Vikrant Nagpure : Bhai, kitna r**d* rona karta h tu?! Har chij me itna pain mat liya kar nhi toh first year ISMP wali kahani sach ho jayegi xD. Vaise mere last sem kafi projects pull off karne ke liye thanks! Placement season toh kabh nhi bhulunga, phase 2 phase 2 bol ke day 2 pe place hua h tu! Ab life me chill maar, ameeri jo aa gyi h tere pass! Abhi bhi teri aur anumay ke saath chat me khub maza aata h. Stay in touch!

Sakshi Dayal : Brains with humility :) You are amazing and undoubtedly, the life of our lab. You shall be missed a lot!

Kapil Shobhnani : Tere baare mai kya hi likhun, you will always be remembered as cry baby of the wing. Char saal mai bohot saari chije badali, buttt tera rona humesha hi constant rha. Har saal ek nya topic rone k liye 😊. Academics was impossible without you brooo be it any assignments, quiz, midems or endsems humesha tu hi pdhata sbkooo. And the last sem was a roller coaster ride, woh test k bad rona bhai timeout error aa gya, mujhe syntax yaad nahi aaya, bhai knhi shortlist nahi aa rahi 😊. Apne itne saare random discussions mere room p from bandi to married life humesah yaad rahenge. And tera woh face brownie khane k baaad 😊, kya mast BT hui thi tujhe. Jaguar mai ghumke wing ko bhul mat jana and humesha apni kripa barsae rakhna.

Amarjyoti Nayak : Well, if you remember, I once wrote in our WhatsApp group that "Swapn me jo ill he, wohi Swapnil hota he." You can call it a PJ. But frankly speaking, you are one of the most sincere students when it comes to hostel life. You don't waste much time and are always in a war that is about winning in academics and planning and analyzing about going higher and higher. Your room was beside my room in last year. I liked your regularity. All the best wishes for your life ahead.
