Navneet Prabhat : Hmm, to start kaha se karu pata nahi Anyways, Feb 2019, jab bas itna pata tha ki aap E-cell OC ho, aur aaj, jab 2 am ko call karo gyan lene ke liye aur 5 baj jaate hai... You have guided me like a mentor and I am really thankful for that. Hoping ki aap aise hi guide karte rahna aur PnG jake bhoolna mat. And treats, wo to khair aap bina maange hi de doge... XD

Kosuri Sandeep : Mote!!! My Eureka Partner!! Bhai agar tu nhi hota tho eureka time pe launch kaise hota. I have seen you grow from cracking lame jokes to showcasing E-Cell name on Nasdaq. Your comeback presentation on FCoF after you failed miserably in previous presentations shows the carving you have for learning. You are my go to guy, whenever I was struck. Your cool nature, generosity, regretlessness, happy nature is quite impressive. May be these qualities are responsible for your high productivity. Aisa hi, hamesha haste aur hasaate rehna! Milte rahenge!

Sanket Agrawal : Hey Kushal! I am really proud of the progress you have done in your campus life :) Have seen you grow all the way from 2nd to fourth year and I feel really proud to have a junior like you. It was my first deal as a mentor too, so I was also happy! All the best and stay in touch! Feel free to reach out to me whenever you feel so!

Rachana Meena : Hi 'Keshav' :) bahut zada hi 'chill' ho aap, you have been a help every time, ecell ka kaam ho ya kuch bi aur, always felt lighter after talking to you. Apke jane k baad merko treats me kon sambhalega :p (badi ho gyi hu I am self sufficient). Thank you for giving me the oppurtunity to be with E Cell, for being an amazing OC , for being a great senior and a brother. Treats to aap dete hi rehte ho, bas aise hi continue rkhna. :D PS: Bahut nautanki ki apne CAT aur placements ki, dekho PnG leke baite ho.

Kartavya Singh : I know tu mere yearbook pe hone pe kya bolega : Yeh Dual waale ko kisne bula liye. The one guy in the wing jo mere aane pe bolta, "Yeh toh H18 he, H7 waale ko kisne ghusne diya". Definitely going to regret apna Goa trip cancellation, sab Buddhe ke karan xD(Jk).

Aayushi Pankaj Agrawal : Kushal, definitely the most *fun* person in the team! Aapke saath insightful discussion karne mai utna hi mazza aata hai jitna bakchodi mai. I'll miss the December days, playing connect with you and your lame sense of humour xD You've always had the solution to all my problems, and have always supported me in all my decisions. Thanks for all the confidence shown, and being a mentor, support and friend when needed 🧡 Trip pe mujhe bolne se ki business karunga to P&G machane tak, kaafi plans change hue hai aapke aur advices bhi 🥺 All the best, gyaan aur treats dete rehna 🙌

Vihang Wagh : Bhai Bhai Mote. Saale, kya mast indulgent life jeeta hai tu! Pehele pehele toh tu thoda sa chutiya lagta tha but fourth year me pata chala kya stud launda hai <3. Tere jaise soft skills kisi me nahi dekhe. Poker nights aur sutton par random chats yaad rahegi. Insti life toh macha di tune. Sab kar liya par wing waalon ko Goa kabhi le ni jaa paya. Koi na, milte hai kabhi (Goa me).

Sumitra Barhat : Pareshani ki chali phirti chattan hai tu...koi aur kya hi karega tujhe. Kitni jyada fekta hai na tu . Badi badi baate bilkul pet jaisi apne 🤪...and kya mast tha na "Ops wala single hai kya". Bss gala mat dabaya kar mera ...bachhe ki jaan lega kya 🙏🙏

Yaadein toh bohot hai. Trips, parties, chai, Rajat Kadam :p. Tere judgments ko pe mai kaafi trust karta hu. Bas thoda deadline ke din kaam karna band karde :p. Apan touch mai toh rehne hi wale hai :)

Shubhankar Mihir Seth : Yo Kushal, it's been amazing knowing you and I've always admired your hands-on approach to problems. Didn't get to spend too much time with you, but really enjoyed the bits we shared and the conversations, which would get so intense so quickly. You've really grown and accomplished some terrific stuff in insti, and I hope you keep going down the same road. Take care and stay in touch!

Deep Karkhanis : Wing ka "humble" aadmi. Tere aur watan ke jhadgon se infi maze aate the. Itna chill maarke bhi placements machaya. H18 aaye the tab pehli raat dono ne Stanford ka pact banaya tha lol. Ab MBA ka banate. Aadha 4th yr tere saath hi bitaya. Fridge,cooking,goa plans, Even saath main sabzi kharidna. Haiko main kitna faltu kharcha karwata tha,aur hamesha daaru mere card pe. Bhai phookna kam karde plz. Tujhe kidney stone hua tab fatt gayi thi (lol 2bag IV chadhana pada tha mote tujhe) Kitna phi peeta ho,trips pe wing ka driver tu hi rahega. Itni dependent hai wing tere pe. Teri mumbai ho posting.Phir saal bhar milte rahenge. Pata hai tu machayega. Bas dedication E-Cell jaisi rakhna,acads jaisi nai..

Akash Khonde : Kushal!!!...! There is a lot to say about you. I first met you in my organizer year and never thought you would be my baap OC and I'm grateful for that. Meets with school for junior in dec'18, IJF mein jo freedom diya aapne, MoneyTap disappointment(20kg paper print karke laya tha,lol), you coming to wake me up :p, andddd most imp last week before summit the way you handled the situation is just amazing. Kafi sorted duniya ho jati hai aapse bat karke. Stay the same and keep giving your unique perspective. I hope aapki mumbai mein posting ho!
