Yash Shah : Hey there, favorite weirdo!! From endless (and sometimes pointless) discussions on random ML topics, to waiting for you to finish your food in the mess, solving CTFs together overnight, playing TT, sharing reddit posts and putting up with your often cringey comments and behaviour --- kaafi enjoy kiya h aapke saath in 4 saalo mein. Tumhaari aavaz yaad rahe ya nhi, cheekhein zaroor yaad rahegi 😊 Keep in touch! ♥

Rahul chunduru : A lot of my hostel life happened in mess with you in it. Partly because of ur slow eating, but mostly because you are so much fun. A dear friend. It has been a pleasure watching you over the years. Down at times and then up and then down again, repeat, it has been a real rollercoaster. Happy that it all worked out in the end. Keep having fun and stay in touch. All the best in future, bro !!!

Mayank Singhal : Aryan Bhai, What's up? It was fun to have you on the same table while eating and talking. I think you still haven't forgotten that "mess-fiasco" yet. 😂

Anmol Singh : Aryan bro 🤔 Yaar tu bahot jolly banda hai. Terese baat karke hi dil khush ho jata hai yaar, humesha kisi na kisi tarh se saamne vaale ko hasa hi deta hai ♥. Though mile to starting mein hi the hum but asli bond to 2nd year summers mein kiye the hum and i feel so happy about it. Insti life ki fun trips ke baare mein sochta hu to you have been in most of them and it feels so good that humari Kerala trip bhi ikathe plan hui. Kaafi maze kiye yaar ♥. Anyways ab foreign jakar bhul na jana hume 😊. And apne chhote bhai ki pics bhejte rehna, bahot sweet hai yaar vo. I'm telling you he'll definitely be a good bait for you to score girls out there 😂. Love you bhai ♥

Kriti Kamna : Hello love - struck sundari. My best memory of you was when we pranked the shit out of you 😂. I really hope I could get half as high as you are always. I hope we get to dance again and baaki Patna aaye toh bataye, puchka khaate hai saath me ♥😂

Nilay Pande : Aryan brooo!!!! You are such a cool, funny and friendly guy. We connect so easily man. We really get each other's thoughts, jokes and feelings. Hum dono ke pass logo ko and ek doosre ko creep out karne ki daivi shakti hai xD. It has always been fun to talk and hangout with you man. ASR project kaise kiya tha, hume hi pta hai xD xD. Saath mai chalna hai peene next time we meet, no questions asked. Always happy to recommend House!! Cheers bro.

Shubham Anand : Yo Iron Man.. hope you will remember that. I will always remember your "bhai tumko dekh ke dil khush ho jaata hai". Bhai same here lol. Remain funny like you are and sorry trips pe nahi aaya tere invite karne ke baad bhi.. All the best for future man.

Neelesh Verma : Yo Aryan!! You are the funniest person I met in the insti. Tu hamesha dinner time pe mess me mil jaata tha which is obvious considering the time jo tujhe khane me lagta. We used to discuss a lot about pc games. A very very big thanks for recommending "The Witcher 3" and 'your welcome' for "Ghost Recond Wildlands". Kabhi bhi contact karna, if you want to know about any sorts of games. Keep in touch and all the best for your future ...

Pokkuluri Mohana Madhumita : Broooo! Thanks to Debu for inviting you to nursery that day, else I would have missed an awesome friend. Insti m milna kaafi kam hota tha but summer mei infi mazaa aaya...Those midnight visits to Charminar , Chaithanya ka 5 star hotel and damn you have enjoyed that telugu movie more than us XD..and ofcourse the roads to ooty helped us share a lot of stories..I love your energy and enthusiasm!You have a good meme game too.. 'Hum' aapko miss karenge..Pranks karte rahenge!

Aditya Saurabh : Dude, just that ki tu confusion m naa rhae and wo prank (one plus waala, Ooty) tu hamesha yaad rakhe when even ever you read your yearbook. Wo prank maine kiya tha, also whole idea was mine :p

Aayush Anurag : Aryan Don 🤔. Bhai I think we are pretty similar. 1st yr se hi games, interests and life ke ranga-rang kisson se kaafi aachi bonding hui. Boredom mein sabse pehle tmhare room aur mess mein tmhare table ke ore hi jaata tha and uske baad woh walks, unforgettable, jinpe jaane ke liye you were always ready. Tumhare saath hi wo kabada cycle aur Laptop kharida. Magnet, Hospital and Ambulance, you bore with me on my most ridiculously insane night of insti🤔. Bas yahi hai ki jaise college mein dekthe hi, hum dono ke chehre par woh smile aa jati thi, I hope life bhar aayegi, aur tum interesting kahaniyan, jo Canada/ USA jaake aur bhi masaledar ho jayengi, sunate rahoge.

Amey Patil : Aryan Aryan! Believe it or not, you were the closest one to me, when you were going through that phase and we used to go on long walks around the campus. You have such a unique personality and so unpredictable behavior but in a fun, lovable way. Seriously, I have shared some personal stories with you just because of those whimsical moments, but I will always cherish those memories. I believe that College life is not only about academics, accomplishments and good or bad memories, it's about how we get our personality and ideologies from those experiences which we are going to nurture for the rest of our lives! And I'll always be glad that our paths crossed in the most amazing time of my life

Sharath Chandra Ale : First of all, your name is the one which made me curious. You are among those few veggie guys I even went out to eat. We always have crappy things to discuss. coz sab life ke burayi ke baare me hote the. But when we did anything, we always enjoyed the present. All I want is a official window 11(whatever the next) version from you.

Sanchit Jain : My friend from coaching , one of the most transparent and genuine person I have met. An intellectual being and yet down to earth. Very hard working and very chill. A great mentor and always ready to give his valuable advice. We spent a few nights in freshie year at the terrace of 15A. There were a few hiccups between us in between after the MI of first year but in the end all was good. We made the chain reaction game in first year for sanyal sir and were TAs under him in the final year. Thanks for everything mate. I always look upto the always smiling face of yours with an incomparable brain inside. All the best for your future.

Sigireddi Yamuna Devi : Yaad h na, hum ek startup shuru karne wale h? aage jaake dhoka mat dena :P. tum ho crazy, but dil ka toh bhut acha h tu! <3. Zyada chinta mat karna, you'll have all the best things you'd ask for. bhul mat jaana hume redmond jaane ke baad :P. Aur toh deviji ke krupa humesha tumhare sath rhegi hi XD

Rajat Jain : One of the most scary courses(SSL) and one of the best set of TAs!! That's how I got to know this "chill..chill" bolne wala stud guy! You really cheered us in that daunting course! You're really cool and knowledgeable and always there to guide! I'm glad to have known you, I hope you feel the same xD Anyways, let's go cycling to marine drive some day ;) Keep in touch and keep rocking!!
