Arush Gupta : Hello Gonesh. Eye lob u <3 <3 <3 <3 Eye will never forget how we used to talk in the streets and how our conversations would get me cracking in the middle of the streets and people would think that we're insane. We will do that the next time we meet, too. We will keep meeting and keep laughing like crazy (in the streets, because otherwise we won't get judgemental looks from people walking by, and that's not much fun now, is it?)

Ayush Dubey : Hey Ganesh! You're the only one I know hasn't ventured outside Insti for any dineout. Cheers to coming late to all exams, perhaps endsem couldn't take place because they didn't want you to be late again :-p. It would have been over a year for our startup had you joined but you didn't :(You've provided many invaluable insights right upto my current SLP. Hope that we stay at the same level of camaraderie forever, and someday become billionaires together! All the best

Naman Aggarwal : Sri Ganesh! You are one of my best friends and have been with me right from Day 1 of IIT Bombay! I've shared all my defeats and successes with you and you have always been there for me. You can come across as a loner but not to people who know you, you can be pretty chill and fun-loving. I will never ever forget all those Tennis matches in the last sem. Although adept in scheming and plotting (just kidding :P), there is an air of seriousness about your work around you. Looking forward to a lifetime of friendship. All the best Ganesha, you'll do wonders in your life. PS. Har dhakka zaroori hai Ganesha PPS. Beedi peena chhorh de bhai PPPS. Wimbledon 2030 #WhateverItTakes

Krishna Wadhwani : Sriganesh!!! Aero's Jordi El Nino and beedi king😂😂 Light "following" bot and the lab were a good experience😁. Will definitely turn up for Wimbledon 2030 for our doubles matches😁. Honestly, I really enjoyed our increased interaction and tennis matches in the last year ♥. Keep banking and practicing tennis!! #TennisBois

Pujan Biswas : You literally are in my room in the DP!! Design, the worst course on this planet's face would have been impossible without your calmness. But I want that hashish you high on man, everytime. With the talks that we had, SOMETIMES, it was very clear how much you know about stuff. Get that startup going already, wait, am I too late? :P Insti ke baahar you won't be eaten alive dude, please Citi ke corporate envs se baahar nikalna. Please do not forget me. Your Pujan Bhandar, Bisso

Drish Mahnot : LORD Sri Ganesh, the biggest dealer of insti. Itna innocent image kaise dikhaata hai tu? ISB would not have been the same without you :D

Naman Chindaliya : Goonessh! From the very first year I have troubled you a lot. I enjoyed irritating you. But whenever I had any crucial decision to make I always consulted you. I'll never forget the crazy startups plans we made and ditched. Also, I can never thank you enough for all the time you spent on me during placement prep, couldn't have asked for anyone better. You were always so helpful throughout. Talking to you was so much fun. I love Karnataka now xD. Let's stay in touch

Varun Sule : Ganesh....tere smoking habits control karle, no one is going to believe what you've written on your profile XD. Anyway, thanks for tolerating me, mujhe apne world domination ke plans batate rehna. Make sure you get the plants back from your room jab bhi chance mile ;) Sorry for waking you up so abruptly that last day in insti. Mujhe milte rehna Bombay mein

Parag Mundhada : God! Aapse jyada machau koun hai insti mei. Seriously, you are one of the most sincere, hardworking & intelligent person I know. I got to know you mostly because of you were allen's roomie but I will surely miss our random talks that happened in mess. P.S.: I will for sure once try to give exam in your way (entering the exam hall after 1/2 hour)

Mayank Sultania : Brother more than friends because of your advices!! Teri dedication ke ham kayal the And itna jabarjast magta hai bhai tu... salute yaad rhga tera. Teri room ki smell sach mein kuch jyada hi azib thi so bhai joining ke baad apne ghar mein perfume rakh lena xD. Pani ki bottle and dusre haanth mein books ... Bangalore ka sher, aise hi adhi raat ko jag ke mehnat karna and keep smiling!!!

Rohan Kaushik : Wow quite literally the first friend I made in insti, all the way back in 2016 sitting in convo. Also probably the chilliest person I've met in insti, your eyes and your attitude both would have you pegged as an avid consumer. You've always been a delight to talk to and a helpful Samaritan. And yeah man, best lab group ever. Labs were fun as hell and I honestly looked forward to them, something I didn't think possible :P I hope 'selling your soul' (as Naman puts it) to your corporate overlords works out for you xD, and I wish you all the best. Stay in touch :)

Abhishek Rawat : Goaaneshhhhhh.....Man I am soo much gonna miss our 3 am conversations near the water cooler...Man I have predicted so many things which u denied at first but those turned out to be true cause I am the best.....U need to learn about the world man u are really nice guy but duniya MC hai.....Really had fun roasting naman together and sometimes roasting you as well.... You will always be the fuckboy of the Wing xD.....Stay in Touch and dont forget me and my predictions I have made for the future. Miss you man

Shubham Punjabi : Goanesh mon! What is up, acted in any videos recently. Humara sabse chupa rustom wingie hai tu (saari girls ka mutual friend Xd..the playboy). I will miss your slow lingering walks and the monotone in your voice while giving out awesome advices. Ek aadhi party mein to chal leta yaar..we are not bad people Xd. Looking forward to you shaking the world of finance soon..stay high 🙌

Patel Sayan : Tisri baar likh raha hun. Bhai ganesh tune dram nahi kiya end tak. Sahi me kitni zaroorat rehti thi teri gc me lekin nahi. Bas subah subah 5 baje faltu me message krna hota hia ki bhai dram me enthu hai. Sikh kuch arjun se.... na jaane kitni baar doobti naiyya bachayi hai usne... aur mereko ab to bata de... kaun hai favorite tera?

