Abhay Tomar : No one said it yet so let me; Bhai tu mimicry bohot sahi karta hai, chahe prof ki ho ya apne kisi batchmate ki, par kasam se din ban jata tha XD. Lab group me to apne machate the hi. Pavani Jeet Jignesh : Bhai tere bina intern me koi fun hi nahi hota. Aur bhai UPSC ka zyan. Still highlight will be birthday call (you know who) and tere randomly macbook khareedna. P.S mai utna gyan nahi pelta, jitna tune ABI walo ko Deep Learning ke naam pe pela hai, ab PPO diya hai toh karke dikhana

Sriganesh N : Tere stories second year se suna tha, but finally got to know you in 7th sem when we took the syscon course. Attending classes became fun because of you and Samardeep, specially the walk after the lectures. Hum dono ko tu ne padhake bacha diya. Tere jokes aur mimicry yaad rakhe jaenge. Baaki toh tu machata hi hai. Kota me Bihar Tigers me tha :D aur aage jake jab Bihar me bureaucrat banega tab sudhar lena tere state ko. Aur mess me plate se sweet lene se pehle 10 baar kyu puchta hai? :D

Pushan Bal : Sir! Minor ko hamesha chill liya because pata tha ki kuch gadbad ho gayi to aap sort kar doge. Honestly, you are one of the most sincere people I know and a great guy to be around. Always stay happy and be in touch.

Jinay Patel : MLA sir !!! Wherever we met, your one of the fixed question includes "Arrey ye apple watch konse series ka hai, aur kya kya features hai, mere mama USA se bhejege". Salute to your love towards apple products (but sach me ache hote hai apple ke products, right?) . Bhai sule ke secrets share karte rhena. Aur ye kothari ke wifi pe tera naam kyu hai? Tu to yaar ML machane vala banda hai (GNR yaad hai kya). I hope tu aage infi machaye life me. Stay in touch !! Jaldi milte hai with your quick apple questions :)

Rushabh Vora : Yo sultania!! Steve Jobs se bhi jyada apple products tere pass hi rahenge I am sure 😊. Bihar walo ke upar thoda taras kha and social service karle thodi 😊. Bhai AI, ML, Deep Learning, Neural networks lagake pata laga ki ye corona ka scene kab khatam hoga 😊😊. Cricket ke liye apna pyaar♥♥, starting intern with IPL Final (MI! MI!) and ending it with Ind NZ SF♥♥, is kaafi similar, our endless pointless talks with Rathhi, random videos on youtube ♥, Sharma ke neend ke roasts, ABI me infi chai and what not. Bangalore me hi hai to pakka touch me to rahenge hi mere ABI ke Unparalleled force 😊😊

Allen Bose : Yo man! Although it lasted only for 5-6 months, it was great having you as a wingie. I used to be bored with almost no one to talk to, and then you would pop up just like and we would go on talking about a lot of stuff. And thanks for helping me out during the placement time, it means a lot. If I ever wanted to borrow anything, you would always have it in stock (thanks for that mate). PS: I have always noticed how you work late nights and keep on striving despite accepting a PPO. Keep up the hard work, it is gonna take you great places.

Pragya Valay : Yo Mayank! Yaar bahut mast ho tum. I will always remember our conversation in CSE Building. Kitne din baad mile par mile toh kitni saari baatein kari. Kaash ek baar saari team ek sath firse kahi jaa pate. Will always cherish our moments together, my Hoshiyaar Bihari Buoy <3

Adarsh Rathhi : Jio tum bihar ke lala, Mayank bhai kitna sahi banda hai tu, the one time I miss the most with you is 2nd year study sessions(or time pass sessions?), bhai tu kitna mehnat karta hai yaar, bahut jyada inspiring hai, tu time aane pe bahut madad karta tha yaar, I still remember kaise tu ghar jaane se pehle mere resume grill karne ke liye ready ho gaya, bahut helpful tha bhai, sachhi. Tu bahut majak karta rehta hai yaar and kitna positive atmos bana deta hai, apni mess ki baatein, pizza treats, disco lights in room, MA sessions, TA brothers and co-interns. Teri crush ke naam pe sharmana was cute, Tu bhai UPSC crack karne ke baad bhulna mat mujhe, and thode apple ke products hame bhi gift kar de.

Vibha Srinidhi : Heyy... You're a really approachable, fun person. Machata bhi h bahut, PPO n all. I'll always remember your imitations of ppl in the team, especially Devesh. Do continue all the convos about prep and keep motivating me... unfortunate that our plan to prep together never materialised. Keep dancing and partying hard as always!!

