Aniket Prajapati : You always surprise us with your kaands xD You never talk much but time spent with you is so relaxing. Our walks, boat house trips, baddy boizz ♥

Ayan Choudhary : Insan badhiya hain zara shaant rehke admire krna pasand krte hain xD 86-87 roll number hone ki wajah se 1st year se hi sath hain. Ek jagah tik kar baithne k shaukeen hain :P lekin badminton khelte time achhe accho ko rula dete h apne agile moves se. Dileri to itni hai ki bike se(that too without helmet) bandra-worli sealink ki sair karva rhe the and modesty itni ki sath rehke hawaladar se maafi bhi mangi. Chandigarh/Jalandhar jane ki iccha humesha rehti hain inki kya hai ki sondi sondi thand ki baat hi kuch alag hai us jagah ki xD

Somansh Chordia : Sahu ji pranam_/_. Aapke jaisa misleading appearance nahi dekha maine kisika😂. Agar aapko personally nahi jaanta toh aapke prasiddha kisso par kabhi vishwas nahi hota. I never knew Insta premium existed until I saw your feed😂. Baddy sikhane ke liye dhanyavaad. IIMC ke interview me nahi jaa pata mai agar aapka sath na hota. Sath marwake maza aaya tha😂😂. Aise hi machate rehna, I'll obviously stay in touch for the unbelievable stories. All the best Sahu ji😊

Aditya Patki : Sahuji, studness ka bhandaar ho yaar aap. Aapke dad bod par kaunsi bandi kabhi fida nahi hui hai. Aapke tech-skills se toh mai aur paaji bhi chup ho jaate the (MD project). Aur don toh the hi aap wing ke. I guess itni badhayi kaafi hogi. Thanks for (eventually) allowing us to use your room for lukkha in the last year. Man-pro ka project karne me infi maza aaya tha, yaad rakhna hamara copy karne ke hi marks mile the woh. Thanks for the placement support man, uss din ka sabse ace runner raha hoga tu. Bhai, but itna sab hone ke baad bhi ek treat toh pending hai teri.....please de dena, ab toh ek chill job bhi hai.

Sakshi Dayal : You will be one person whose graduation I will regret the most. Sleep talking to you until we both run out of everything. Kidnapping you for treats at any hour of the day. Walking around the campus until legs decide to give up. Your "Aur bata life me kya naye siyappe chal rhe?" and then patiently listening to my dramatic narrations. Your intern diaries with you watching gujju movies with gujju 'friend' xD. Gossiping with you on the way back from buying lab stuff. Amazed by your easy effortless explanation to every logic problem (I still don't know how you manage to that!) It was never enough, nor it ever will be.. You're not getting rid of me anytime soon! :)

Vardhil Mehta : Sahu! Pata nahi insti me kabhi kisne tereko Aayush keh k bulaya hoga! Bhai tere room pe jo bakaiti kati h uska koi hisab nahi h. Sahuji aur uski frnds k lit kisson ki bat hi alag h, Sahuji ka lit insta stuff, vo after dinner walk! Waise to alasi h tu (:P) but suna h bady bahut a66a khel leta h tu. Bahut hi chill max banda h tu but jarurat padne pe kam bhi kar leta h. Vo jo Bokri ne tera gangsta vala meme banaya tha na, vo me hamesha sambhal k rakhunga. XD

Arpita Mishra : Hii Sahuu! You have always been a great friend!! :D Many more ice cream treats are pending :P Wish you all the best for your job and future ahead! :D

Chinmay Kalra : Sahu ji!! Mile toh I think hum Ankur ke through the, during RC plane. Bhai, RC plane toh pura tune aur Ankur ne hi kiya hai. Maine aur DVD ne toh jhaat kuch nahi kiya. Sorry for that 😂😂. Baad mein bhi jab bhi hum H5 canteen mein milte, mast bakchodi hoti thi. Tu bohot cool aadmi hai bhai, aage bhi aise hi rehna. Thanks for all those memories!!

Divyadarshee Das : Sahu bhai!! Yes I remember our days in TT room, together as a team in the RC plane project - This was so good that I had to put it in my resume. You and Ankur made your every meeting enjoyable. Sorry for breaking your rackets but let me tell you it was vora. I have always seen you smile even while giving gali to Ankur or kalra (rc plane). Keep spreading that happiness. I too regret that we couldn't meet often after the 2nd year. Let's meet up soon.

Rushabh Vora : Sahu Sir! Kaise ho sir? Sare convos apne aise hi start hote the 😂. Apan mile shayad Ankur ke through TT khelne ke liye and uske baad se apan tino ne bahot maze kiye hai. MI coordie tenure me teri wajah se hi me hospi me aya tha♥ and that was great! Bahot calm and cool hai be tu and hamesha hasne wala! Aise hi rehna bc and kabhi TT me haarna ho to bhai ko yaad karna😎. All the best for the future and kabhi VC karte hai BC!
