga aur tune mujhse baat kari baadme. You care about people, you care about your friends, you are sincere about everything. And I respect that. 😊

Varun Sule : Hey Sharma, tere actual poltu skills ko recognize kara tha maine I hope tu unhe use kare aage life mein. Room no. 72 and 74 was a uniquely happy time altogether, I wish we hadn't been pushed away in 4th year. Tere saath kitna gossip kiya hain. That Arya Stark thing still makes me cringe after almost a year. Thanks for all the pep talks and motivation you provided me whenever we had those small conversations just going through the day, those had a monumental impact on some decisions I took. Stay happy and smiling as you always do, and jaldi hi milte hain yeh sab lockdown khatam hone ke baad.

Khidir Usama Abdul Karim : Sabse senti wala gandhu hai tu SARC ka, sabko pata hai re yeh but usse bada bhosdiwala re tu, insti me cycle chalte hue koi nahi thuka hai aaj tak bolke agle din thukne wala chutiya hai tu, senate ki meet ke pehli result bataane wala feku hai re tu aur ek tv series dekhke sabko recommend karne wala gadha ha re tu. Raat me bina soe exam dena tujhi se seekha mai, H16 me kaafi bakchodi ki hai aur woh minor ka probability wala course jo tu soke nikaala appne aur bhi kai. Acads ho ya life ho, har chiz k funde hai tere pass. Bhale hi kafi baar tere bakwas jokes kyun hi na sunne pade. I don't think anyone can argue with your SARC and hostel senti. Tere aur baheti ki ladayi kitne entertaining tha yaar, kitna acha taunts aur comeback lines dete h tu. Sharma, tere senti k liye to infinite respect h. Senti might not be always the sensible option and you know it as well, but still the loyalty you show for what you believe in is unparalleled. Vo hardwork aur dedication bhul mat jaana, I have seen how determined you can be once you set your eyes on something. PS: do you remember the discussion we had in baski court in H

Aniket Bhatia : Yo!! You're this happy sweet person who's not afraid to be himself in-front of others. Your cricket is amazing, and your laugh is so typical and genuine :). Machate rehna and all the best!!!! :)

I dont think insti me koi aisi jagah hogi jaha apan ne bakar na kati ho 😊. The reason we are too close is our thought process, which is 90% similar and the unmatched 10% makes our combo even better ♥. Mujhe 2 incidents humesha yaad rahege jab me almost ro diya tha tujhe dekh kar, pehla H11 ke bahar tera accident and dusra day-4. The thing that I admire most about u is your optimistic nature and ability to take decision (Inter IIT wala bhi sahi tha, koi kuch bhi bole). Aage bhi infi machate rehna and no doubt lyf time touch me rahege ♥.

Golu . : On top of my mind, the first thing which comes to my mind is a memory of my CTM year, and 5-6 of us sitting in front of H3 sharing all kinds of gossip. There started the first brick towards an effort to bring team HDA closer. And looking at you the very next year putting even more efforts in putting that together made me even more proud :D I have always believed in you and you never failed to prove yourself. Although we had some conflict of interests, but that's what made me respect you that you've always viewed everything with a fresh perspective. I know that we'll always be connected, no matter what <3