Bhatt Maulik Chunilal : Hello Gaitonde bhau 😊, I seriously don't remember when was the last time I called with your real name! My third year roommate. Allen gave me a challenge when I became your roommate and I believe I have done quite well. It was good knowing you man. Bahar se ek dum shant aur andar se knowledge ka bhandar. You analyse things better than probably anyone else. You have inspired me a lot. But har jagah itna late kyun jaata hain be.😓 I hope my early sleeping and early rising habits didn't trouble you a lot. I still remember the day jab tera intern lag gaya aur raat ko tu room pe aaya tab mai neend mai hi randomly congratulations bol diya tha 😂. Aur haan bhai jaane se pehle ye pakke se batake jana ki kaunsa maal phunkta hain! 1 saal roomie rehne pe bhi pata nahin kar paaya mai. Aur haan I love forcefully wake you up early in the morning and take you to Sameer hill! Will miss you man! Milne aate rehna insti mai. 🍷

Samardeep Sarna : Yo! My first friend outside dept. The interactions with you be it in 1st year or the controls course (jo mayank ne ML bolke dilwaya tha) were always fun. The discussions after the class even more so. Stay the way you are, and keep in touch! :)

Allen Bose : Gandu Ganesh (I am writing this here so that you won't forget this nickname)!! Till we became roomies, we kind of didn't even know each other. But after that, it was one of the best friendships I have had in insti. From being an absolute silent guy, you have come a long way and fought hard to change yourself and to socialize. Thanks for putting up with me when I got totally drunk for the first time, I still remember you and bhau carrying me out to the basketball court next day morning in my hangover. Beneath all that serious, hard-working ambitious individual, I have seen a kind and pure soul who wants to do a lot of fun. PS: Ping karte rehna . Hope to see you in Citi (maybe).

Arjun Rahar : Hey Ganeshhhh God! I don't think there is anyone in insti who used to have that much of positive vibes with him as you had. Those talks in naman's room in 1st year and if you noticed, we both have been in same wing for 4 years, damn!. You became one of my close friends in insti. You are the second person on earth I have seen till now who don't get angry at any situation. From a little lazy boy in first year to an enthusiastic guy in 4th yr, I have seen quite a change in you. Always stay in touch with me ♥

Adarsh Rathi : Ganesh bhai, Thanks for being a great friend and being there for us to pick things about you and laugh, be it your slow eating, or you sitting in PPTs even after getting a job, or our startup boy. Mess meals were more interesting and funny because of you. You are very humble, smart and a person with good humour. The best part I liked in you was you helping me with case prep and being my runner for placements. I was hoping to interact more in the final semester, well we both are in Mumbai, so let's keep in touch and all the best for the future.

Kale Ninad Naresh : Yo Gaitonde.. nashedi kam fuka kar mar jayega kisi din.. Jokes apart, U r really nice man buddy I always thought u as a maggu in freshie year but u turned out to be really cool, fun loving guy. Bro, third year me wing me apne random discussions bhul jana I was really stupid back then lol. I still feel ashamed bcz teri jaise mari huyi jaan ne crossy complete ki thi aur me auto se aaya tha. Kisi din insti aake wapas crossy bhagte hai tab pakka tere se better karunga. TBH I kinda enjoyed getting judged by u. I will remember you bcz of ur unique personality which is _/_, kidding. Machate rehna bro aur konsa maal fukata hai plz batadena mujhe.

Atharva Khandait : Srigan**! We met in the first year during that AE102 project, but really got to talk in H4. My treat in Gullu in the 5th sem was probably one of the few treats you attended in the 4 years, I take some credit for that :p. H18 ke meals ke waqt whenever I was late, I used to know ki tu udhar baitha hoga aur mujhe bor nahi hoga :D. You're one of the few potential serial bankers I know :p. I'm telling you apne andar ke Jordan Belfort ko nurture kar :p. I know there's that crazy guy somewhere within you, baaki raat raat bhar jag kar kaam karna to tujhe ata hi hai. Meri treat wali offer still stands, insti ake Laxmi chalte hai, natak mat karna. Go get yourself those billions.

Nitin Tiwari : Wing ka secret mafia lord. You have a lot of tricks up your sleeve. It was always awesome to know your viewpoints on various aspects of the world, finance and ethics. We could not complete our stellar prize winning essay though all because of your apprehensions (XD) . And yes, nothing is an accident and we are in net profit (:P). Will get a lot of opportunities to open book businesses when you get bored by banking and start writing books (:P). Nonetheless, wish you all the best for your findevours and of course we'll stay in touch.

Pradnesh Patil : Hey Ganesh, I still remember the amazing time we had in our first year in the wing. You were always the quietest amongst us but later i realised how disciplined you are and I learned a lot from you. All the best and keep in touch.

Regularly gym aane k liye thanks when I needed a gym buddy. Bus aise hi lage reh pehir zarur teri body banegi. Aur mirror pe dekhke skinny biceps flex krna band kr xD P.S.
