Rachana Meena : Et tu? ShrAvAn?? Ruko zara abi, abhi to 'placements' me sath baithna hai :D

Kosuri Sandeep : Yo shrvan! Team meets tumhara points rakhne keliye, the way you defended sabko yaad rahegi. You always ask me, ek idea hai try karna hai kya? Couldn't work on anything though 😊. Learned a lot from you during the tenure. Milte rahenge bro.

Abhro Bhuniya : Shrvan bhai! Had the utmost respect for you since our BT times and I was super glad to know you were joining me in IITB. These 4 years were a whirl, but I could always talk to you about any matter. Thanks for being there and hope we meet again and again.

Praveen Saran : Yo Shrvan! I'm glad ki tere jaisa co mila ek saal sath kaam krne ko. Machana to koi tere se sikhe, 2-2 startups and poker master. Bhut kuch sikha hai tere se. Respect for your attitude of being straightforward in life. Wish you a great life ahead!
