Himani Gangurde : I might or might not be as great of a person as you're making me look 😊 You let me live in your room in those extreme rainy days, so I'm grateful to you as well! We had really good chit chats in the mess 😊 You're one of those very hardworking and determined people I've seen! I truly hope you achieve all those goals, and a very good luck for your exam! 😊 Stress thoda kam liya kar, and always be the chatty person that you are 😊 We'll definitely keep in touch!

Anupradiksha Rajan : First year me mene socha bhi nahi tha ki ye ladki ke saath itna gossip karungi. Hostel council ki burayi karte karte(council meet ke Baad canteen ke free khana khat time) apni Dosti ho gayi. Apun kabhi gossip ke alava kuch kiye hi nahi honge...usme bhi hum sabki burayi hi karte the, Lekin vo kafi jyada stress busting tha(I know that's evil.😞).Tera mess rebate bharna miss karungi 😊!!!All the best, aage bhi machana!!❤

Karthik Vignesh : Yo chota sar! Anything I write here won't do justice to these 3.8 years XD. You have always been my guide and support. Will never forget Saraswati puja (btw kaisa lga), meningitis, odia diwas, chuck-e wale games et al. Forever be cheerful and as focused as you are and I know you will do great things ahead. Gosh, enough praises for you ab jaake padhle XD

Animesh Singh : Ab main toh bahut pehle se jaanta hu toh school se timeline start karunga ... When you entered our school your nick name was "the girl who can recite the whole periodic table" xD. From there we came to you you as a singer and then many more. Insti mein bhi aake gaane ke liye masoor toh ho hi gayi. What never changed was your fun loving and considerate nature. Keep up your hard work and I am sure you will do well in Civil exams. All the best :)

Vibha Srinidhi : Heyy Rituparna! I can never forget youuu <3 You were one of those ppl who helped make insti feel like home to me, cuz I didn't know a word of Hindi and didn't feel like I fit in. I'll always remember all those gossiping sessions in first year, getting ready for pool party, celebrating Diwali away from home..you, me, Kajal and Yamuna dressing up in traditional clothes. And yes, we didn't talk a lot after first year, but hopefully we'll stay in touch in the future! Wishing you lots of success ahead!

Shubham Jain : Hi Rituparna, well i just know how tensed you are even over trivial matters, but i know that your emotion swings in an instant asa the matter gets resolved. Just take this life more chill pill and enjoy it to your fullest. And haan tujhe diplomatic banne ki bhaut jarurat hain, I hope you still remember the free advice :p. Anyway, all the best for your future endeavors and I hope you achieve your goals and serve the nation!! :)

Arpita Mishra : Hii Rituparnaa!! Kou bhasha re lekhibi, Odiya, Hindi na English :P I was so so so happy to meet another Odiya girl in insti. And sebe tharu, aame kete thara sunrise dhaba jainkiri chicken khaichu. Then gullu, Saraswati pooja, our gossiping sessions started the moment we saw each other in mess and sat down to eat together. Our walks near KV and lakeside and so many things to talk. "Ye ya karila, siye tah karila, baapre, ki pila" XD And the best thing is no one was able to understand anything!! :D Later on Anu also joined us and we all shared the pieces of information we had XD. You gave me some amazing memories! Future pai all the best!
