

**PRIYESH GUPTA**  
Mechanical Engineering

Yearbook  
2020

**Saman Siddiqui** : Do you remember one of our first conversations in insti where you were trying to tell me the difference between love and good friends XD You were like, haye, iss ladki ka kya karu mai XP It's been a few years since we met and I'm tired of the soon-soon thing :p but I'm sure we'll make out of this valley <3

**Himanshu Goyal** : Gupta ji! ♥♥ Most annoying, over enthusiastic, modi lover and patriotic person I have ever met. ♥♥ Kaafi acha banda hai tu, buss team dynamics mai fit nhi aaya. 😂😂 Thank you for paying my online course fee (yeh tu sunna chaata tha na 😊). Aur Nautanki kam kiya kar, we don't care about you. 😊😊 Kaafi night outs, cycle waala dosa, powai lake, south Mumbai, marine drive ghumm li tere saath, abh bore ho gya. 😂😂 Sorry for all Modi and Indore jokes. 😂 Kabhi toh aapna coaching centre kholenge! Paisa hi paisa hoga. 😊 Love you bhai! ♥♥

**Tamoghno Pramanik** : I remember the day we had our first conversation like (over a baap-beta coordinator stuff) like I had countless discussions with you regarding this stuff and I was like quite frantic at times trying to emulate you and get to the best of stuff. Never the less you had always been a very helpful senior to me and someone whom I could rely on. Destiny had been cruel this year but we can really hope to take the good out of every recurring moment.

**Ganesh Chelluboyina** : Yo Priyesh! Bohot late mile, phir bhi kaafi saare memories hai. Discussing semex activities, becoming mentors together, that barbeque dinner where we both had so much to say to each other (that event was just this year, how long it has been!). Aur political conversations. Thank you for bringing me the goodies from Turkey. All the best for fifth year, aise hi machate reh. Stay in touch bro

**Patel Harsh :** Priyeshh! Freshie year me karaoke night me pehli mulakat hui thi. DIC me sath me project kiya.. Thanks a lot bhai us time pe elections, GD etc tough times me bhi tune single-handedly vo project lead kiya and major work tune aur Adwitiya ne hi kiya tha. Fir tu BC maarke chala gaya to interaction kam ho gaya thoda and fir semex hi chala gaya. Stay in touch bro.
