**Rahul chunduru :** Hey avinash bro, you and chaitu were my two pillars of philosophical discussions all these years. I love your interpretations on all the wierd sci-fi and psychological dramas, movies. Also, you are the much better TT player. The course works we did were fun to say in the least. I am sorry if I troublel you a lot asking to take my photos. lol. I had a fun weekend in blr with you. It's always fun to hang out with you. All the best in future and let's stay in touch.
