Vijay Ramchandani : Yo Sreehari! Kitna tang kiya hai and stress diya hai tune mujhe apni labs me ! Jashn mana ki maine apne experiments sambhal liye :P Alag hi gayab ho gaye bhai tum duniya se. Kabhi fursat me fir baat karenges :D Love you man! Wish you luck and success <3

Siddham Jain : Iyer idli! Bhai tere jokes bahut stressful hein. Tu mast aadmi he bhai, humesha help karta he. You are very humble and very innocent. Yaad aayegi bhai Teri :')

Ahsan Aslam : Iyer the great, you are one friend I made just by smiling. I never told you this, but I always smiled at you in first year because I mistook you for a senior I had talked in the first day because you resembled him, but you always smiled back so thought you were the same person. When we finally talked I was amazed to find that you were a Malayali, that I doubted if I had some sixth sense. I was immersed in all of our conversations that I forgot to tell this. You have got a style in your looks and talk that is very delightful. Bit sad that we won't be talking in that mess again. I'll be sure to keep in touch and all the best for your artistic endeavours.

Thangellapally Aman : I will miss our walks and talks after the classes and movie screenings bro 😊, great designer and a writer I look up to! Hope we make a movie together in future 😊 all the best bro!
