Sudarsanan Rajasekaran : Hi da. We had lot of fun together. From collecting clothes around the campus in NSS to all the movie trips.. it was really fun. Your facts, planings and insights on things were really awesome. It was always fun going to trips with you, Navoj and Anirudh. All the best for all your future endeavors.. marandurada da :)

Anirudh Arputham : Hey! I still remember how excited I was when I first found out about you - another TAMILIAN, that too from Salem! Thank you so much - I couldn't have survived through 1st and my final year without you <3. I loved talking to you every time - really good stress buster and every walk (I went on 90% of my walks with you). That's all I'm going to say cause this doesn't end here and I'm not saying bye or keep in touch (cause you have to) ^_^.