Kaushal Kishore : 'Bhai aaj free hai?' 'Phone q nahi uthata?' 'Kabhi to padhai karle' 'Aaj pizza order karte hain' I would miss your common dialogues and our random parties 😊

Yash Kothari : MLA SULTANIA - tere upar to maine wifi kaa naam rakhaa tha. Chill aaram se!! Aisaa message kaun kartaa hai(u know kisko) :p. Bhai apne discussions mostly about our favourite topic were just gold <3 and specially while roaming around the insti in the mid night. Bhartha kaa interview lenaa reh gayaa :p. Varun Sule kaise pronounce karte hai aa gayaa naa(sule's example). Shopping bhi kar li bhai tere saath to. Tune jo message waala kaand kiya tha usme mujhe blame karnaa bandh kar de :p. Tere kuch kaafi epic pics hai mere paas(kabhi chahiye ho to uss bahaane yaad zaroor karnaa). Achcha hai last din wo frisbie se infi khel liye and tab thodi pataa tha ki that is going to be our last insti memory.

Pujan Biswas : Bhai woh smile ke saath sabko greet karne mai gaal dard nahi hote kya be? But thodi kam fatwaya karo apni otherwise. Especially Sule se kam dara karo 😊 H4 ke roast nights acche they yaar. GNR ka toh kya tha woh arbit. H18 ke mess mai bhi kaafi bakchodiyaam peli hai kyun? Bhai acting kyuuunnnnn nahi ki beeee!!! But sachemein, aise hi haste khelte rehna, gossips failate rehna aur yaad rakhna humein jahan bhi machao. Yours, Bisso!

Arjav Shah : Sultania!! That shareef bachha, who's always smiling and ready to help what come may! Having known you from Kota days, you have been the same sincere, humble and innocent soul! Nothing has changed. I'll miss those to-be short discussions which would then turn into hour long ChemE ranting and bitching sessions! It was great to have you next door, 'Apple' boy! :P Your perseverance and hard work are inspiring! Bade officer ban jao tab hume yaad rakhna! All the best with everything and stay in touch. Cheers!

Rohit Kumar Gupta : I remember the time when I first talked to you - Bhai ye wifi ka ID-Password kya hoga. Tab se ab tak you have been in constant touch. Be it XLR8 (me, you, binu and DVD), then Abhyuday and phir Design Project matlab tune pichha nahi chooda mera :P aur aage bhi mat chhodna. BTW dimag ka toh pata nahi :P but hardworking tu alag level ka :D. Gusse par control kar apni and chill ban meri tarah xD. BTW hum dono ne milkar Binayak ke jo maze liye hain wo kabhi nahi bhulega (Single Variable, Multi Variable, Gandroid, aur bhi kaafi hain). Bahut kuchh hain bolne ko kyunki apni 4 saal ki Friendship hain lekin ab milke hi senti maareng. BUT I am hoping to meet a chill Mank taaki dil khol ke baatein ho.

Karthik Vignesh : Yess Moyonk! Ek saal m ML ke pitamah banne wale. Apple ke brand ambassador. Boring lectures m bhi jage rehne wale. Last moment m assignment ke solutions dekar punya kamaane wale. Tere notes ko padhke mujhe Greek bhi samajh aane lga :P Lab m calculation m tune aur Brijesh ne jo force tuning kiya tha, unn TA par mujhe daya aati h jisne bhi humari lab report check ki h. Conclusion m, Madhu sir ki zubaani - You have to spend some time. Hope ki tu time spend krke IAS officer bnke hume yaad rakhega XD

Aniket Bhatia : I can grow gray hairs and still we'd not run out of topics to talk about. I knew if we would start to talk in the night it'll most probably be breakfast time when we'd have to forcefully end it. I remember those loong walks in insti at 2 am, exploring places where I dare not go especially at that hour, when we would talk about everything there is to talk about! I'm gonna miss those hilarious impressions of profs that you'd do, 'Man'. Those doubt discussions we would have and your obsession with Apple (well mine too xD). How can I forget the 'Dark Horse' Katy Perry dance in Kireeti's room!!!!!! Dude you have so much positivity and enthu to do stuff in life! Bas aise hee smile karte rehna!!!

Navnit Kumar : Mayank bhai all the best future k liye. Aapse toh raste pe hi mulakat hoti thhi hamesha. Kaafi down to earth and always chill about life. Issi trah rehna and keep in touch . Cheers

Divyadarshee Das : Bhai xlr8 days were fun because of you and your jokes on binayak. My first kind of night out was with you guys. I have always seen a smile on your face. It spreads happiness, keep doing so. I hope we stay in touch
