Kenrick Pinto : I hated you in the first year because you used to call me Peter. I think hum acche dost second year me bane jab tu mere room pe bakchodi karne aata tha and we used to roast each other. I miss all those exam nights when you came to my room to study but we ended up watching football, and you used to make me get chips even when it was your fucking turn. I miss playing football with you and Akhil. Ek last baar khelne nahi mila sadly. I remember we used to sit in class together in the third year and have so much fun. That was such an amazing time. I hope we stay in touch and watch a game together someday. Chips tu leke aayega bro, teri baari. Will miss having you around. Take care.

Arya Mithu Garg : Bhai tu kum milta, but jab bhi milta hai sidhe gale lagata hai, feels like itna time nai hua tujhe mile hue. It was really nice ki tu aya Mahabaleshwar sathme, accha laaga and accha hai baat chit hui apni sabki. Vo hotel ke bahar balcony me baithke raat bhar baat cheet <3 Awesome tha bro. Tera posting kuch zada hi alag hai but I hope jab bhi milenge we would have the same feeling, "Zada der nai hui mile" <3 I hope milenge soon

Thangellapally Aman : You are one of the clear headed person I know bro, I will always remember the daibetes tests we did in first year 😊

Vishal Jain : Bhai as usual end moment pe sahi kaam kar diya tune. Muje ab tak yaad nahi ki maine waisa bola tha first day ko 😂. Aur kuch ho na ho, roommate ka music taste similar hona chahiye - nfak se le kar kendrick lamar tak, the lumineers se le kar cigarettes after sex - best tha yaar ye time. But "thike yaar koi na tum log enjoy karo" 😊
