Saman Siddiqui : Omkar <3 <3 Aajkal almost daily uthne ke baad sabse pehle teri story check karti hu :P From Day 1, jab tumhe laga ki 'Saman' koi ladka hai to 3 years later jab I've become your favourite lab partner :P (Support it or I'll kill you :P) bahot jaldi time nikal gaya. Lab mei bakchodi karna was one of the best time mere week ka and I'm gonna miss you bahot zyada <3 Sun woh pant jo shorts ban jaati hai bhej de, next lab course mei use karna hai :P Text karte rehna, okay? Cool. Loads of love <3 <3

Shubham Punjabi : Omkar buoy.. wing ka evergreen dank lord. Apne Goa ke infi vlogs and dil chahta hai recreation humesha yaad rahega bhai, abhi bangalore mein aur trips maareng mast. There are still more of those Bnb convos coming our way! Abhi terko aur running karwana bacha hai Xd. Taj ki wing treat (rawat treat) karte hai ASAP!

Syed Zakiuddin : Oh! you lord of dark jokes. Raato me doosro ke rooms me jake unko pareshan karna with the theories evolved with our random discussions. Sometimes I think what the f*ck we talk about. Conspiracy theories, how to survive Zombie Apocalypse, and random philosophies. Well, I can use some of them for COVID -19 outbreak. You have always been the Chandler in the house. We have always been together in the insti even in exams preparations to getting almost the same grades. I always enjoyed myself, you and Dhvaj having fun together. You saying "abe chal na canteen, sota rahe ga kya" to actually finding myself in late-night canteen. I always admired you as good decision-maker. My roomie, Love you Bhai!.

Dhwaj Singhal : Tera naam OMI kabse hai? Man, tere sath milke jo bakchodi ki hai maine, i probably wont ever forget it. You and I are partners in crime. And don't you ever forget it! From extorting Rawat, to annoying Mangesh, sending out texts from Zaki's phone(and finding FUCKED UP shit on it), you have been there with me through all of the assholery throughout the years. You were the first friend i made when i set foot into our H-16 wing, and since then, some of my fondest memories were made with you. I still remember your potential youtube channel (CSD!) and all the shenanigans that were documented. The word limit stings me as i write this, so i'm cut short here. Stay in touch or i'll kick your ass, cunt!

Prathamesh Patil : Partner in dank jokes. The guy born on 9/11. We have crossed some real lines saying dank shit. You are my first friend from the wing and it has been a next-level journey with you since then. Those movie nights, marine drive trips, your expensive hotel tastes, exploiting rawat and mangesh and stereotyping people. God, you can remember dialogues and mimic them as they are in wildly appropriate and some inappropriate situations. I feel sad that we were moved to different wings. Whenever I find a really dank meme, you are the first one I send it to. So, I expect we will stay in touch in the future. We had very good memories and I'll cherish them till my last day.

Abhishek Rawat : Damn its the first time I am gonna write something senti to you otherwise its only been you inventing fake bets I never lost.....Really meeting you in freshie year was the start of my insti social life otherwise I would have ended up a loner depressed in my wing.....Lol we have gone through soo much shit whether it was calculating probability of passing in a course or whether it was discussing our new passions and hobbies every month.....You were indeed the mastermind behind all those pranks on me and I can tell hostel life was pretty much fun with them. All those dark memes, dark stories,inside jokes man we can write a book about it all. Really was looking forward for that drink with the wing boys. Dont worry I have couple of bets left to pay for and we will surely meet after this quarantine is over and yes "Budget Badha Dunga" xD.....Ab toh berkshire waale bhi lere hai toh treat toh banti hee hai....Really gonna miss shouting in the corridor and getting shouted on by you early in the morning.

Pradnesh Patil : Yo Omkar, We have been through a lot of crazy adventures together from the Goa trip to you know what ;p.I wish er had gone on the Goa trip again and reenacted the Dil Chahta Hai scene again(seems more fitting now).Thanks for all the F1 talks, random movie suggestion and the crazy sunny adventures we have been on (most of which I don't remember ;p). Keep in touch and all the best .

Raghav Goyal : Omkar bro :) almost neighbours in H4 to crying over missing goals in fifa? its been a very long story i know :) I am going to miss you bhai, ill miss the dubai ki chocolates more (really)! All the subtle conversations, solving tuts in the last minute, to "bhai yaha chordh de, waha chorh de", "bhai attendance lagade" xD Ill miss watching movies with you, especially the horror ones! Ill miss the two of us playing with cats, troubling mohit, panna, dhvaj, tanny! Cholos will always be my second home <3 and you my family :) stay the same bhai! love you bhai

Vipul Ramtekkar : Yaar Omkar 4 saal infinite cheeze saath mein ki hai. Apne itna saath rehte hai XD ki tune har story repeat mein sunni hai :P :P Mere pe itni stories tune banayi hai ki I have lost count and I think kuch toh real hoke aage bhi circulate hui XDD Its been a fun ride (4 wheeler nahi seekh paaye) writing this in hindi feels weird cause we never spoke in hindi. First year ke apne crazy dances se fourth year mein posters se room decorate karna! Yaar I cant forget tere menu choices hhahaha but kiwi pirooska dhunda bhi tune hi tha. Guitar start karne mein kaafi motivate kiya hai and I hope ki mein karunga! I'm always a call or message away sooo keep updating me and mein bhi karte rahunga!

Prathmesh Shelar : Omkar bhai🙏 As much I remember, we only have "high" memories together which were amazing;) and obvio one memory which I'll always remember is, diptish and tujhe room tak chodne jaana jab tum kahi toh jana chahte the.. and btw acha hua apan ne last day plan kiya and it was amazing.. let's hope we have more high time together again and pink floyd sunenge🥰 and hope to stay in touch always♥
