Aerospace Engineering  
Football | Athletics | Kho-Kho

**Himanshu Bishwash :** G D..... :D It has been fun two years. And I have enjoyed teasing you and sharing the same crush with you. Twice xD. You have changed a lot since I first met you. I am super happy about the way you displayed your hidden personality during the placement session. You have a lot of potential in you and I wish you all the best and hope to see you succeed in life. Also, learn some Marathi. You will be needing that soon!

**Shivam Sharma :** Bro! Mumbai only. Remember the first 'gaali' that we made you to give it to Rahul in H4. And that Bahubali video. You improved my English, a lot. 🤔. In Hitchki, when I was not drunk and was behaving like one, what dance we had. BULB! WELL! PULL! SHIRT! hahaha. Most innocent Nibba in Propulsion, Aerospace, and in IIT

**Saket Milind Kothalkar :** Hey GD... I have seen your transformation from most shy to a confident person and person who puts his thought firmly. Sincere thanks GD for bringing positivity in me amid all the tension during placement season. Don't think that I rejected you for SC post but consider that this post was very small in front of your caliber and hence I said No to you. Really awesome and helpful person. Stay as it is and always remember magical marathi words which I taught to you 😊.. Best of luck bro for your future endeavour ! 1👍

**More Shubhali Jalindar :** Hey GD, being in same batch but due to compulsory english 😊 need n ur shy nature, we hardly speak in 1st sem. We hv less but precious memories Propulsion group parties, TRL, seniors farewell decoration n most imp ur dance at hichki..During placement season thank u for inspiring all of us n staying there after ur placement. Hopes so this time u'll get 10 marks in project 😊👍 Stay in touch. All the best for ur future.

Yearbook  
2020

**Naveen Markam :** G D, G D, Geee Deee....footballer, runner and many more in a silent pack...all the best bro...

**Ganesh Mohan :** GD azha vekkathе 😊. Thanks da for the kind words. For me you have always been a trustworthy brother. Few people have been as constant in my insti life as you. You were always there for me. You have made my worst days good by just being there with your genuine smile. You are the purest guy in our batch. Guy with the least ego. And even when you are mad and angry you lack the ugliness that is there in all of us. You are a hidden gem with lots of facets. You are the best dribbler of our team. And it's really amazing watching you play football. It's so different from your usual humble self. Always do what you love because you are so hardworking and talented to shine anywhere. 🔥🔥🔥

**Manmohan Singh :** are GD!! hamara all rounder sports, academics!! dude all the best for future
