Shruti Iwanati : It's because of this person I actually started liking Green Tea. The negotiator of the Wing. Always ready to debate (or fight in simple words) at the first chance. Anyway, love you bro <3 Next wing trip Amsterdam :P

Manit Rathi : Thanks for helping me pass all those lab courses Lab Partner :D Congratulations Optiver ke liye :)

Rohan Garg : Still can't believe it's been four years since I saw you on those steps in OAT waiting anxiously for your surbahar audition. Through all our phases, we have remained constant, and I love that. You were always there whenever I needed an ear, and I hope that we go on like this for years to come! <3

Riya Singh : Freshie year wingie jo kabhi wing me dikhi nhi..

Drish Mahnot : Idk you very well but you seemed nice

Pratyush Ragini Singh : We couldn't do more gossip sessions but whatever little time I got to spend with you was lovely. You're the kind of person, who's so easy to open up to and who is an eager listener. You're very friendly ♥ Those 2-3 days were some of my best in a long time and I can't thank you enough for that. Always stay this warm person with open arms to everyone. 😊 Take care and be the machau you've always been 😊 P.S. I really wish I got some more time to spend with you girls. 😊

Aditya Saurabh : Yo Kavya! We have known each other from the sophie year, and from that time I couldn't imagine that we got along so well. We bonded together so well, especially when we handled OLI together, I have to confess it was too much fun working with you. Third and fourth year, almost the whole time, you constantly gave me such wonderful advices. Sorry, for troubling you that much :p, but all well that ends well XD. 'Havana' was soo good.. All our trips, outings etc were full of such interesting talks. These were the memories that I would cherish for lifetime. 'Sabarmalai' debate went all wrong (ofc you were not ready to listen :p). Ahhh, word limit reached, but you know how this goes. ATB for future

Asha Kumawat : From directing me to the lecture halls and workshops in first SEM to walking together for everything in last year, all I can think of is how we were destined to be this good friends. Last year was surely most memorable and fun and I'll always value how it all started, how your room became a home to me, how hostel 10 wasn't suffocating in last year. And you don't know how much I get teased by my parents for not matching with your enthusiasm level when we met for the first time and how happy they are for me being good to you :p. From letting me be the bad influencer in 7th sem to becoming a bad influencer in 8th sem we were so great at convincing. Baba, I'll always love you & be there for you

R Sucheta : Dude, me kya batau! Tu kitni wise, smart, understanding and patient hai. I never hesitated to share ANYTHING with you. And it always turns out great! I am really blessed to have you in my life, a great roommate who doesn't have any issue with light ya sound XD, who is up for late night talks about world, politics, gossiping, bitching, mentoring, last moment studies (and iske baad bhi tu exams me macha deti thi), who takes me to have my first drink pushing my life to an adventure. <3 I really wish we had more time together as roomies but nevertheless I am glad it happened and I admire you more than you can ever think. All the very best for Optiver and we shall stay in touch. ;*

Nisha Brahmarkar : Yoo Kavyaa!! You are one of the most focused and dedicated person I have met in insti. I really like your straightforward nature. We did not get to interact much (I do regret that) except for some fun courses. And yes “charkha” will always remind me of you :) Be the sweet and nice person you are and all the very best for your bright future! P.S. One more time - I love your recent coloured hairs ♥

Pokkuluri Mohana Madhumita : Heyy Kavya! I always loved our looong discussions on some deep stuff where I got to learn a lot from you...Also wing nightouts were good(the one with the Hlghway movie), hope we had done more..I have always felt comfortable with you and can't thank enough that you have agreed to come to the trip (sadly we didn't :()but that definitely meant a lot! Hope you reach great heights in life..Take care dear!<3

Himani Gangurde : Although we were in the same team for a whole year, we started spending a lot more time together after the tenure 😊 especially from the mall incident, and that was a reeeally memorable trip!! All those once in a while outings have been a true bliss since then 😊 It's always fun to hang out with you, and I'm really going to miss those outings! Baaki to apne last trip pe kaafi senti de hi diya tha 😊 and all the best for the future 😊

Mayanka Medhe : You are one of the smartest and kindest people I know. I am so glad that you chose to sit with us during the Goa trip. That was one of the best trips so far. I hope you get all you want and more in life. Stay in touch <3.

Shubhankar Mihir Seth : Hey Kavya, got to know you through Priyanshi and then you became such an integral part of our magical freshie year group. I'll always remember the deep, sensitive and sensible conversations we had back then, over swimming and poetry and late-nights at Marine Drive. I'm proud of everything you've gone on to achieve, and I hope there are even bigger things in store. Stay in touch!

Yash Shrivardhankar : Ouuukay! I know you'll be there when its time to chill! Cheers to all the good times!

Namya Bagree : It's been so long since you were the not so quiet girl in the Goa trip! We became pseudo roomies and what not in the years after that. From sorting petty fights between you and Drish to going out to restaurants (where you'd eat sharks and weird stuff), it's always fun with you! Keep skipping quizzes/labs so that you get motivated to actually study 😂

Yash Kadam : Yo Kavya!! if someone asks me, who admire the most in your batch, it is you. You never hesitate from telling others your opinions and I admire really admire that. We made a lot of memories, the 4 NSS AAs, in your words "somehow we fit in so well". I wish we get to have one last after party! Lets stay in touch, and I promise mere PJs tu kabhi na bhule XD

Rucha Pasalkar : Kavya yaar! Kabhi kabhi kafi darr lagta hain tera XD I like the way you think, and how they way you take decisions. Honestly, loved having you as wingie! Also, kisiko itna jyada enthu nahi dekha auto pakadneka ya DMart mein bag ke 15Rs bachaneka XD Maja aaya yaar sach mein! Teri yaad mein green tea piyungi main! Lots of love!♥

Swadha Sanghvi : Mast insaan hai bey tu. Itna chill and super intelligent. Damn. I wish I could be like you. I hope you achieve great heights. I remember we took our first insti tour together. Kaafi sahi tha yaar. Sorry for overreacting in the 5th sem. That was just me being stupid as usual. I am glad things got normal and no hard feelings bro 🥺. So kill it in Amsterdam because u deserved it 100% .

Chhavi Verma : I can never forget that room party after Midsem jiske wajah se apna wing itna close hua. Bahut maja aya fourth year me jo time spen kiya apan ne, gossiping sessions, tera last moment interview prep, wing outings. Stay in touch <3

Maitrey Gramopadhye : Yo Kavya!! I remember hum sab kitne randomly hi goa trip pe bus mai mil gaye the XD. Tabse you've always been a constant throughout insti life. Tere sath drunk hoke bhi bohot feel ati hai. I'll miss humari goa gang ki outings. Baki all the best in life and keep excelling like you always have! :D
