Sahasrajit Sarmasarkar : Yo roomie !! You are one of the coolest persons I met in insti. Duniya me kuch bhi ho jaye tujhe kuch phadak nahi padhta. Unfortunately in fourth year, hostel shifted you to a different corner and we didn't meet often except in common room and mess. The late night never ending discussions lying in bed on a range of topics with you from ghost stories in your school to social issues were pretty interesting. Keep smiling and be happy always!!

Naveen Kumar Yalal : Bhai hairstyle mat badalna. Tu sahi cool insaan hai bas room se bahar aake thoda socialise kar aur machata toh tu hai hi. Woh six packs ke tips dede bhai. Keep playing football, you're really good at it.
